For Downloadable and recorded software for managing and designing user guides and user manuals; downloadable and recorded software for managing and creating human resources database; downloadable and recorded software for managing and creating payroll management database; downloadable and recorded software for managing and creating scheduling management database; downloadable and recorded software for managing and creating databases for the management of emergency departments in the health sector and in the field of administrative management of hospitals and medical clinics, the management and creation of databases for data management in the health and work safety sector, management of medical costs, human resources management, cost control in the field of health care, and evaluating the performance of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection centers, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for managing and creating databases for the management of admissions, departures and transfers of patients in establishments in the health

sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection centers, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for administrative management of hospitals and medical clinics, management of medical expenses, the management of human resources, the control of costs in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection centers, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for managing and creating databases for the management of radiology services of establishments in the health sector and for administrative management of hospitals and medical clinics, management of medical expenses, management of human resources, cost control in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services centers, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for managing and creating databases for the management of pharmacy services in establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services centers, accommodation and long-term care, psychological and physical rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers and for administrative management of hospitals and medical clinics, management of medical costs, human resources management, cost control in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for managing and creating databases for the management of long-term care in establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services centers, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers, and for administrative management of hospitals and medical clinics, management of medical costs, human resources management, cost control in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for managing and creating databases for the management of appointments; downloadable and recorded software for managing and creating databases for the management of financial resources, namely, bookkeeping, accountability, financial projections, bank reconciliation, management of the salary budget and the budget of establishments in the sector of health, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for project management of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for

management of debts, margins and loans made by establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for management of payable and receivable accounts and the management of fixed assets of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for managing and creating databases for the management of material resources, namely, supplier catalogs, service provider contracts for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for management of calls for tenders, purchasing mandates, order management, e-commerce management, in particular, electronic data exchanges and electronic document management, management of the matching of purchase invoices, management of the logistics of the establishment, namely, the reception of accounts payable, the distribution of supplies in the establishments of the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for the return of merchandise; downloadable and recorded software for analysis management and creating databases for the management of the efficiency and performance of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers, and for administrative management of hospitals and medical clinics, the management of medical expenses, the management of human resources, the control of costs in the field of health care, and performance evaluation of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; downloadable and recorded software for the management of the efficiency and performance software for managing surgical waiting lists; downloadable and recorded software for managing assignments and bed management; downloadable and recorded computer software designed to collect, organize and analyze enterprise wide data for business management

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Design, development, programming, implementation, installation and maintenance services of computer software, intended for the health and social services sector, namely, for hospitals, hospital centers, medical clinics, health and social services centers, accommodation centers and long-term care centers, psychological and physical rehabilitation centers, child and youth protection centers, rehabilitation centers for young people in difficulty and community dependency intervention centers; computer software installation services; consultancy services in the field of computer programming; consultancy services relating to the use of computer software programs and computer hardware provided via telephone; design,

development, installation and maintenance of computer software programs; advisory services in computer programming; designing of computer software for business management; analytical services, namely, quality control for others, technical consulting and scientific research in the fields of computers and computer software; providing online non-downloadable software and software as a service (SaaS) for managing and designing user guides and user manuals; providing online non-downloadable software and software as a service (SaaS) for managing and creating human resources database; providing online non-downloadable software and software as a service (SaaS) for managing and creating payroll management database; providing online non-downloadable software and software as a service (SaaS) for managing and creating scheduling management database; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the management of emergency departments in the health sector and in the field of administrative management of hospitals and medical clinics, the management and creation of databases for data management in the health and work safety sector, management of medical costs, human resources management, cost control in the field of health care, and evaluating the performance of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection centers, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the management of admissions, departures and transfers of patients in establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection centers, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for administrative management of hospitals and medical clinics, management of medical expenses, the management of human resources, the control of costs in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection centers, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the management of radiology services of establishments in the health sector and for administrative management of hospitals and medical clinics, management of medical expenses, management of human resources, cost control in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services centers, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the management of pharmacy services in establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services centers, accommodation and long-term care, psychological and physical rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers and for administrative management of hospitals and medical clinics, management of medical costs, human resources management, cost control in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the

management of long-term care in establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services centers, residential and long-term care centers, psychological and physical rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers, and for administrative management of hospitals and medical clinics, management of medical costs, human resources management, cost control in the field of health care, and performance assessment for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the management of appointments; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the management of financial resources, namely, bookkeeping, accountability, financial projections, bank reconciliation, management of the salary budget and the budget of establishments in the sector of health, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for project management of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for management of debts, margins and loans made by establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for management of payable and receivable accounts and the management of fixed assets of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for managing and creating databases for the management of material resources, namely, supplier catalogs, service provider contracts for establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for management of calls for tenders, purchasing mandates, order management, e-commerce management, in particular, electronic data exchanges and electronic document management, management of the matching of purchase invoices, management of the logistics of the establishment, namely, the reception of accounts payable, the distribution of supplies in the establishments of the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for the return of merchandise; providing online non-downloadable software and software as a service (SaaS) for

analysis management and creating databases for the management of the efficiency and performance of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers, and for administrative management of hospitals and medical clinics, the management of medical expenses, the management of human resources, the control of costs in the field of health care, and performance evaluation of establishments in the health sector, namely, hospitals, hospital centers, medical clinics, health and social services center, residential and long-term care centers, psychological and physiological rehabilitation centers, child and youth protection center, rehabilitation center for young people in difficulty and community dependency intervention centers; providing online non-downloadable software and software as a service (SaaS) for the management of the efficiency and performance software for managing surgical waiting lists; providing online non-downloadable software and software as a service (SaaS) for managing assignments and bed management; providing online non-downloadable software and software as a service (SaaS) designed to collect, organize and analyze enterprise wide data for business management

GOODS AND SERVICES INFORMATION

For Building and construction materials and elements, not of metal, namely, concrete pipes, concrete boxes, concrete vaults, precast concrete wall forms, non-metal catch basins for attachment to sewer pipes to trap debris; concrete; cement; aggregate materials for use in concrete, namely, sand, gravel, stone chips, crushed stone, and stones; cement aggregates; asphalt

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Chemicals and chemical preparations for use in construction for hardening concrete, cement, asphalt, and stabilizing soil and sand; chemical additives for manufacturing and hardening concrete, cement, and asphalt, and stabilizing soil and sand; chemicals being additives for cement, concrete and other cementitious construction materials for manufacturing and hardening concrete, cement, and asphalt, and stabilizing soil and sand

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Retail store services featuring building and construction materials; Wholesale store services featuring building and construction materials; Professional business consultancy services relating to the purchase and sale of building and construction materials

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Building and construction services; Repair and maintenance of buildings; Repair and maintenance of roads; Property development services, namely, development of real property, in particular, repair, improvement, and new construction

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Downloadable and recorded Computer software for management, monitoring and control of facilities and machines for the mining, manufacture and use of cement, aggregates, ready-mixed concrete, and asphalt; downloadable and recorded application software for management, monitoring and control of facilities and machines for the mining, manufacture and use of cement, aggregates, ready-mixed concrete, and asphalt; downloadable and recorded artificial intelligence and machine learning software for management, monitoring and control of facilities and machines for the mining, manufacture and use of cement, aggregates, ready-mixed concrete, and asphalt; downloadable and recorded computer software for monitoring, analyzing, controlling and running physical world operations; downloadable and recorded computer operating system software and computer operating system support software and firmware; downloadable and recorded virtual and augmented reality software for management, monitoring and control of facilities and machines for the mining, manufacture and use of cement, aggregates, ready-mixed concrete, and asphalt; downloadable and recorded web applications for management, monitoring and control of facilities and machines for the mining, manufacture and use of cement, aggregates, ready-mixed concrete, and asphalt; downloadable and recorded server operating software

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Transport and delivery of building and construction materials; Storage services, namely, storage of goods; Waste collection, namely, collection of domestic and industrial waste and trash; Removal of waste, namely, transport and storage of waste

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Recycling of waste and trash; treatment of waste and trash; destruction of waste and trash; incineration of waste and trash

International Classes 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

For Chemical laboratories; technological consultation services relating to construction materials, building materials and construction services; chemistry services, namely, research in the field of chemistry and chemistry consultation; engineering services, namely, engineering for the construction industry; IT consulting services relating to the development, programming and implementation of software, hosting services and software as a service (SaaS) and rental of software, data duplication and data conversion services, and data coding services

GOODS AND SERVICES INFORMATION

For Non-metallic building materials, namely, fiberglass panels, floor boards, and non-metal heating ducts; non-metallic rigid pipes for building; transportable buildings, non-metallic; non-metallic storage sheds; utility poles, non-metallic; chimneys, not of metal; electrical substation buildings, non-metallic, transportable; doors, windows, not of metal; glass for buildings being building glass; building materials of recycled plastic in the nature of pipe supports, planks, plank boards, interlocking plank boards, beams and posts; non-metal building materials, namely, plank, plank boards, interlocking plank boards, beams and posts of plastic

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Financial affairs and monetary affairs, namely, financial information, management and analysis services; real estate consultation; electronic financial trading services relating to energy stock exchange; transfer and dissemination of capital via data networks, namely, money transfer services; electronic payment services, namely, establishing funded accounts used to purchase goods and services on the Internet; electronic payment services involving electronic processing and subsequent transmission of bill payment data; electronic transfer services for capital, namely, money transfer services; electronic funds transfer services; financial services, namely, investment management and investment consultation; financial management services, namely, investment analysis, appraisal and consultation; electronic payment services involving electronic processing and subsequent transmission of payment data, namely, processing of electronic funds transfer, credit card, debit card, electronic check and electronic payments

International Classes 36 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Insurance and Financial

For Paper and cardboard; printed matter, namely, brochures, leaflets, handbooks, company magazines, news reported in printed form, newsletters, periodicals, stock market bulletins and manuals in paper form in the field of energy-intensive industry and energy industry; printed photographs; printed instructional and teaching materials in the field of electrical energy industry and power plant training; pens; printed paper brochures, printed magazines, printed handbooks, printed manuals, printed company magazines, printed newsletters, printed periodicals, and printed newspapers in the fields of energy production and consumption, business news, electrical energy industry and power plant training; folders being stationery, namely, lecture folders, educational folders

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Machines and machine tools in the field of energy industry, namely, generators for electricity, pumps being parts of machines and engines used in power plants and industry, water turbines and wind turbines, crushing machines for industrial purposes, conveyors used in power plants and industry, heat exchangers being parts of machines for power plants, industry and buildings, steam turbines not for land vehicles, gas turbines not for land vehicles, and wind, gas and water turbine blades for production of electricity; motors and engines, other than those for land vehicles; machine coupling and transmission components, other than those for land vehicles; power plant components, namely, hydropower, wind and water turbines; wind turbines and their parts, namely, turbines and turbine blades for production of electricity; electricity generators; power plant boilers for wind, water, steam and gas turbines, namely, steam engine boilers; heat exchangers being parts of machines; pumps, namely, pumps as parts of machines, motors, and engines; feed water tanks sold as a component part of machines; coal pulverizers being machines; crushing machines for industrial purposes; conveyors being machines; Water treatment equipment for processing water, namely, water pumps, waste water disposal pumps, and diffusers used in machines for waste water and clean water treatment; water filtering machines; machines for processing radioactive materials, namely, a system primarily comprised of waste crushing machines and also containing dewatering machines, mixing tanks and pumps, cement silos, filters, burners, sold as a unit; machines for processing nuclear power waste, namely, waste crushing machines, waste disposal machines, waste compacting machines, waste compactors, waste material conveying machines, waste separating machines; milling cutters being machine tools and machines for milling waste; windmills; waste disposal apparatus and machines, namely, waste disposal units; machines for handling nuclear waste, namely, waste separating machines, industrial robots, and machine tools for removing nuclear waste material

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 24, 31, 34, 35 **International Class Title** Machinery

For Apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, namely, power plants for producing electricity, heat and steam, nuclear power plants, power plant boilers, combustion equipment being combustion chambers and combustion furnaces for power plants, power plant burners, heat pumps for use in energy production, oil heating apparatus; nuclear power plants; heating boilers for power plants; heating boilers for central heating units; combustion chambers; power plant burners; burners, namely, coal burners, gas burners, oil burners, peat burners, and bio mass burners; oil heating apparatus; heat pumps; water control valves for faucets; collectors of solar thermal energy, namely, solar collectors, heating systems consisting primarily of automatic temperature regulators for central heating radiators and also containing regulators, thermostats and electrical resistance filaments; steam accumulators; water purification plants, namely, water purification installations; clarification plants, namely, water filtering installations,

chemical sterilization installations, and water filtration installations; purification plants for industrial wastewater, namely, industrial waste water purification apparatus, installations and tanks; water treatment apparatus, namely, clarification and thickening machines for use in treatment of liquids in the nature of water, waste water and industrial water; water filtering units; water treatment plants, namely, water treatment installations; sewage treatment plants; purification plants for industrial wastewater and material, and sewage treatment plants, namely, purification installations and apparatus for waste material and liquids; sewage treatment plants, namely, machines and devices for processing sewage water; sewage treatment plants, namely, sewage treatment machines and apparatus

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 24, 31, 34 **International Class Title** Environmental Control Apparatus

