CASE IDENTIFIERS

Serial Number 86291726 **Application Filing Date** May 26, 2014 **Register** Principal **Mark Type** Service Mark **Publication Date** Nov. 25, 2014

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the literal elements of the word "TRICE EDUCATION RESOURCES INC." in all capital lettering, red in color, bordering a circle with "Trice Education" on the top of the circle in red lettering, appearing in a dome-shaped pattern, and the words "Resources, Inc." on the bottom portion of the circle, also appearing in a dome-shaped pattern in red lettering. The circle appears as a patchwork of geometric shapes, is comprised of various colors including black, brown, gray, yellow, red, and orange, and appears slightly broken on part of its right edge, and features a set of ascending number sets at the top in brownish shading. These number sets run downward and are exactly "00054", "00055", "00056", "00057", and "00058" appearing in white. The numeral "4" of the number set "00054" is cropped by the right edge of the overall circle. A small quarter circle, interior to the overall circle, obscures the number sets "00055" and "00056" sits atop the first two zeroes of the number set "00056". A series of exactly four circles appear inside the overall circle in the bottom half of it, each of a different size and appearing with the largest of the four shaded in yellow and containing a spiral representation and obscured by a translucent rectangular shadow box of a dark gray shade, the second largest in light blue shading, the third largest in a slightly darker shade of yellow than the largest, and the smallest in size of a darker blue shade. The overall circle contains the numbers "1", "2", and "3". The number "1" is shown in the bottom left quadrant of the circle and is the same shade of blue as the second largest of the four interior circles, set against a yellow-orange background. The number "2" is shown in the upper left quadrant of the circle and is shaded in yellow, set against a dark gray background, positioned left of the small quarter circle that obscures the described number sets. The number "3", the largest of the numerals, is shown on the right side of the circle and is shaded in purple, set against a background of red-yellow shade at the bottom of its placement, and shades of gray at the top and right edges of its placement. The top line that forms the number "3" extends onto the number sets at the top of the circle, interfering with the numeral set "00057" shading the portion of set that is "057". Inside the number "3" is part of the number set "00058" with the portion of numbers "058" interior of the large

number "3". **Color Drawing** Yes **Color Claimed** The color(s) black, white, gray, blue, brown, yellow, red, purple, orange, dark gray, light blue, dark blue, yellow-orange and red-yellow is/are claimed as a feature of the mark.

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a black, white and grey square box with a grey border around the outside of the mark and a thinner white border on the inside of the grey before the main portion of the square. The main body of the square is black with the word "Rock" in all capital block letters at the top of the square. "Rock" is followed underneath by "Creative" and then by "Network". "Rock" is the largest word and takes up about half of the space within the square. The word "Rock" is solid white. The word "creative" is the smallest word and sits in the middle of the square. It is also solid white and on either side (left and right) there are long dashes surrounding the word "creative". Beneath the word "creative" is the word "network". The word "network" is surrounded by a grey rectangle that encapsulates the entire word. The word "network" is in solid black letters. Both "creative" and "network" are block letters similar to the word "rock". The upper left corner of the square has a sharp point whereas the other three corners (both lower corners and the upper right corner) are soft curves of the grey border with white finishing off the point of the square. The top and bottom edges are slightly longer than the left and right edges such that the square is not exactly square and is a slight rectangle. **Color Claimed** Color is not claimed as a feature of the mark. **Disclaimer** "CREATIVE NETWORK"