For Education services, namely, providing classes, seminars, and workshops in the field of energy-intensive industries and the energy industry; providing training services, namely, courses, seminars, workshops in the field of energy-intensive industries, the energy industry, and the electric vehicle industry; providing of educational briefing and information occasions, namely, conducting conferences and seminars in the field of energy production; arranging and conducting seminars and workshops in the field of energy production and the energy industry; publication of magazines and electronic magazines; audio-visual recording services, namely, audio and video recording services; production of radio news broadcast programs; production of audio-visual recordings and presentations, namely, providing ongoing television and radio programs in the field of energy production; publication of online downloadable books and periodicals in the field of energy production, energy-intensive industries and the energy industry provided in electronic form; provision of non-downloadable electronic publications, namely, online non-downloadable books and periodicals in the field of energy production, energy-intensive industries and the energy industry; news reporting, namely, providing current event reporting in the field of the energy industry; providing on-line publications, not downloadable, in the nature of news articles in the field of energy industry; production of radio broadcast programs

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Chemicals used in industry and science; unprocessed artificial resins, unprocessed plastics; manures; fire extinguishing compositions; adhesives used in industry; chemical preparations in the nature of ion exchange resins; ion exchange materials, namely, chemical preparations in the nature of ion-exchange resin membranes; fuels for nuclear reactors; water purification chemicals; hydrogen; uranium

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Advertising services; business management; business administration; providing office functions; marketing services; mediation and conclusion of electronic transactions for others; arranging of contracts for others for the purchase and sale of energy, electricity, heat, steam, district heating, and district cooling; on-line retail and wholesale store services on Internet or extranet featuring electricity meters and monitoring and control devices relating to energy; electronic presentation of goods, namely, organization and conducting of product presentations in the field of energy intensive industry and energy industry; presentation of services relating to sales of energy in the nature of energy management services, namely, providing services that allow customers to purchase energy, electricity, renewable energy, and heat from various energy providers, and retail mail order services featuring related apparatus, namely, home electrical meters, and solar panels; negotiation and conclusion of commercial transactions for third parties; arranging of trading transactions and commercial contracts; arranging contracts for

the purchase and sale of products, for others; business management assistance and consultation in the field of energy intensive industry, energy industry, and electric vehicle industry; compilation of information relating to business into computer databases; advising relating to business management; research relating to business management; business appraisal and auditing services; business efficiency expert services; Compilation, systematization, organization of information into databases; business research, namely, search and retrieval of data and information for others from computer files; collection of information into computer databases in the field of business and energy industry; compilation of data into computer databases in the field of business and energy industry; updating of data in computer databases; systematization of information into computer databases; updating and maintenance of data in computer databases; database management; consultation relating to data processing; database management services, namely, search, retrieval, indexing and organization of data in electronic telecommunication network databases; online advertising in data networks; production of advertising material, namely, production of audio-visual recordings and other advertising material; publication of advertising leaflets; business consultancy, namely, analysis, management and optimization of costs relating to the use and maintenance of machines, devices and power plants; data processing services; electricity meter reading for billing purposes

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Repair of machines, devices and instruments being computer hardware and power plants used in the field of energy industry; installation services for machines, devices and instruments being computer hardware and power plants used in the field of energy industry; building construction, overhaul, repair and installation services relating to power plants for the production, transmission and supply of energy; assessment and inspection services relating to construction, overhaul, use, maintenance and repair in power plant operations and energy intensive industry, namely, building inspection of power plants in the course of building construction; installation, overhaul and maintenance services for equipment relating to production, use, transmission and supply of energy; power plant construction; mobilization services of power plants, namely, installation, maintenance and repair services, namely, the installation, maintenance and repair of power plant safety systems; installation, overhaul, maintenance and advisory services for different types of power plants and industrial production plants; maintenance planning, namely, building and power plant maintenance planning; optimization of overhaul programs, namely, consultation in the field of building repair and maintenance; construction, installation, overhaul and repair of power plant boilers; construction and installation of power plant air ducts; construction and installation of power plant burners; overhaul and repair of gas burners; overhaul of wind turbines; overhaul of electricity generators; power plant maintenance and repair, namely, condition management relating to power plants and energy intensive industry; construction management, construction consultation, and building and equipment repair and maintenance services in the fields of reliability and condition management of power plants and industrial machinery as well as process equipment; maintenance and repair of power generating machines, namely, technical analysis regarding failure for machines and apparatus; construction management, construction consultation, and building and equipment repair and maintenance services in the fields of energy efficient buildings and cooling equipment for computer rooms and industrial processes; installation and overhaul services for solar electricity systems and advisory services relating thereto; installation and overhaul services for solar heat systems and advisory services relating thereto; construction of waste incineration plants and waste processing plants; construction, overhaul, repair and installation of waste incineration equipment; installation and repair of electrical, heating and central heating equipment; maintenance services of computer hardware equipment and hardware for process automation systems and computer systems; maintenance and improvement

services being overhaul of power generating equipment for electric power transmission networks; laying of cables; laying of cables beneath ground; drilling of pipelines for gas and geothermal energy; drilling of pipes for gas and geothermal energy; inspection for maintenance and repair of oil burners; battery charging services and charging station services for electric vehicles; Installation, maintenance and repair of battery chargers and electronic surveillance apparatus; battery charging services relating to computers; installation, maintenance and repair of district heating apparatus; construction of nuclear reactors; cleaning of industrial premises, namely cleaning of nuclear power plants

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Scientific, optical, weighing and measuring apparatus and instruments, namely, equipment for power conditioning and power conversion, namely, power line conditioners and electric converters; electrical apparatus and instruments related to customers consumption of energy, namely, remote and automatic energy consumption meters; electrical ducts; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, namely, prerecorded magnetic data carriers featuring data in the field of energy-intensive industries and the energy industry, recording discs, namely, prerecorded video and audio recording discs featuring data in the field of energy-intensive industries and the energy industry; compact discs, and DVDs featuring data in the field of energy-intensive industries and the energy industry; other digital recording media, namely, digital versatile discs featuring data in the field of energy-intensive industries and the energy industry; data processing equipment, computers; downloadable and recorded computer software for management of energy data, process control and production planning; downloadable and recorded computer software for power plant simulation; downloadable and recorded computer software for management of archived data, and for use on revision optimization of power plants and turbines; downloadable and recorded software for modeling combustion in power plant boilers; electricity grid apparatus, namely, electric voltage transformers, electrical relays and transformers, distribution transformers; electricity grid apparatus for smart electricity grid comprised primarily of microprocessor based computer operating system hardware and pre-installed operating software, inverters, converters, transformers, and electronic power connectors; electronic apparatus and instruments relating to consumption, production and measurement of energy, namely, remote and automatic energy consumption meters; apparatus for smart electricity grid relating to consumption, production, measurement of production, adjustment and control, safety, convenience of use and use of energy, namely, electronic devices, namely, energy meters for tracking and monitoring energy usage; constructional measuring, adjusting and supervision equipment, namely, electric switches, electric transformers, and electric meters; apparatus and instruments for electrochemical storage of energy, namely, accumulators, batteries, fuel cells, battery chargers; electric storage batteries; apparatus for control and transformation of power, namely, batteries, electrical controllers and electric transformers; accumulators; electric apparatus and instruments used with batteries in the field of energy consumption, production, measurement of production, regulation and control, safety, convenience of use and use, namely, electricity meters, and battery chargers; solar batteries; turbine vibration measurement systems composed primarily of computer hardware and pre-installed operating software; electronic devices, namely, energy meters for tracking and monitoring energy usage; electricity meters; remotely read electricity meters; electrical systems consisting of voltage regulators, thermostats and electrical resistance filaments; electrical coupling panels; electrical connectors; electrical connectors, namely, multipole connectors; electrical sockets; power switchboards and power centers, namely, power supplies; electrical detectors; wireless remote-control units and remote controllers to remotely monitor and control the function and

status of other electrical, electronic, and mechanical devices or systems, namely, security systems, lighting systems, heating systems, and ventilation systems; timers; alarm monitoring systems; fire alarm devices, namely fire alarm control panels, smoke detectors, heat detectors, alarm pull stations, audible and visible notification appliances, strobes, sirens, bells, horns, and speakers; solar panels for production of electricity; azimuth instruments; electric cables; optical cables; fiber optical cables; electric cable tubes; charging apparatus, namely, charging stations for charging electronic vehicles; battery chargers; charging poles, namely, charging stations for charging electronic vehicles; charging apparatus and charging poles for electric vehicles, namely, charging stations for charging electronic vehicles; battery charging devices; battery charge devices, namely, battery charging monitors; battery charge devices, namely, battery charging indicators; downloadable software for management of energy information and data, process control, production planning, optimization, and data collection; downloadable programs for simulation and modeling of power plant processes; power plant simulators, namely, downloadable and recorded computer programs for simulating power plant energy production processes; downloadable software programs for modeling combustion in power plant boilers; downloadable software for remote monitoring of power plants; downloadable revision optimization software, namely, software used to optimize electrical output at a power plant; downloadable programs for document management and management of archived data; computer terminals; energy consumption display units, namely, electric luminescent display panels; electronic and computer devices for wireless data transmission, namely, electronic communications systems comprised of computer hardware and pre-installed software for the transmission of data between two points; terminals for electronic payments with credit and debit cards; downloadable electronic publications in the nature of electronic books, magazines, handbooks, and manuals in the field of energy-intensive industries as well as the energy industry; electronic bulletin boards, namely electronic notice boards; data processing equipment, computers, computer hardware and recorded computer software for measuring energy usage relating to the use of energy, distribution of energy, energy efficiency and energy technology

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Security services for the protection of property and individuals, namely, monitoring of security alarm systems and security inspection services for others being surveillance services relating to the security of tangible property; safety consultation services in the fields of productions, transmission and distribution of energy; nuclear safety consultation services for nuclear power plants; safety surveys for power plants, namely, inspection of power plants for safety purposes; consultation services in the field of the safety needs of commercial and industrial companies, namely, identification and analysis of safety risks relating to the operation and processes of machines and devices; licensing of intellectual property rights; copyright management services; security control relating to industrial plants, namely, control of building environmental access and security systems; security consultation, namely, consulting services in the field of security threat analysis for protecting public safety and personal property; emergency alert services for emergency situations and situations of threat, namely, monitoring of alert devices by a remote monitoring center for the dispatch of emergency public health and security services and notification to third parties

International Classes 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For Telecommunication services, namely, gateway services, personal communication services, local and long distance transmission of voice, data, visual images and video by means of broadband, copper and optical, power lines or wireless networks; electronic transmission of measured data; providing Internet access, namely, providing Internet connections for supplying information, making orders and concluding contracts and for reclamations; computer-aided electronic data transmission; data network services in the nature of digital network telecommunications services; electronic, electric and digital transmission and distribution of data, signals and messages via data networks; providing Internet access and database access, namely, providing connections and rental of connection time for data networks and computer databases; rental of access time to global computer networks, namely, rental of connection access time for databases; electronic data interchange services; communication services, namely, electronic transmission of data and documents among users of computers; delivery of messages as electronic data transmission; transmission of digital files; electronic bulletin board services; providing Internet access and database access, namely, providing telecommunication connections and links to databases, computer networks and Internet; providing Internet access, namely, providing Internet and extranet connections; Providing telecommunications access and connections to a global data network; transmission of digital files being data for enabling booking, activation and payment of charging station visits for electric vehicles; broadcasting of radio and television programs; broadcasting of programs relating to the energy industry via Internet; Providing telecommunications access to extranet accounts for management of customer data; remote transmission of data by means of telecommunications; providing access to databases; providing Internet access, namely, providing access to the web sites on the Internet; wireless data network services for others, namely, electronic transmission of data related to asset monitoring, locating, recovery and tracking via wireless networks

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Transport of goods; packaging and storage of goods; transmission, delivery and distribution of energy; transmission and distribution of electricity; distribution of energy, namely, transmission and distribution of heat; gas supplying, namely, distribution of natural gas; consultation services relating to transmission and distribution of energy; storage of energy; storage of electricity; public utility services, namely, storage of heat; delivery of reserve power, steam, pressurized air or water; chemical storage of energy, namely, carbon dioxide storage; public utility services, namely, management, use and control of electricity and heat supply networks; land, air and water transport services, namely, freight transportation by means of truck, rail, air, and ocean; distribution of energy, namely, supply of natural gas; distribution of energy, namely, supply of energy; distribution of energy, namely, supply of electricity; heat supply services; supply of district cooling

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Treatment of materials and objects in the field of energy industry, namely, fuel, emission, and waste treatment services; production of energy; production of energy, namely, production of electricity; production of energy, namely, production of heat; production of energy, namely, production of steam; production of energy, namely, production of district heating or district cooling; production of energy, namely, combined production of electricity and heat; production of energy, namely, combined production of heat/steam and electricity; consultation services relating to production of energy; production of energy via combustion, namely, control of combustion for different kinds of combustion and burning technologies and boilers; environmental remediation services, namely, capture of carbon for others and treatment of carbon dioxide; waste treatment, namely, ash treatment; waste treatment; incineration of waste and trash for production of energy; consultation services relating to waste treatment; nuclear waste processing services; decontamination of nuclear waste; waste treatment, namely, treatment of

water, waste water, sewage water and liquids; waste treatment, namely, services for removing components from liquids by selective ion exchange materials; water purification services for nuclear power plants; water treatment services for removing radioactive components from radioactive waters in nuclear power plants; treatment of hazardous waste; rental of water treatment equipment; waste treatment, namely, refining of materials by catalytic pyrolysis process; flue gas purification; consultation relating to the production of energy via remotely controlled power plants; processing of nuclear fuels; nuclear fuel recycling; environmental remediation services, namely, treatment of contaminated soil; high temperature incineration of hazardous waste; carbon dioxide capture for others

International Classes 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

For Industrial oils and greases; lubricants, namely, industrial lubricants; dust absorbing, wetting and binding compositions; fuels; electrical energy; fossil fuels; biofuels; combustible briquettes of peat; waste as fuel; gases for use as fuel; biomass fuels, namely, biogas; biomass fuel, namely, bio oil; industrial oils, namely, pyrolysis oil; wood charcoal for use as fuel; aviation fuels; natural gas; coal; biomass fuels; fuel oils; waste-derived fuels

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Scientific and technological services, namely, analysis, testing, and advisory in the field of energy-intensive industries and the energy industry and research and design relating thereto, namely, research and design of new products in the field of energy-intensive industries and the energy industry; industrial scientific analysis and research services in the field of energy; design and development of computer hardware and software; scientific and industrial research relating to production, transmission and distribution of energy; scientific research, namely, providing analysis of scientific and industrial research data in the field of production, distribution, and use of energy; engineering design services relating to production, transmission and distribution of energy; smart house engineering design services and smart electricity grid design services; engineering design for hydropower and consultation services relating thereto; engineering design services relating to energy solutions in buildings as well as to cooling solutions in computer rooms and industrial processes; thermal performance engineering design and consultation services and expert engineering consultation services relating to thermal performance; technical monitoring services, namely, monitoring technological functions of power plants relating to production, transmission and distribution of energy; energy auditing; technological inspection services in the field of power plants; engineering services; quality control engineering services; technical consultancy in the field of energy measurement to improve energy saving and energy efficiency in the electrical and energy industry; product development; design of power plant boilers; design of burners; design and optimization of a maintenance strategy for power plants in the nature of engineering planning; engineering services in the field of energy efficiency, namely, improvement and optimization services based on measurement and appraisal of energy efficiency in power and industrial plants; engineering services in the field of maintenance efficiency, namely, improvement and optimization services based on measurement and appraisal of maintenance efficiency in power and industrial plants; engineering, namely, measurement of maintenance efficiency in power plants; engineering technical operation services for power plants and industrial production plants; environmental protection consultancy services in the field of technical advice and research in the field of environmental science relating to power plants and the energy industry; technical engineering consultancy provided to companies in the field of energy use and environmental issues; providing engineering information, consultation and advisory services relating to energy efficiency, use and saving of energy as well as to sustainable development; engineering services, namely, development of integrated energy plans; engineering services, namely, lifetime

and life cycle analyses; engineering services, namely, life cycle analyses for machines, devices and plants; technical engineering analyses of life cycle cost effects; engineering services, namely, analysis of technical risks relating to operation and processes of machines and devices; technical engineering analysis of hazards relating to processes; engineering services, namely, technical project management and control; quality control services, namely, remote monitoring and reporting services for buildings, power plants and devices relating thereto; quality control services, namely, remote monitoring and reporting for parameters in energy production; technical support services, namely, debugging software for others and troubleshooting software problems for others via information and data networks; technical engineering research services, namely, prediction of damages; providing on-line non-downloadable computer software for automatic checking and inspection of meters and electricity meters; quality control services, namely, remote quality control for voltage load; engineering services, namely, dimensioning of electrical, heating and central heating devices; rental of computer hardware and computer peripherals relating to monitoring and supervision of energy meters and energy in buildings; chemical analyses; chemical research; chemistry consultation services; analysis of water; chemical analysis, namely, oil analysis; engineering research and design services, namely, fiber-technical research and design services; testing services and technical consultation relating to production, transmission and distribution of energy, namely, technical consultation in the field of production, transmission and distribution of energy, design for others in the field of energy engineering, designing and testing of energy products for others; geological prospecting, geological assessment, geological research, geological surveys; technical engineering services, namely, technical services and consultation relating to emission control; scientific research consulting, namely, provision of scientific data, advice and consultation relating to carbon dioxide offsetting; engineering services, namely, technical project planning and engineering design services relating to telecommunication equipment; technological consultation in the technology field of computer software and computer hardware, namely, design, testing, technical research and advisory services, all relating to data processing, programming of computers and global computer networks; design, maintenance and consultation services relating to computer programs and software; technological consultation in the technology field of computer software and computer hardware, namely, information and data system analysis, design and testing services; installation and implementation of software for data systems; technological consultation in the technology field of computer software and computer hardware, namely, design and testing services for process automation systems and related computer systems used in power plants and electrical substations; engineering services relating to modeling and simulation of power plants and processes; engineering services relating to simulation of combustion processes and emissions in power plants; development of computer programs; repair and updating of computer software and troubleshooting of computer software problems; rental of computer programs for use in management of production, distribution, and use of energy; technical support services, namely, troubleshooting of computer software problems to assist with providing access to computer software, data networks and Internet; rental of computers for data processing; database services, namely, development of database computer programs; computer software design and maintenance, namely, database content design and maintenance services; rental of database computer programs; engineering services, namely, development of infrastructure for charging stations of electric vehicles; design of charging network stations for electric cars; testing of electric cars; computer hardware and software design, namely, design services for a network environment, computer systems and computer programs relating to payment of charging fees for electric cars; services relating to helpdesk operation, namely, technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems to assist with provision of technical information and information exchange in emergency and special situations via telephone, email, Internet or short message (SMS); technical consultation services in the field of production, distribution, and use of energy, and improving energy efficiency and energy saving; technological analysis

and research services in the field of production, distribution, and use of energy, and improving energy efficiency and energy saving; computer software support in the nature of troubleshooting of software problems and maintenance; energy engineering consultation; remote metering of energy, namely, meter reading services; testing of nuclear material; nuclear engineering services; consulting services in the field of energy usage management and energy efficiency; temporary electronic storage of information in a database

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Common metals and their alloys; metal building materials, namely, pillar posts, ceiling boards, floor boards, lattice panels, trellises and cupolas; metal reinforcement materials for building; transportable buildings of metal; non-electric cables and wires of common metal; ironmongery, namely, cast iron for use in building and iron nails and bolts, small items of metal hardware, namely metal nuts and screws, locks; pipes and tubes of metal; metal tanks for storage and disposal of waste; containers of metal for storage and disposal of waste; metal posts

International Classes 6 - Primary Classes **US Classes** 2, 12, 13, 14, 23, 25, 50 **International Class Title** Metal Goods

GOODS AND SERVICES INFORMATION

For Agricultural research services; conducting of agricultural surveys; research relating to agriculture; quality accreditation services, namely, quality control for others; inspection of goods, namely, inspection of soil, grains, plant tissue, oils, agricultural products, animal tissues and fluids, human tissues and fluids, fuels, timber, commodities, biological samples and geological samples for quality control purposes; quality control for others; quality control of goods for others; quality control services for others for certifying product quality; quality evaluation of standing timber; quality evaluation of wool; product quality control testing; product quality testing; setting of quality standards, namely, developing quality control standards for soil, grains, plant tissue, oils, agricultural products, animal tissues and fluids, human tissues and fluids, fuels, timber, commodities, biological samples and geological samples; testing services for the certification of quality and standards, namely, testing, analysis and evaluation of the goods and services of others to determine conformity with certification standards; animal semen quality testing services; benchmarking, namely, product quality testing; biotechnology testing, namely, product quality testing in the field of biotechnology; DNA testing services for scientific research purposes; development of testing methods, namely, development and establishment of testing specifications and procedures for the agriculture, construction, engineering, manufacturing, and technology industries; engineering testing, namely, product quality and safety testing; environmental testing; industrial testing, namely, testing of the goods of others to assure compliance with industry standards; advisory services relating to material testing; material testing; materials quality evaluation and testing; metallurgical testing; microbiological testing of products; oil-well testing; pollution emissions testing; product testing; provision of product quality testing facilities; scientific testing services, namely, grading and quality evaluation services related to soil, grains, plant tissue, oils, agricultural products, animal tissues and fluids, human tissues and fluids, fuels, timber, commodities, biological samples and geological samples; seed testing services; soil testing services; technical diagnostic testing of products services; technical testing of products services; testing of chemicals; testing of materials; testing of consumer products; testing of new products;

testing of products; testing, analysis and evaluation services of the goods and services of others to determine conformity with certification standards; testing, analysis and evaluation services of the goods of others to assure compliance with industry standards; textile testing; grading of produce; classing of wool, namely, grading and quality evaluation of wool; grading of wool; measurement services, namely, measurement evaluations in the field of agriculture, construction, engineering, manufacturing and technology; toxicology services, namely, toxicity analysis; tyre design analysis services; water analysis; calibration; calibration services; compilation of data-processing programs, namely, hosting computer software platforms for others for use in data processing; computerised data storage services, namely, electronic data storage; providing virtual computer systems through cloud computing; internet portal services, namely, designing and hosting internet sites for others; web portal services, namely, designing and hosting web sites for others; hosting of software as a service (SaaS) featuring software for use in database management and for processing, retaining, compiling and providing access to information and data related to measuring, testing, analysis, grading and quality evaluation services of the goods and services of others; software as a service (SaaS) featuring software for use in database management and for processing, retaining, compiling and providing access to information and data related to measuring, testing, analysis, grading and quality evaluation services of the goods and services of others; platform as a service (PaaS) featuring computer software platforms for use in database management and for processing, retaining, compiling and providing access to information and data related to measuring, testing, analysis, grading and quality evaluation services of the goods and services of others; development of software; computer software development; online provision of web-based software, namely, providing temporary use of a web-based software application for use in database management and for processing, retaining, compiling and providing access to information and data related to measuring, testing, analysis, grading and quality evaluation services of the goods and services of others; software creation; exploration services, namely, gas exploration, geological exploration, oil exploration, mineral exploration; development of computer software application solutions; development of computer platforms; data mining services; development of systems for the processing of data; development of systems for the storage of data; hosting of websites featuring databases; technical data analysis services, namely, data automation and collection service using proprietary software to evaluate, analyze and collect service data; electronic data storage, other than physical storage; electronic data storage; analysis of statistical data for scientific research; analysis for oil field exploration; analysis of water; analysis of air; analysis of geological samples; analysis of building materials; analysis of materials in the nature of analysis services related to soil, grains, plant tissue, oils, agricultural products, animal tissues and fluids, human tissues and fluids, fuels, timber, commodities, biological samples and geological samples; metallurgical analysis; chemical analysis; laboratory analysis in the field of biology, chemistry, environmental and engineering; product failure analysis; scientific and technical analysis in the field of biology, chemistry, environmental and engineering; providing information in the form of prepared reports relating to chemical research; research relating to chemicals; services for assessing the efficiency of chemicals, namely, testing of chemicals; chemical technological research; biotechnological research; biotechnology research; providing information in the form of prepared reports relating to scientific research; providing information in the form of prepared reports relating to technical research in the field of biology, chemistry, environmental and engineering; geophysical exploration for the oil, gas and mining industries; genetic research, namely, animal genetics research and plant genetics research; scientific research relating to genetics; laboratory research in the field of biology, chemistry, environmental and engineering; laboratory testing services in the field of biology, chemistry, environmental and engineering; chemical laboratory services; analytical laboratory services in the field of biology, chemistry, environmental and engineering; metallurgical laboratory services; laboratory services for scientific research and analysis in the field of biology, chemistry, environmental and engineering; scientific

laboratory services; veterinary laboratory services; information services relating to quality standards, namely, providing information in the field of quality control of goods and services; conducting technical project scientific feasibility studies in the field of carbon offsetting; scientific consultancy services in the field of carbon offsetting; providing scientific information, advice and consultancy relating to carbon offsetting; technical research in the field of carbon offsetting; topographical surveying, namely, topographical analysis of aerial photographs and surveys; scientific research relating to computers; supervision of scientific research projects, namely, scientific research consultation

Standard Character Claim Yes. The mark consists of standard characters without claim to any particular font style, size, or color. **Mark Drawing Type** 4 - STANDARD CHARACTER MARK **Translation** The wording "CESCO" has no meaning in a foreign language.

RELATED PROPERTIES INFORMATION

International Registration 1752619 **International Registration Date** Jul. 10, 2023

GOODS AND SERVICES INFORMATION

For Liquid soap dispensing bottles sold empty; polishing cloths; dust gloves; dusting cloths; mops; soap dispensing bottles sold empty; dishes for soap; non-electronic apparatus for suppressing vermin, namely, mouse traps and insect traps; dispensers, not of metal, for cleaning preparations; washing brushes; loofahs for household purposes; bath products in the name of loofah sponges; dust bins for household purposes; cleaning rags; cleaning cloth for washing glass; mosquito eradicator in the nature of ultrasonic mosquito repellers; electric apparatus for killing insects; cleaning cloth; glass scrapers for cleaning purposes; hand cream dispensing bottles sold empty

International Classes 21 - Primary Classes **US Classes** 2, 13, 23, 29, 30, 33, 40, 50 **International Class Title** Housewares and Glass

For Label paper; stickers; blank or partially printed paper labels; gift-wrapping paper; stickers; paper tissues for travel; general purpose plastic bags; shopping bags of paper; paper bags; labels of paper or cardboard; carrier bags of paper or plastic; paper labels; gift bags of paper; identification tags of paper; adhesive labels of paper; hangtags of paper; gift boxes made of cardboard; cardboard boxes for packaging; paper boxes for packaging; pouches of paper for packaging

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Non-medical soaps for household use; cleaning preparations for household purposes; cleaning preparations for dishes; wet tissue impregnated with cleaning preparations; non-medicated soap; cleaning and polishing preparations; laundry detergent; cleaning preparations; wipes impregnated with a cleaning preparation; washing powder; washing soda, for cleaning; laundry bleaching preparations; wet paper tissue impregnated with cleaning preparations for hand washing; hand cleansers; tissues impregnated with a skin cleanser; wet paper tissue impregnated with cleaning preparations for use in restaurants; pet

shampoos and conditioners; wet paper tissue impregnated with cleaning preparations for pets; wet paper tissue impregnated with cleaning preparations for sanitary purposes; wet paper tissue impregnated with cleaning preparations for babies; body foam non-medicated soap; wet paper tissue impregnated with cleaning preparations; dish detergents for kitchen purposes; wet fabric tissue impregnated with cleaning preparations; canned pressurized air for cleaning and dusting purposes; wet paper tissue impregnated with cleaning preparations for cleaning; bathroom tile cleaner being cleaning preparations; bleaching preparations for laundry use; hand cleaner; wet tissue impregnated with cleaning preparations for use in bathrooms; tissues impregnated with cosmetic lotions; pre-moistened cosmetic tissues

International Classes 3 - Primary Classes **US Classes** 1, 4, 6, 50, 51, 52 **International Class Title** Cosmetics and Cleaning Preparations

For Chemical coating agents with deodorant properties for furniture; caustic soda; desiccants; antifreeze chemicals; mold inhibiting chemicals for preventing growth of mold; chemical preparations to prevent mildew; anti-creasing agents; chemicals for removing rust of metal surface; anti-fogging chemical preparations; chemical coating agents with deodorant properties for wood; chemical preparations for water-repellent; damp-proofing chemicals, except paints, for masonry; chemical additives to fungicides; chemicals for use in the decontamination of the surface of stone; desiccants for absorbing moisture; chemical preparations for removing moisture; anti-tarnishing chemicals for windows; anti-creasing agents for clothing; moisture absorbing chemical agents

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Maintenance of water purifiers for household use; disinfecting of office buildings for others; disinfection of restaurant, hospital premises; air sterilizer installation and maintenance; air purifier installation and repair; air purifier maintenance; waterproofing of restaurants and hospitals, not basements; damp-proofing of restaurant and hosptial buildings; pest control for residential homes; rat exterminating, other than for agriculture, aquaculture, horticulture and forestry; vermin exterminating, other than for agriculture, aquaculture, horticulture and forestry; repair of non-electric dusting apparatus; sterilizing and maintenance and installation of drain pipe; sterilizing and maintenance and installation of toilet; sterilizing and maintenance and installation of urine washer; sterilizing and maintenance and installation of hand sanitizer; washing of fabric; repair of medical machines and apparatus; construction of warehouses

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Dust masks incorporating air purification; dust masks; anti-pollution masks for respiratory protection; protective eyeglasses; protective eye pieces; filters for protective industrial respiratory mask; face guards for protection against accident or injury; side guards for eyeglasses; workmen's protective face-shields; anti-pollution masks for respiratory protection; respirators for filtering air for protective breathing mask for prevention of accident or injury, not for medical purposes; clothing for protection against chemicals and radiation

Mark Literal(s) TELELINK BUSINESS SERVICES

CASE IDENTIFIERS

Serial Number 79382112 **Application Filing Date** Jul. 05, 2023 **Register** Principal **Mark Type** Service Mark Trademark **Publication Date** Jun. 17, 2025

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of a circular blue design with a three-prong design in the center made up of six curved shapes in white. To the right of the design is the term "TELELINK" above "BUSINESS" above "SERVICES" in black with the first letter in each term being in bold. All on a white background. **Color Drawing** Yes **Color Claimed** The color(s) blue, white and black is/are claimed as a feature of the mark. **Disclaimer** "BUSINESS SERVICES"

RELATED PROPERTIES INFORMATION

International Registration 1758673 **International Registration Date** Jul. 05, 2023

GOODS AND SERVICES INFORMATION

For Academies services, namely, educational classes and programs in the field of corporate and telecom IT infrastructure; educational services, namely, educational classes and programs in the field of corporate and telecom IT infrastructure; corporate and telecom IT infrastructure training services provided via simulators; arranging and conducting of colloquiums in the field of corporate and telecom IT infrastructure; arranging and conducting of congresses in the field of IT infrastructure; arranging and conducting of conferences in the field of IT infrastructure; arranging and conducting of in-person educational forums in the field of IT infrastructure; arranging and conducting of workshops in the field of IT infrastructure; arranging and conducting of seminars in the field of IT infrastructure; practical training IT infrastructure; transfer of business knowledge and know-how, namely, business training; providing information in the field of education; vocational guidance; providing training and educational examination for certification purposes services in the field of IT infrastructure

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Arranging subscriptions to telecommunication services for others; administrative processing of purchase orders; outsourced administrative management for companies for companies, namely, outsource service provider in the field of business administrative management; updating and maintenance of data in computer databases; updating and maintenance of information in registries; business consultancy services for digital transformation; business auditing; business efficiency expert services; business management for freelance service providers; business management; payroll preparation; consumer profiling

for commercial or marketing purposes; preparation of business profitability studies; compilation of statistics; conducting market studies; business investigations; economic forecasting services; web indexing for commercial or advertising purposes; computerized management of medical records and files; advisory services for business management; business management and organization consultancy; business management consultancy; website traffic optimization; outsourcing services; business management assistance; systemization of information into computer databases; compilation of information into computer databases; transcription of audio communications; Office functions in the nature of searching for data in computer files for others; business project management services; computerized file management; data processing services

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For 3D scanners; DVD players; blank USB flash drives; accelerometers; actinometers; accumulators, electric; acoustic alarms; antennas; air analysis apparatus; intercommunication apparatus, namely, telephones, IP phones, radio communication terminals, Tetra terminals; Global Positioning Systems apparatus; distance recording apparatus; apparatus for recording distance; pressure measuring apparatus; distance measuring apparatus; satellite navigational system, namely, a global positioning system; ; audio- and video- receivers; audio interfaces; audio mixers; audiovisual teaching apparatus, namely, teleconferencing equipment; high tension batteries; batteries, electric; wireless speaker microphones; video screens; camcorders; video projectors; video telephones; viewfinders, photographic; internal cooling fans for computers; gasometers; galvanic batteries; galvanic cells; galvanometers; surveying apparatus and instruments; surveying measurement instruments; encoded identification bracelets, magnetic; detectors, air-quality, water level, waste management; smoke detectors; joysticks for use with computers, other than for video games; climate control digital thermostats; blank disks, magnetic; disk drives for computers; head-mounted video displays; electric apparatus for commutation, namely, IP/Ethernet switches; electronic tags for goods; electronic interactive whiteboards; Downloadable computer software for use as an electronic wallet; electronic publications, downloadable in the nature of technical specifications, white papers, case studies, podcasts, scientific articles in the field of IT, IT infrastructure, Cloud services, SAAS/PAAS, Information Security, Data and AI; sound locating instruments, namely, microphones, sound pressure level meters, sound wave detectors; security token hardware; wires, electric, ignition batteries; battery chargers; chargers for electric accumulators; saccharometers; protective films adapted for computer screens; sound alarms; sound reproduction apparatus; sound recording apparatus; blank sound recording discs; blank sound recording strips; blank sound recording carriers; sound transmitting apparatus; Warning bells; luminous safety signs; signs, luminous; electric buzzers; identification threads for electric wires; identification sheaths for electric wires; data processing apparatus; inverters; water level indicators; interactive touchscreen terminals; interfaces for computers; infrared detectors; starter cables for motors; cables, electric; electrical ducts; rearview cameras for vehicles; blank smart cards; padlocks, electronic; quantum computers; mobile telephones; cell phones; cellular phones; coaxial cables; encoded key cards; compact disc players; blank compact discs; computers; computer screen saver software, recorded and downloadable; recorded computer software for data base management, data processing and bid data analysis, business intelligence, data visualization, security command and control centers, IT infrastructure and application monitoring, information security, business process management, low-code/no-code platforms, general IT infrastructure; computer hardware; notebook computers; computer keyboards; computer peripheral devices; recorded computer programs for data base management, data processing and bid data analysis, business intelligence, data visualization, security command and control centers, IT infrastructure and application monitoring, information security, business process management, low-code/no-code platforms, general IT infrastructure; downloadable

computer programs for data base management, data processing and bid data analysis, business intelligence, data visualization, security command and control centers, IT infrastructure and application monitoring, information security, business process management, low-code/no-code platforms, general IT infrastructure; recorded and downloadable computer software platforms for data base management, data processing and bid data analysis, business intelligence, data visualization, security command and control centers, IT infrastructure and application monitoring, information security, business process management, low-code/no-code platforms, general IT infrastructure and computing platforms; computer software applications for data base management, data processing and bid data analysis, business intelligence, data visualization, security command and control centers, IT infrastructure and application monitoring, information security, business process management, low-code/no-code platforms, general IT infrastructure, downloadable; downloadable software for generating cryptographic keys for receiving and spending crypto assets; laptop computers; measuring rulers; rulers being measuring instruments; identity cards, magnetic; slide-rules; echo sounding devices; magnets; magnetic encoders; blank magnetic computer tapes; magnetic tape units for computers; magnetic data media, digital media; microprocessors; microphones; computer mouse; trackballs; modems; computer monitors; computer display monitors; Downloadable and recordable data sets in the field of business intelligence and information security; navigation apparatus for vehicles; optical fibers; blank optical discs; fibre optic cables; optical condensers; optical data media digital; wearable computers in the nature of smartwatches; wearable computers in the nature of smart glasses; portable media players; walkie-talkies; personal stereos; wearable activity trackers; electrical cell switches; switches, electric; switchboxes; switchboards; transmitters of electronic signals; transmitting sets comprised of radio transmitters, receivers; electrical circuit closers; circuit breakers; portable power chargers; projection screens; telecommunications transmitters; radios; vehicle radios; radiotelephony sets; electrical branch boxes; demagnetizers for magnetic tapes; electricity distribution consoles; electrical distribution boxes; electrical distribution boards; voltage surge protectors; voltage regulators for vehicles; light dimmers, electric; light regulators, electric; Magnetically encoded identification bracelets; foldable smartphones; sextants; parking sensors for vehicles; data gloves; scanners for data processing; speed indicators; headphones; headsets; earpieces for remote communication; solar batteries; solar panels for the production of electricity; smart audio speakers; smartglasses; smart rings; smartwatches; smartphones; abacuses; adding machines; calculating machines; salinometers; sonars; probes for scientific purposes; computer game software, recorded; spectroscopes; electric control panels; tablet computers; tachometers; telephone receivers; telephone apparatus; telephone transmitters; telephone wires; answering machines; temperature indicators; electrical terminal boxes; thermal imaging cameras; computer memory devices; facsimile machines; fluorescent screens; photocopiers; phototelegraphy apparatus; humanoid robots with artificial intelligence for use in scientific research; central processing units; processors, microprocessors, computer/server CPU and GPU; digital weather station instruments; time clocks; electronic book readers; readers, namely optical readers, chip card readers; bar code readers; petri dishes; virtual reality headsets

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Online social networking services; consultations in the field of workplace safety

International Classes 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For Telecommunications routing and junction services; providing telecommunications connections to a global computer network; transmission of electronic mail; electronic bulletin board services; video-on-demand transmission; electronic message sending; communications by cellular phones; communications by computer terminals; communications by fibre optic networks; providing access to databases; providing online forums; rental of access time to global computer networks; transmission of podcasts; computer aided transmission of messages and images; transmission of digital files; providing user access to a global computer network; providing information in the field of telecommunication; streaming of data; teleconferencing services

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Scientific and technological services, namely, scientific research and design services in the field of IT infrastructure; quality control and authentication services for others in the field of IT infrastructure; design and development of computer software and hardware; computer system analysis; recovery of computer data; off-site data backup; digital forensic investigations in the field of computer crimes; monitoring of computer system operation by remote access; electronic data storage; installation of computer software; quality control for others; Scientific research in the field of quantum computing; consulting services relating to computer software; computer programming; conversion of data or documents from physical to electronic media; conversion of computer programs and data, other than physical conversion; on-site management of information technology (IT) systems of others comprised of computer networks, computer systems, servers/data center, information security; information technology [IT] consulting services; technological consulting services for digital transformation; consulting services in the field of quantum computing; consulting services in the field of cloud computing networks and applications; technical consulting in the field of pollution detection; consulting services in the field of computer technologies; scientific consultancy in the field of energy-saving; consultancy in the design and development of computer hardware; website design consultancy; control technology consulting services; software consulting services; consultancy in the field of scientific research; internet security consultancy; computer security consultancy; data security consultancy; artificial intelligence consultancy; telecommunication network security consultancy; monitoring of computer systems for detecting unauthorized access or data breach; monitoring of computer systems to detect breakdowns; updating of computer software; computer rental; rental of computer software for database management, network management, general IT infrastructure, end point management, information security; rental of data centre facilities; rental of web servers; writing of computer code; platform as a service [PaaS] featuring computer software platforms for data base management, application infrastructure, information security; maintenance of computer software; providing virtual computer systems through cloud computing; providing geographic information; providing information relating to computer technology and programming via a website; providing scientific information, advice and consultancy relating to carbon offsetting; providing scientific information, advice and consultancy relating to net zero emissions; providing online geographic maps, not downloadable; hosting computer websites; duplication of computer programs; calibration; computer software design; computer system design; design of computer-simulated models; custom design of prototypes; research and development of new products for others; conducting technical project studies in the field of IT infrastructure and telecommunications; research in the field of telecommunications technology; research in the field of artificial intelligence technology; development of computer platforms; software development in the framework of software publishing; software as a service [SaaS] consultancy; creating and maintaining websites for others; creating and designing website-based indexes of information for others; server hosting; technical writing; telecommunications technology consultancy; computer virus protection services; cartographic or thermographic measurement

services by drone; data encryption services; computer programming services for data processing; software engineering services for data processing; user authentication services using technology for e-commerce transactions; user authentication services using blockchain technology; user authentication services using single sign-on technology for online software applications; Scanning of documents for digitization; industry analysis of and scientific research in the field of IT communications and infrastructure

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

GOODS AND SERVICES INFORMATION

For Medical and veterinary diagnostic preparations; diagnostic reagents for medical or veterinary purposes; reagents to enable the analysis of fluids for medical and veterinary purposes; clinical diagnostic reagents for medical and veterinary purposes; reagents to enable bioanalysis for medical and veterinary purposes.

International Classes 5 - Primary Classes **US Classes** 5, 6, 18, 44, 46, 51, 52 **International Class Title** Pharmaceuticals

For Diagnostic, examination and monitoring equipment for medical and veterinary purposes for biomarker detection; medical imaging apparatus; bio-imaging apparatus for medical and veterinary purposes; apparatus and instruments for single molecule bioanalytics for medical and veterinary purposes; structural parts and fittings for all the aforesaid goods.

International Classes 10 - Primary Classes **US Classes** 26, 39, 44 **International Class Title** Medical Apparatus

For Chemical reagents other than for medical or veterinary use; chemical reagents for scientific purposes; laboratory reagents for scientific use; reagents to enable bioanalysis not for medical or veterinary purposes.

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Scientific, optical, weighing, measuring, apparatus and instruments, namely, optical scanners, microscopes and imaging interferometers; apparatus and instruments for bioanalysis, namely, microscopes and interferometers; apparatus and instruments for detecting, imaging and quantifying matter, namely, microscopes and interferometers; measuring, detecting and monitoring instruments, namely, microscopes and interferometers; power controllers for microscopes and interferometers; microscopes; electron microscopes; laboratory apparatus for measuring molecular mass; scientific research and laboratory apparatus, namely, microscopes and interferometers; educational apparatus and simulators, namely, microscopes and interferometers; scientific and laboratory apparatus for use with molecular fluorescence, namely, fluorescence microscopes and spectrometers; data processing equipment associated with the aforesaid apparatus and instruments; structural parts and fittings

for all the aforesaid goods; downloadable computer software for use in bioanalysis

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Scientific research and technological services, namely, scientific investigations for medical and veterinary purposes, and design of microscopes and interferometers; scientific research relating to the analysis of therapeutic formulations, liquid biopsies and bodily fluid samples, namely, blood, urine, cerebrospinal fluid; biological and veterinary laboratory research services; medical and pharmacological research services; analysis and measurement of substances for scientific research purposes; analysis and measurement of molecules and characteristics for scientific research purposes; scientific research in the field of bioanalysis; scientific imaging services; testing, authentication and quality control of therapeutic formulations, liquid biopsies and bodily fluid samples, namely, blood, urine, cerebrospinal fluid for scientific research purposes; consultancy in relation to all the aforesaid services

For Arranging of performance events, namely, entertainment services in the nature of live dance and music performances; Educational services, namely, conducting classes, and seminars in the field of eco-friendly interior design, and lifestyle; organizing and conducting of nature experience events for educational purposes; Provision of recreating facilities and services, namely, providing recreation facilities with eco-friendly interior; Instruction in the field of cultural experience education; Arranging and conducting or seminars, conferences and exhibitions for cultural or educational purposes in the field of eco-friendly interior design, and lifestyle; organization of shows for cultural purposes; arranging and conducting of cultural experience events; Provision of recreation facilities for forest healing experience center; Operation of woodland walks, namely, arranging and conducting guided hiking tours; Provision of recreation facilities for woods bathing experience center; book publishing; Instruction in the field of cultural experiences through travel; Operation of yoga and meditation training center in the nature of providing training facilities; Provision of training facilities for yoga; amusement park and theme park services; Provision of recreation facilities for nature learning center; Providing recreation facilities, namely, operation of natural recreation forest; conducting of exhibitions for cultural or educational purposes; Provision of recreation facilities for conducting field studies

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Downloadable computer software for operating and monitoring household electrical appliances and machines; calculating machines; Downloadable computer software for operating and monitoring air cleansers; Downloadable computer software for mobile phones for operating and monitoring air cleansers; remote controls for air-conditioning apparatus; Electronic publications, downloadable in the nature of directories, magazines and newsletters featuring information about home appliance; Downloadable computer software for conducting air quality analysis; Downloadable computer application software for smartphone for conducting air quality analysis; downloadable display management software; power strips with moveable sockets; Recorded computer programs for operating monitors; wireless battery chargers; wireless headphones; wireless earphones; downloadable computer software for wireless content delivery; dust protective masks; Monitoring apparatus, other than for medical purposes, namely, electric monitors and monitor modules for monitoring electric current and electrical signals; Protective covers and sleeves for smartwatches; Cases adapted for holding smartwatches; smartwatches; smartphone mounts; cases for smartphones; flip covers for smart phones; hand straps for smart phones; holder for smart phones; Speakers, namely, audio speakers, wireless speakers, wearable speakers and smart speakers; audio apparatus, namely, equalizers; mobile telephones; disposable cameras; downloadable computer software for automatic conversion of screen; scales; electrical adapters; wearable activity trackers; battery charging cables; battery charge devices; Protective covers and sleeves for headphones; portable power chargers

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Transporting furniture; delivery of domestic appliances; escorting of travellers; travel guide services; Booking of sightseeing travel tours, namely, booking of travel tickets and seats; flower delivery; storage of goods; Logistics services, namely, storage and transportation of goods in the nature of supply chain logistics and reverse logistics services, namely, storage, transportation and delivery of goods for others by air, rail, ship or truck; delivery services of goods; Wrapping of goods, namely, gift wrapping; organisation of travel; travel consultancy and information services; Travel agency services, namely, reservation and booking of transportation for travel tour; provision of travel information; Removal services in the nature of moving company services and moving and storage for household goods, office equipment and commercial furniture; provision of information on experiential travel; organization of experiential travel; travel information service for work-study; Organization of tour for work-study, namely, organizing travel for others; Arranging of holiday travel, namely, travel arrangement

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Grease for leather; dust removing preparations, namely, dust absorbing compositions; dust absorbing compositions; dust-binding compositions; beeswax for use in manufacture; candles containing insect repellent; perfumed candles; soy candles; tallow candles; wax for snowboards; wax for skateboards; wax for skis; grease for footwear; aromatherapy fragrance candles; candles for night lights; tapers; wicks for candles; candles for lighting; scented candles

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Rental of furniture; restaurants featuring home delivery; snack-bar services; providing banquet and social function facilities for special occasions; rental of rooms for social functions; resort lodging services; Rental of meeting rooms for holding functions, conferences, conventions, exhibitions, seminars and meetings; Franchised restaurant services being restaurants; pet boarding services; providing campground facilities; food and drink catering; mobile restaurant services; providing temporary accommodation; bakery cafes; pubs; cafe services; take-out restaurant services; rental of tableware, silverware, and dishes for special events; street stalls services, namely, bar services featuring alcoholic beverages and dishes; hotel accommodation services

International Classes 43 - Primary Classes **US Classes** 100, 101 **International Class Title** Hotel and restaurant services

Mark Literal(s) TRANSATLANTIKA

CASE IDENTIFIERS

Serial Number 79390734 **Application Filing Date** Dec. 06, 2023 **Register** Principal **Mark Type** Service Mark Trademark **Publication Date** Jun. 17, 2025

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the stylized wording "TRANSATLANTIKA" in blue and a design of a circle in blue with a sunrise on top and a globe at the bottom. The color white represents background and transparent areas and is not a park of the mark. **Color Claimed** The color blue is claimed as a feature of the mark.

RELATED PROPERTIES INFORMATION

International Registration 1778727 **International Registration Date** Dec. 06, 2023

GOODS AND SERVICES INFORMATION

For Printed books and magazines in the field of politics, economics, history and culture; printed newspapers; printed matter, namely, calendars, notebooks and diaries; book covers; printed periodicals in the field of politics, economics, history and culture; bookmarkers; bookbindings, namely, bookbinding cloth, bookbinding cords and bookbinding covers; printed matter, namely, note cards; and stationery and educational supplies, namely, pens and pencils; bags and articles for packaging, wrapping and storage, of paper, cardboard and plastics, namely paper bags, cardboard boxes, plastic bags for packaging, paper for wrapping and packaging, and plastic bubble film for wrapping; paper and cardboard

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Provision of publishing information relating to books; publishing services for books and magazines; publication of books; electronic online publication of periodicals and books; publishing of books and magazines; online publication of electronic books and journals; publication of printed matter; arranging and conducting of lectures in the field of politics, economics, history and culture; arranging of lectures in the field of politics, economics, history and culture conducting of educational courses, seminars and workshops in the field of politics, economics, history and culture; arranging, conducting and organisation of concerts; conducting of cultural events; provision of online entertainment, namely, providing online electronic games; publishing, reporting, and writing of texts, namely, publication of texts other than publicity texts, news syndication reporting, and writing of articles for periodicals other than for advertising or publicity; organization of social entertainment events; providing online publications in the nature of articles, blogs, web articles and e-mail newsletters in the field of politics,

economics, history and culture; organization of cultural shows

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Consultancy regarding public relations communication strategies; public relations services; product merchandising for others; event marketing; online advertising; online community management services being outsource service provider in the field of customer relationship management; product demonstrations and product display services, namely, business merchandising display services; political public opinion polling; market opinion polling studies; public opinion polling; market analysis and research; business analysis and information services, and market research; compilation of statistical data for use in scientific research; compilation of political statistics; advertising, marketing and promotional services; business consultancy and advisory services

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Organization of political meetings; organization of political meetings; legal research and analysis in the field of political lobbying services; providing advice regarding political lobbying services; providing consultancy regarding political lobbying services

International Classes 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For Tee-shirts; printed t-shirts; sweat shirts; footwear; headwear; clothing, namely, shirts, shorts, pants, dresses, socks and underwear; hooded sweatshirts

International Classes 25 - Primary Classes **US Classes** 22, 39 **International Class Title** Clothing

RELATED PROPERTIES INFORMATION

International Registration 1781454 **International Registration Date** Nov. 03, 2023

GOODS AND SERVICES INFORMATION

For Materials, not of metal, for building and construction, namely, wood planks, ceramic tiles, concrete blocks, gypsum boards, and composite panels; rigid pipes, not of metal, for building; asphalt; pitch; tar; bitumen; buildings, transportable, not of metal; monuments, not of metal

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Household or kitchen utensils and containers, namely, mixing bowls, glass storage jars, non-electric cooking pots, and household containers for food; non-electric cookware and tableware, except forks, knives and spoons, namely, serving platters, casserole dishes, and non-electric frying pans; combs and sponges, namely, hair combs and cleaning sponges for kitchen use; brushes, namely, dishwashing brushes and pastry brushes; material for brush-making; cleaning articles, namely, scrub sponges, dusters, and squeegees for household purposes; glass, unworked or semi-worked, except building glass; glassware, porcelain and earthenware, namely, drinking glasses, teapots, plates, and vases

International Classes 21 - Primary Classes **US Classes** 2, 13, 23, 29, 30, 33, 40, 50 **International Class Title** Housewares and Glass

For Carpets; door mats; mats, namely, floor mats for indoor and outdoor use; linoleum; floor coverings, namely, vinyl floor tiles and rugs; wall hangings, not of textile

International Classes 27 - Primary Classes **US Classes** 19, 20, 37, 42, 50 **International Class Title** Floor Coverings

For Textiles and substitutes therefor, namely, cotton fabrics, synthetic fabrics, and non-woven fabrics; textile goods and substitutes for textile goods, namely, bedspreads, pillow covers, and fleece blankets; linens; curtains of textile or plastic

International Classes 24 - Primary Classes **US Classes** 42, 50 **International Class Title** Fabrics

For Paper and cardboard; printed matter, namely, brochures, manuals, posters, and catalogs in the field of home furnishing, smart home technology, lighting solutions, and energy efficiency; bookbinding material, namely, binding tape, binding screws, and cloth covers; printed photographs; stationery and office requisites, namely, pens, pencils, paper notebooks, staplers, and paperclips; adhesives for stationery or household purposes; drawing materials and materials for artists, namely, sketch pads, charcoal pencils, and colored pencils; paintbrushes; teaching materials, namely, printed flashcards, printed workbooks, and printed educational charts in the field of smart home technology, lighting systems, and energy-efficient solutions; plastic sheets, films and bags for wrapping and packaging; printers' type and printing blocks

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Furniture; mirrors; furniture, namely, chairs, sofas, tables, desks, cabinets, and shelving units; picture and mirror frames; furniture for offices, residential and commercial premises, namely, office desks, conference tables, filing cabinets, sofas, and display shelves

International Classes 20 - Primary Classes **US Classes** 2, 13, 22, 25, 32, 50 **International Class Title** Furniture and Articles Not Otherwise Classified

For Apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating and water supply and sanitary purposes, namely, LED lamps, smart light bulbs, ceiling lights, wall lights, infrared heating panels, air conditioners, electric steam generators, electric stoves, clothes dryers, ventilating exhaust fans, water heaters, faucets, and shower systems comprised of thermostatic valves, digital temperature controls, handheld and fixed showerheads; lighting apparatus, namely, LED light fixtures, chandeliers, outdoor lighting systems comprised of LED floodlights, and smart lighting devices with adjustable brightness and color temperature, namely, smart LED panels, tunable white light bulbs, and dimmable LED downlights; lamps; ceiling lights; sockets for electric lights; electric lamps; lamp globes; lamp chimneys; lamp shades; floor lamps; street lamps; LED safety lamps; LED luminaires; recessed lights for indoor and outdoor use; lamps for road and street lighting; Hand-held lights, namely, flashlights, portable LED work lights, and rechargeable LED handheld lights for general and task-specific use; built-in floor lights; strings of lights for festive decoration; emergency lights for lighting purposes; lamps with in-built ballast; capped fluorescent lamps; led modules; accessories for fluorescent tube installations, namely, tube holders in the nature of mounting brackets, and end caps for securing and protecting fluorescent tubes; discharge lamps; lighting devices, namely, LED strip lights, floodlights, and spotlights; incandescent lamps; led lamps with and without in-built ballast; fluorescent induction lamps; halogen lamps; lamp holders; infrared and ultraviolet lamps, not for medical purposes; ventilating exhaust fans; dehumidifiers and air purifiers for household purposes; ventilation equipment, namely, exhaust fans, air circulators, and ducted ventilation systems comprised of air ducts, fans, and air filters, heat recovery ventilators, energy recovery ventilators, electric fans and hot air blowers; parts of electric fans, air impellers for ventilation, air exchangers for cleaning and purifying air, air purifiers, air filtration equipment, air filters, HEPA filters and media filters, namely, fan blades, filter cartridges for air purification systems, and filter housings for HVAC applications; heat pumps; storage water heaters, heat exchangers not being parts of machines, water heaters, under floor heating installations comprised of heating mats, thermostats, and thermal insulation layers; burners, namely, gas burners for heating and cooking applications;

heating boilers, heating elements; solar energy powered heating installations comprised of solar heat collection panels, inverters for converting solar energy into usable heating power, heat exchangers not being parts of machines, and circulation pumps for distributing heated water in residential and commercial heating systems; solar thermal collectors; thermal storage instruments for heating, namely, thermal hot water tanks and phase-change material storage units for heat retention in residential and industrial heating systems

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 24, 31, 34 **International Class Title** Environmental Control Apparatus

For Advertising services; arranging commercial transactions, for others within the framework of ecommerce namely, enabling customers to conveniently view and purchase goods by means of on-line retail stores; provision of an online marketplace for buyers and sellers of goods and services; web site traffic optimization; search engine optimization for sales promotion; pay per click advertising; Providing television home shopping services in the field of general consumer merchandise; price comparison services; systemization of information into computer databases; business administration of consumer loyalty programs; compilation of information into computer databases; business assistance, namely, providing business consulting services in the field of smart home technology, energy efficiency, and automated lighting solutions and operational support services in the nature of business technical and logistical assistance for the installation, integration, and maintenance of lighting systems and smart home devices, in particular for lighting systems, smart home integration and management, management and administration services namely, business management of smart home ecosystems and business consultancy services in energy efficiency strategies for residential and commercial buildings; retail store, wholesale store and online retail store services featuring apparatus and installations for lighting, heating, cooling, steam generating, cooking, drying, ventilating and water supply and sanitary purposes, lamps, lighting devices, accessories thereof, apparatus for lighting, lamps, ceiling lights, and thermostats, fans, dehumidifiers and air cleaners for household purposes, air diffusers, heat recovery ventilators, energy recovery ventilators, ventilators, blowing machines, parts of fan, impellers, air exchangers, air cleaners, air filtration equipment, air filters, hepa filters and media filters, heat pumps, hot water reservoirs, heat exchange units, water heaters, heated floors, burners, heating boilers, heating elements, solar energy powered heating installations, solar thermal collectors, thermal storage instruments for heating, scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity, regulating apparatus, apparatus for control, checking devices, steering apparatus, navigation devices, control units for the regulation of web-enabled and connected lighting systems, household and building technology apparatus and thermostats, remote control systems, air conditioning and heating control and regulation systems, apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data, recorded media and downloadable media, computer software, blank digital or analogue recording and storage media, computers and computer peripherals, smart-home hubs for the connection of multiple smart-home devices to a network, smoke detectors, electrically operated apparatus for household, bathroom and kitchen use, fire-extinguishing devices and apparatus, apparatus and instruments for use as heat sensors, intruder detecting alarms, distributors, plugs, interconnection boxes, commutators, sockets, plugs and other contacts, batteries, batteries, electric cables and wires, lighting control installations, supply regulators for incandescent lamps, electric light illumination devices, led's, laser diodes, conductor rail systems for lights, photovoltaic installations and solar modules, installations for energy production, conversion and storage, accumulators for photovoltaic power, electricity storage apparatus,

apparatus and instruments for regulating electricity relating to photovoltaic installations and solar modules, inverters, household electric machines, electrical and electronic apparatus and instruments, for household purposes, dust absorbing, wetting and binding compositions, fuels and illuminants, candles and wicks for lighting, industrial oil and greases, lubricants, common metals and their alloys, ores, metal materials for building and construction, transportable constructions of metal, non-electric cables and wires of common metal, articles of metal hardware, metal containers for storage or transport, transportable buildings and structures of metal, safes, building materials and building elements of metal for fastening photovoltaic installations and solar modules, hand tools and instruments, flatware, kitchen knives and cutting implements for kitchen use, shaving equipment, hand-operated devices and tools for treatment of materials, and building construction, repair and maintenance work, paper, cardboard, table covers, printed matter, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, paint brushes, typewriters and office requisites, instructional and teaching material, plastic materials for packaging, materials, nonmetal tubes, for building, pipes, non-metal tubes, for building, asphalt, pitch, tar, bitumen, transportable buildings, non-metal tubes, furniture, mirrors, picture frames, furnishings for offices, residences and commercial premises, household or kitchen utensils and containers, cookware and tableware, combs and sponges, brushes and paint brushes, brush-making materials, articles for cleaning purposes, unworked or semi-worked glass, window glass for building, glassware, articles of porcelain and earthware, textiles and substitutes therefor, textile products and substitutes for textile goods, household linen, curtains of textile or plastic, mats, foot mats, mats, linoleum, floor coverings, wall hangings, not of textile; advertising and sales promotion for others in the fields of computer software, software and apparatus in the field of smart homes, smart homes, namely, home automation systems, control hubs, and connected sensors

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Construction, namely, residential and commercial building construction; installation of lighting installations, heating systems, ventilation units, air conditioning installations, energy generating installations, energy storage installations; installation of power installations, namely, solar panels, electrical wiring, and battery storage systems and electric equipment, namely, circuit breakers and smart home devices; repair of lighting installations, heating systems, ventilation units, air conditioning installations, energy generating installations, energy storage installations; repair of power installations, namely, solar power systems and electrical grids and electric equipment, namely, lighting systems and home automation devices; maintenance, installation and repair of household energy supply installations, namely, for electricity, gas, heat and water installations; installation and maintenance of smart programmable automated apparatus and installations for the measurement and control of household energy, in particular electricity, gas, heat and water installations; installation and maintenance services of energy generating installations, energy distribution installations, fuel cells, wind based power plants and photovoltaic installations; mining extraction; oil drilling; gas drilling

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments, namely, light meters, luminance meters, smart lighting controllers, smart home sensors for sensing temperature, humidity, and air quality, motion detectors, smoke detectors, carbon monoxide detectors, smart thermostats, energy meters for monitoring electricity consumption in residential and commercial buildings, electrical testers for voltage and continuity testing, home automation hubs using artificial

intelligence (AI) comprised of voice-activated speakers, computer hardware, and recorded software for controlling networked devices in the internet of things (IoT), operating internet-enabled and connected lighting apparatus and home security alarms, smart switches for lighting and electrical appliances, smart plugs for remote control of electrical devices, smart lighting bulbs, occupancy sensors for detecting presence in residential and commercial spaces, temperature sensors, and smart cameras for security and monitoring purposes; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; regulating apparatus, control devices, checking apparatus, steering apparatus and apparatus for navigation, namely, HVAC controller, smart thermostat controllers for regulating heating, ventilation, and air conditioning in residential and commercial buildings, smart home hubs using artificial intelligence (AI) comprised of voice-activated speakers, computer hardware, and recorded software for controlling networked devices in the internet of things (IoT), operating internet-enabled and connected lighting apparatus and home security alarms, smart home control panels for managing security, lighting, and climate control systems, motion sensors, remote-controlled smart switches for lighting and electronic appliances, indoor navigation systems comprised of sensors, cameras, and software, downloadable and recorded, for guiding robots, gps-enabled pet trackers using global positioning systems, key locators in the form of wireless tracking tags integrated into home security and automation systems integrated into home systems; control units for the regulation of web enabled and connected lighting systems, household and building technology apparatus and thermostats, namely, smart light dimmers, lighting controllers, IoT enabled lighting hubs for centralized control of smart home lighting, Scene controllers for lighting configurations in residential and commercial spaces, RGB controllers for LED strips, thermostat control boards, temperature sensors, humidity sensors, smart thermostat modules for managing climate control in smart buildings, programmable thermostat displays, power relays for controlling appliances, energy monitoring modules for tracking and optimizing power consumption in residential and industrial applications, smart circuit breakers, IoT-enabled HVAC controllers, occupancy and motion sensors, wireless communication modules for data transmission between smart home devices, IoT gateway routers, cloud connectivity units comprised of microprocessors and wireless transceivers for remote control of home automation systems, computer network bridges for device integration, touchscreen control panels for managing security and automation settings, voice assistant modules for voice-activated control of home devices, smartphone app interfaces, control keypads or switches, programmable logic controllers (PLCs), timers for automated operation, artificial intelligence modules for adaptive control of home automation, energy management, and home climate regulation; remote control systems, namely, radio-frequency (RF) and infrared (IR) transmitters for home automation and industrial equipment, wireless and wired receivers for processing remote control signals in smart home and industrial applications, motorized actuators for adjusting lighting, HVAC settings, and automated window treatments, motion and environmental sensors for detecting occupancy, temperature, and humidity, control modules for home automation hubs and industrial process control, and communication interfaces, which work together to enable the wireless operation and monitoring of smart home devices and smart home machinery; thermostats for heating systems; thermostats for air conditioning systems; air-conditioning and heating control and regulation systems, namely, thermostats, temperature sensors, electric control panels, electric actuators, dampers for air ventilation and flow regulation, electronically controlled valves for heating and cooling distribution, electromagnetic relays for controlling HVAC system components, and communication modules for managing indoor climate conditions and optimizing HVAC system performance; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable media, namely, audio, video, and digital files featuring content related to lighting, home automation, smart home technology, and energy efficiency; software, downloadable and recorded, for controlling, automating, and managing lighting systems, smart home devices, and energy usage, including integration with IoT

devices; mobile application software, downloadable and recorded, for controlling, monitoring, and automating lighting systems, smart home devices, and home energy management, with features for remote access, scheduling, and customization of home environments; blank digital and analogue recording and storage media, namely USB flash drives, solid-state drives (SSDs), and memory cards for use in smart home and lighting applications; computers and computer peripherals; smart-home hubs using artificial intelligence comprised of voice-activated speakers, computer hardware, and recorded software for the connection of multiple smart-home devices to a network; software, downloadable and recorded, for the control, measurement, monitoring and analysis of the consumption of household energy, in particular the consumption of electricity, gas, water and heat; smoke alarms, fire-extinguishing devices and apparatus, namely, smoke detectors, carbon monoxide detectors, fire alarm systems comprised of smoke detectors, heat sensors, alarm control panels, audible and visual alarms, notification modules, and wireless communication units for remote monitoring and alerting, fire extinguishers, and fire suppression systems apparatus and instruments, namely, heat sensors for detecting temperature changes and fire hazards; intruder detecting alarms; splitters, namely, electrical signal splitters for distributing power or data signals; electrical plugs; interconnection boxes for wiring, connecting, and housing electrical components in smart home and security systems; commutators; electric sockets, plugs and electric contacts; electrical storage batteries; electric cables and wires; lighting control installations comprised of light dimmers, switches, sensors, and controllers for regulating the brightness and operation of lighting systems; voltage power regulators for incandescent lamps; starters for electric lights; light diodes; laser diodes; electric conductors being conductor rail systems for lights comprised of electric conductor rails, electric connectors, and electrical terminals for distributing power to lighting fixtures; photovoltaic installations and solar modules comprised of solar panels, inverters, mounting frames, and electrical connectors; installations for energy production, conversion and storage comprised of solar panels, inverters, battery storage systems comprised of batteries, charge controllers and inverters, charge controllers, and electrical wiring for converting and storing renewable energy; accumulators for photovoltaic power; batteries; power storage devices, namely, rechargeable batteries, battery packs, and energy storage systems comprised of batteries, charge controllers and inverters for storing electricity generated by photovoltaic installations; apparatus and instruments for controlling electricity for use with photovoltaic installations and solar modules, namely, inverters, charge controllers, power optimizers for improving energy efficiency in solar panel systems, and energy management systems comprised of smart meters, battery storage controllers, and software, downloadable and recorded, for optimizing solar energy distribution and consumption, inverters

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Telecommunication services, namely, providing internet access, wireless communication services for smart home devices and lighting systems, and transmission of data for remote monitoring and control of smart home systems and lighting; providing internet chatrooms; providing online forums; streaming of data; transmission of digital files; transmission of electronic mail

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Transport, namely, transport brokerage, freight forwarding, and delivery services; packaging and storage of goods; arranging of transportation for travel tours; transportation logistics, namely, coordinating and optimizing the movement of goods for commercial and residential purposes, including shipments and deliveries for smart home devices, lighting systems, and components

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Industrial oils, greases and waxes; industrial lubricants; dust binding compositions; fuels and illuminants; candles and wicks for candles for lighting

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Hand operated hand tools and implements, namely, wrenches, pliers, screwdrivers, hammers, scissors, and hand saws; table cutlery; kitchen knives, and cutting implements for kitchen use, namely, cleavers, peelers, kitchen shears, food choppers, graters and zesters; razors; razor cases; curling tongs; depilation appliances, electric and non-electric; hair clippers for personal use, electric and nonelectric; shaving cases

International Classes 8 - Primary Classes **US Classes** 23, 28, 44 **International Class Title** Hand Tools

For Scientific and technological services, namely, research and design in the field of computer networking hardware and computer datacenter architecture and lighting technology; industrial analysis, namely, energy efficiency analysis for smart homes, buildings, and lighting systems; industrial research in the field of computer networking hardware and computer datacenter architecture and lighting technology; industrial design; quality control and authentication services of the goods of others to assure compliance with industry standards for smart home devices, lighting systems, and energy-efficient products and validation of smart home devices, lighting systems, and energy efficient products, for others; design and development of computer hardware and software; architectural services; styling, namely, interior styling for residential and commercial spaces; design of interior decor; lighting planning, namely, technical project planning, relating to lighting technology; development of computer software for monitoring and analysing household energy consumption; scientific and technological services, namely, research in the field of energy consumption; technical consultancy in the field of energy consumption; development of computer platforms; computer programming; off-site data backup; hosting of web sites; server hosting; platform as a service (PAAS) featuring computer software platforms for managing smart home systems, lighting control, energy monitoring, and automation; software as a service (SAAS) services featuring software for controlling and monitoring smart home devices, lighting systems, and energy usage; hosting an online community web site featuring technology enabling users to remotely interact with home and environmental monitoring, control, and automation systems; remote monitoring and remote control of technical systems, namely, smart home devices, lighting systems, and energy systems via the internet via the internet; design and development of computer hardware and software, in particular for recording, collecting, evaluating, storing, transmitting and interpreting sensor measurement data in the field of smart homes; design and development of computer software, software and apparatus for networking, programming, control, remote control and regulating of electricity conduits, gas pipes, district heating lines and water pipes, namely, software for managing energy flow, smart meters, controllers, and actuators for remotely regulating electricity, gas, and water distribution systems, as well as sensors and monitoring devices for detecting and analyzing system performance; monitoring of computer systems by remote access to ensure proper functioning; monitoring of camera systems by remote access to ensure proper functioning; technical consultancy and architectural and construction planning in the fields of heating, ventilating, solar, photovoltaic and air conditioning technology, in particular for heating technology installations and air conditioning installations; construction drafting, technical project studies in the field of smart home systems, lighting systems, and energy management

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Common metals and their alloys; ores of metal; refractory construction materials of metal for building and construction buildings, transportable, of metal; non-electric cables and wires of common metal; metal hardware, namely, springs, washers, nuts, metal pins, pulls; metal containers for storage or transport; metal shelter structures and transportable buildings of metal; safes; building materials and building elements of metal for fastening photovoltaic installations and solar modules, especially mounting frames, base structures, rails of metal, pipes, profiles and beading, namely, metal bolts, screws, clamps, brackets, hinges, spacers, lugs, washers, nuts, and anchor plates; metal hardware for fastening photovoltaic installations and solar modules, namely, mounting rails and supports, module clamps, fasteners, roof attachments, ground mount hardware, wire management hardware, bolts and nuts

CASE IDENTIFIERS

Serial Number 79394313 **Application Filing Date** Feb. 09, 2024 **Register** Principal **Mark Type** Trademark **Publication Date** Jun. 17, 2025

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the stylized English wording "SIDEKICKS!" with the first letter "S" and the first letter "K" in orange, and the rest of the letters all in black. All the English wording has some white dots. There are black horizontal lines on top and bottom of the letters "IDE", and on the bottom of the wording "KICKS". On top of the letters "ICKS" there are black bars that form into a solid horizontal line bearing the white Japanese characters for "SIDEKICKS". Behind the letters"SID", there is a shooting target design in light grey color. All other instances of white in the mark represent background and are not claimed as a feature of the mark. **Color Claimed** The color(s) orange, black, grey, and white is/are claimed as a feature of the mark. **Transliteration** The non-latin characters in the mark transliterate to "SAIDOKIKKUSU" and this means "sidekicks" in english.

GOODS AND SERVICES INFORMATION

For Building and construction materials and elements made of sand, stone, rock, clay, minerals and concrete, namely, supports, shores; stones, rock materials used in buildings, clay ash and non-metallic minerals for buildings; bricks; unfired bricks; refractory products in the form of refractory bricks, not of metal; earth soils for bricks; refractory masonry blocks; coping stones; concrete building bricks; wall stone; stones; earthenware tiles; quarry tiles for ceramic for walls, floor or ceiling; stone roofing tiles; building stone; roofing tiles, not of metal; tarred roofing paper; asphalt roofing felt; asphalt roofing paper; pantiles, not of metal; roof gutters, not of metal; scantlings in the nature of lumber; roofing slates; synthetic roofing shingles; roof coverings, not of metal; chimney pots, not of metal; chimney cowls, not of metal; refractory furnace linings being stack linings, not of metal, for buildings; chimneys, not of metal; bituminous coatings for roofing; roof flashing, not of metal; roofing, not of metal; roofing underlayment; facade elements of non-metallic materials, namely, non-metal facade panels for construction purposes; facade construction components of non-metallic materials, namely, non- metal facade panels for construction purposes; non-metal cladding for use with facades for building; building fronts in the nature of non-metal door panels; non-metallic building facade elements, namely, non-metal facade panels for construction purposes; non-metallic ceramic facing tiles for use for flooring in buildings; roofing, not of metal, incorporating photovoltaic cells; facades panels of non-metallic materials for construction purposes; roofing fabrics; wired roofing plate glass for building; non-metal building materials having fireproof sealing properties, namely, terra-cotta, stone veneers; non-metal dormer roof vents for ventilation in commercial buildings

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Paints; lacquers; varnishes; wood preservatives; anti-rust preparations, namely, anti-rust greases and anti-rust oils; dyestuffs; mordant dyes; raw natural resins; enamels for painting; interior paint; paints for protection against corrosion; colorants; thinners for lacquers and other paints being architectural paints; architectural paints; preservative coatings for insulation, drywall, and masonry in buildings; coatings that contain thermal plastic resins for use in construction; protective coatings in the nature of paints for building purposes; materials in the nature of anti-corrosion paints for use in protecting buildings; materials in the nature of protective coatings for building purposes; materials in the nature of anti-graffiti for use in preserving buildings; materials in the nature of architectural paints for use in maintaining buildings; protective surface coatings in the nature of paint for the decoration of structures; paint preparations for use as waterproofing coatings used as paints on the surfaces of structures; varnishes for applying to electronic components

International Classes 2 - Primary Classes **US Classes** 6, 11, 16 **International Class Title** Paints

For Non-metal fasteners, namely, pipe fasteners being non-metal collars, clips and non- metal clamps for pipes; pipe fastening collars of plastic; non-metal pipe clamps of plastics; valves of plastic, other than parts of machines; plastic cover for metal hose clamps; non-metallic fasteners for pipes, namely, bolts, nails, rivets, screws

International Classes 20 - Primary Classes **US Classes** 2, 13, 22, 25, 32, 50 **International Class Title** Furniture and Articles Not Otherwise Classified

For Solar thermal collectors in the nature of solar thermal air systems for heating purposes; sanitary installations in the nature of steam rooms; heating installations

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 24, 31, 34 **International Class Title** Environmental Control Apparatus

For Chemical compositions for use in construction; chemical sealing grout for use in the construction industry; chemical compositions for use in the construction industry; adhesive materials for the building industry; masonry preservatives, other than paints and oils; preparations for use as fire retardants, other than paints or oils, namely, fire retardant chemicals; chemical agents for impregnating exterior surfaces of buildings, other than paints and oils

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Building construction services; building repair; custom construction of buildings; construction of industrial building complexes for business; installation of photovoltaic cells and modules; installation and maintenance of photovoltaic installations; roofing services; roofing installation; maintenance of roofing in the nature of resurfacing of roofs; house building and repair; construction consultancy; renovation of buildings; maintenance of buildings; building maintenance and repair; building construction services related to civil infrastructure construction

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Downloadable software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable civil engineering software for use in the building and construction industry; downloadable computer application software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable software applications for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable scheduling software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable computer programs

for accessing, browsing and searching online databases; downloadable data and file management and database software; photovoltaic apparatus and installations for generating solar electricity, namely, solar modules for production of electricity, solar thermal and electric receivers, tracking mechanisms and concentrating optics, and control algorithms; photovoltaic modules

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Providing access to online computer databases; transfer of information and data via online services by telecommunications and the internet; provision of access to an electronic on-line network for information retrieval; providing online forums; provision of internet access services; providing access to databases; providing access to databases in computer networks; electronic exchange of data stored in databases accessible via telecommunication networks

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Land transport services; transport of building materials by truck, train, air; supply chain logistics services, namely, transportation and logistics of goods for others by air, rail, ship or truck; providing transportation information; electricity transmission and distribution; heat supplying distribution; gas storage services; distribution of gas; water transport services by boat transport; cargo container rental services

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Materials for use in preserving buildings, namely, oil for the preservation of masonry and wood for buildings; protective surface coatings for buildings in the form of oils; materials for use in protecting buildings, namely, oil for the preservation of masonry and wood for buildings; fuel

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Sealing and insulating materials; weatherstripping sealants in the nature of caulk; caulking materials; draught excluder strips; oil seals, adhesive sealants and fillers for expansion joints; duct tapes; gaskets for industrial use; sealants for buildings; non-metal pipe gaskets; non- metal sealing profiles for use in manufacturing; non-metal sealing assemblies in the nature of profiles for use in manufacturing; packing material for forming seals; sealants for pavement joints for building purposes; waterproofing plastic film for industrial use; polyurethane film for use in sealing and insulating buildings; adhesive sealing strip in the nature of adhesive taps for sealing roofing joints; sealing agents in the nature of polyurethane film for use in the construction industry; insulating waterproofing membranes and semi-processed synthetic plastics in the nature of filtering materials for use in the construction and building industry; non-metallic weather seals for joints; impervious adhesive tape strips for valley channels for industrial use; impervious adhesive tape strips for edging of roofs for industrial use; impervious adhesive tape strips for ridge tiling for industrial use; thermal insulation material for the construction of lofts, not for buildings; thermal insulation material used in the conversion of lofts, not for buildings; insulation materials for roofing; metal foil in the form of tapes for ventilation duct sealing and insulation; insulation materials and laminated vapor barrier articles; composite panels having insulating properties and comprising a reinforced cement core mechanically bonded to steel sheets on both outer surfaces for use in barriers, doors, ducts and ceilings; insulating materials; flexible hoses, not of metal, composed of plastics; non-metal pipe fittings comprised primarily of plastic; pipe insulation; flexible plastic pipe insulation; plastic seals for joints; sealant compounds for jointing; pipe sealing compositions and materials; non-metallic couplings for flexible and rigid pipes; non-metal connectors for hoses for use in connection with welding; interior pipe linings made of non-metal fabric and sealant

for repair of pipes; interior pipe linings made of non-metal fabric and sealant for sealing pipes; plastics in the form of sheets, films, blocks, rods and tubes for use in manufacturing; semi- worked synthetic plastic substances as semi-finished products in form of pellets, rods, foils, foams, fibers, films and sheets; flexible pipes, tubes, hoses and structural replacement parts and fittings therefor, and structural replacement parts and fittings for rigid pipes, all non-metallic; pipe connectors, non-metallic

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

For Software design and development; design and development of computer software for evaluation and calculation of data; industrial building design services; civil engineering planning and drawing services; technological planning services in the field of the building and construction industry; technical project planning and design engineering of lines for the processing of web products; programming of computer software for others for evaluation and calculation of data; providing online, non-downloadable software in the field of the building and construction industry; providing temporary use of on-line non-downloadable in the field of the building and construction industry; drafting and development of photovoltaic systems

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Common metals and their alloys; reinforcing building materials of metal; metal hardware, namely, nuts, pulleys, springs; beams of metal; binding thread of metal; steel strip; fittings of metal for windows on buildings; cotter pins of metal; roof coverings of metal; bolts of metal; roofing of metal; roof flashing of metal; pantiles of metal; roof gutters of metal; fittings of metal for windows; shutters of metal; cornices of metal; latticework of metal; chimney shafts of metal; hinges of metal; screws of metal; facades of metal; facade construction components of metal; facade elements of metal being metal facade panels for construction purposes; cladding of metal for facades on buildings; roofing tiles of metal; roofing panels of metal; roof components in the nature of roofing of metal

International Classes 6 - Primary Classes **US Classes** 2, 12, 13, 14, 23, 25, 50 **International Class Title** Metal Goods

International Registration 1798149 **International Registration Date** Feb. 15, 2024

GOODS AND SERVICES INFORMATION

For Publication of manuals; electronic publication of texts and other printed matter, other than publicity texts, on the internet; provision of training services for industry in the field of digital transformation of business and production processes

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Automated compilation and systematization of data in computer databases for business purposes; compilation and systemization of information into computer databases; compilation of statistical information; compilation and analysis of information and data relating to business management for business purposes; computerized data verification in the nature of data processing services; business consultancy relating to compilation and systematization of data in computer databases; statistical analysis and reporting services for business purposes; business consultancy relating to the administration of information technology; business advisory services relating to product manufacturing; business consulting services in relation to the digital transformation

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Data sets, recorded and downloadable in the field of data production, namely, data processing, machine parameter data processing, operating data; electronic databases in the field of data processing, operating data, statistics, research and market papers recorded on computer media; downloadable computer software for the transmission of data; downloadable computer software for communicating between microcomputers; downloadable data communication software; downloadable computer software for communication between computers over a local network; downloadable computer software systems for secure connectivity, machine learning and analytics; downloadable machine-to-machine [m2m] computer software applications for securing connectivity; downloadable production support software for securing connectivity, namely, remote access and screen

share; downloadable industrial automation software for securing connectivity, namely, processing of data acquisition; downloadable software for controlling industrial processes; downloadable computer threat detection software; downloadable security software for decoupling of IT and OT networks to establish secure connectivity; downloadable software for network and device security; downloadable firmware software for operating system programs; downloadable operating system software for computers; downloadable computer software platforms for securely deploying third party software within the provided security concept and product; downloadable computer programs for data processing; downloadable middleware for secure connectivity, namely, data processing and file synchronization; downloadable computer game instruction manuals in electronic format; electronic controls for automatically operating valves; industrial automation controls; industrial automation controllers with embedded software; wireless control units for remote monitoring as well as function and status control of safety systems; wireless controllers to remotely monitor and control the function and status of other electrical, electronic, and mechanical devices or systems, namely, wireless controllers to monitor and control the functioning of other electronic devices

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Communications service, namely, providing electronic transmission of information stored in a database via interactively communicating computer systems; providing access to databases via internet portals; providing access to databases via internet weblogs; transmission of data and information via telecommunications networks, wireless communication networks, the Internet and global computer information networks; communications by fibre optic networks; communication services, namely, electronic transmission of data and documents between users of computers; rental of access time to a database server via global computer networks; providing user access to global computer networks; digital transmission of data via a global computer network or the internet; transmission of information by data communications for assisting decision making; communication services, namely, wireless electronic transmission of data.

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Computer programming services for data processing; rental and maintenance of computer software for continuously updating security-relevant functionalities and protection against ongoing and upcoming cyberthreats; computer software development; software design and development; design, maintenance and updating of computer software; creation of control programs for automated measurement, assembly, adjustment and related visualization; design and development of driver software; development and creation of computer programs for data processing; design and development of energy management software; computer programming of energy management software; computer programming of computer software for evaluation and calculation of data; development of software for secure network operations; implementation of computer software programs in networks; installation, maintenance, updating and upgrading of computer software; updating of computer software relating to computer security and prevention of computer risks; software as a service (SAAS) services featuring software for secure connectivity; software as a service (SAAS) services featuring software for virtualization, data analytics and production optimization; configuration of computer networks by software; consultancy services for designing information technology systems; IT consulting services relating to development, installation, maintenance and repair of computer software; computer software consultancy; consultancy in the field of security computer software; computer security threat analysis for protecting data; computer security consulting services for protection against illegal network access; development of technologies in the field of protection of electronic networks; monitoring of computer systems for detecting unauthorized access or data breach; data security consultancy; computer programming services for electronic data security; maintenance of

operational capability for data communication software systems; monitoring of computer systems by remote access to ensure proper functioning for security purposes; monitoring of computer systems to detect breakdowns; technical support, namely, monitoring technological functions of computer network systems; user authentication services using single sign-on technology for online software applications; remote access monitoring of computer system operation; data security consultancy; development and testing of computing methods, algorithms and software; engineering and computer-aided engineering services for others; engineering services for the analysis of machinery; environmental testing of exhaust emissions; conception design and development of electronic data security systems; engineering consultancy in the field of energy-saving; machine condition monitoring industrial machines for the manufacturing and processing industry to ensure proper functioning; recording data for others relating to energy consumption in buildings on optical, digital and magnetic media for electronic storage; professional engineering consultancy relating to energy efficiency in buildings; providing engineering consultancy to energy-saving measures; engineering consultancy advisory services relating to energy efficiency; computer aided industrial design analysis services in the nature of computer system analysis; industrial design analysis services in the nature of computer system analysis; monitoring of industrial processes to ensure proper functioning; development of testing methods, namely, testing of computers; design and development of testing and analysis methods, namely, testing of computers; design and development of wireless computer networks; design of mathematical computer modeling services in the nature of computer modeling services; computer aided technical design testing, namely, development of testing methods for computer software and applications in the nature of computer system design using agile development methods; electric car performance testing; providing quality assurance services in the field of vehicle development and test bench technologies; quality assurance consultancy in the field of secure software development; development of customized software for others for use in risk assessment

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

GOODS AND SERVICES INFORMATION

For Hand-operated, non-electric, cleaning instruments and appliances, namely, cleaning appliances in the nature of squeegees and non-electric carpet cleaners; brushes for household use, metallic wool for cleaning, sponges for cleaning, steel wool for cleaning, cloths of textile for cleaning, household gloves for dishwashing, non-electric polishing machines for household purposes, namely, floor polish applicators mountable on a mop handle, brooms for carpets, mops, excluding paintbrushes; toothbrushes, electric toothbrushes, dental floss, shaving brushes, hair brushes, combs; non-electric household or kitchen utensils, other than forks, knives, spoons, namely serving scoops for ice cream, bottle openers, flower pots, drinking straws, service dishes, pots and non-electric cooking pans, non-electric cooking utensils, namely, frying pans, coffee pots, baking dishes made of glass, aluminium cookery moulds, bowls, cake molds, cake pans; ironing boards and fitted covers specially adapted therefor, drying racks for washing, clothes drying hangers; cages for household pets, indoor aquariums, indoor insect vivariums and indoor terrariums for animals and plant cultivation; ornaments and decorative goods of glass, porcelain, earthenware or clay namely statues, figurines, vases and trophies; mouse traps, insect traps, electric devices for attracting and killing flies and insects, fly catchers being traps, fly swatters; perfume burners, perfume sprayers sold empty, perfume vaporizers sold empty, electric or non-electric make-up removing appliances, powder puffs, toiletry cases sold empty; nozzles for sprinkler hose, nozzles for watering cans, watering devices being watering cans, garden watering cans; unworked or semi-worked glass, except building glass, mosaics of glass not for construction, and powdered glass for decoration, except for building, glass wool other than for insulation or textile use

International Classes 21 - Primary Classes **US Classes** 2, 13, 23, 29, 30, 33, 40, 50 **International Class Title** Housewares and Glass

For Machines, machine tools and industrial robots for processing and shaping wood, metals, glass, plastics and minerals, 3d printers; concrete construction machines and industrial robotic mechanisms being machines for use in construction; bulldozers, diggers being machines, hydraulic excavators, concrete road construction and road paving machines, drilling machines, rock drilling machines, road sweeping machines; power-operated lifting, loading and transmission machines and industrial robotic mechanisms being machines for lifting, loading and transmission purposes; elevators, escalators and cranes; machines in the nature of clothes washing machines, laundry washing machines, dishwashers, spin driers not heated, electric cleaning machines for cleaning floors, carpets or floorings, vacuum cleaners and structural or replacement parts thereof; electric food processing machines and industrial robotic mechanisms being machines for processing cereals, fruits, vegetables and food; machines for preparing and processing beverages; engines and motors, other than for land vehicles, structural and replacement parts and fittings therefor; hydraulic and pneumatic controls for engines and motors, band brakes being machine elements other than for vehicles, brake linings for machine engines, gearboxes, other than for land vehicles, cylinders for engines, pistons for engines, turbines, not for land vehicles, filters for engines and motors, oil, air and fuel filters for land vehicle engines, exhausts for land vehicle engines, exhaust manifolds for land vehicle engines, engine cylinders for land vehicle engines, engine cylinder heads for land vehicle engines, pistons for land vehicle engines, carburetors for land vehicles, fuel conversion apparatus for land vehicle engines, injectors for land vehicle engines, fuel economizers for land vehicle engines, pumps for land vehicle engines, valves for land vehicle engines, starter motors for land vehicles, dynamos for land vehicle engines, sparking plugs for land vehicle engines; bearings being parts of machines, roller or ball bearings for use in machines, namely, washing machines, laundry washing machines, dishwashers; machines for mounting and detaching tires; alternators, current generators, electric generators, current generators operated with solar energy; painting machines, automatic spray guns for paint, electric, hydraulic and pneumatic punching machines and nail guns, electric adhesive tape dispensers being machines for industrial use, electric spray guns for compressed gas or liquid spraying machines, electric hand drills, electric hand saws, electric jigsaw machines, spiral binding machines for industrial use, compressed air machines, compressors for machines, vehicle washing installations, industrial robots with the abovementioned functions; electric arc and gas-operated welding apparatus, electric arc welding apparatus, electric soldering apparatus, electric arc cutting apparatus, electrodes for welding machines, industrial robots being machines with the above-mentioned functions; printing machines for commercial or industrial use; packaging machines, filling, plugging and sealing machines, electronic labellers being machines for commercial use, sorting machines, industrial robots being machines with the abovementioned functions, electric packing machines for plugging and sealing of plastics; machines for textile processing, sewing machines, industrial robots being machines with the abovementioned functions; pumps for machines, fuel dispensing pumps for service stations, self-regulating engine fuel pumps; electric kitchen machines for chopping, grinding, crushing, mixing and mincing foodstuff, pressure washing machines, laundry washing machines, dishwashers, spin drying machines, not heated, electric cleaning machines for cleaning floors, carpets or floorings, vacuum cleaners and structural and replacement parts thereof; automatic vending machines; galvanizing and electroplating machines; electric door openers and closers;

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 24, 31, 34, 35 **International Class Title** Machinery

For Lighting installations; lights for vehicles and lighting installations for interior-exterior spaces; heating installations using solid, liquid or gas fuels or electricity; central heating boilers, boilers for heating installations, radiators for heating, heat exchangers, not parts of machines, stoves for cooking, kitchen stoves, solar thermal collectors being heat generators; steam, gas heat, and fog generators; industrial steam boilers, other than parts of machines, acetylene generators for air purification, oxygen generators for air purification, nitrogen generators for air purification; air conditioner installations for air-conditioning and ventilating; water cooling installations and freezers; electric and gas-powered devices, installations and apparatus for cooking, drying and boiling, namely, domestic cooking ovens; electric pressure cookers, electric cooking pots, electric water heaters, barbecues, electric laundry driers; hair driers; hand drying apparatus; sanitary installations in the nature of steam rooms; taps being faucets, shower installations in the nature of showers, toilets being water-closets, shower and bathing cubicles, bath tubs, toilet seats, sinks, wash-hand basins being parts of sanitary installations, washers for water taps, mixing valves for faucets, water control valves for faucets; water softening apparatus; water purification apparatus; water purification installations; waste water purification installations; electric bed warmers and electric blankets, not for medical use; electric pillow warmers; electrically-heated foot warmers being footmuffs; hot water bottles, electrically heated socks; filters for aquariums and aquarium water filtration apparatus; industrial type installations being cooking ovens, industrial dryers for heating and cooling units for industrial purposes, and refrigerators for cooking, drying and cooling purposes; pasteurizers for use in the food and beverage industry and sterilizers

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 24, 31, 34 **International Class Title** Environmental Control Apparatus

For Advertising, marketing and public relations services; organization of exhibitions and trade fairs for commercial or advertising purposes; development of advertising concepts; provision of an online marketplace for buyers and sellers of goods and services; providing office functions; secretarial services; arranging newspaper subscriptions for others; compilation of statistics; rental of office machines; systemization of information into computer databases; telephone answering for unavailable subscribers; business management, business administration and business consultancy; accounting services; commercial consultancy services; personnel recruitment, personnel placement, employment agencies, import-export agency services; temporary personnel placement services; auctioneering; the bringing together, for the benefit of others, excluding the transport thereof, of a variety of goods, namely bleaching and cleaning preparations, detergents other than for use in manufacturing operations and for medical purposes, laundry bleach, fabric softeners for laundry use, stain removers, dishwasher detergents, perfumery, non-medicated cosmetics, fragrances, deodorants for personal use and animals, soaps, dental care preparations, namely dentifrices, denture polishes, tooth whitening preparations, mouth washes, not for medical purposes, abrasive preparations, emery cloth, sandpaper, pumice stone, abrasive pastes, polishing preparations for leather, vinyl, metal and wood, polishes and creams for leather, vinyl, metal and wood, wax for polishing, machines, machine tools and industrial robots for processing and shaping wood, metals, glass, plastics and minerals, 3D printers, construction machines and robotic mechanisms being machines for use in construction, namely bulldozers, diggers being machines, excavators, road construction and road paving machines, drilling machines, rock drilling machines, road sweeping machines, lifting, loading and transmission machines and robotic mechanisms being machines for lifting, loading and transmission purposes, namely elevators, escalators and cranes, machines and robotic mechanisms being machines for use in agriculture and animal breeding, machines and robotic mechanisms being machines for processing cereals, fruits, vegetables and food, machines for preparing and processing beverages, engines and motors, other than for land vehicles, parts and fittings therefor, namely hydraulic and pneumatic

controls for engines and motors, brakes other than for vehicles, brake linings for engines, crankshafts, gearboxes, other than for land vehicles, cylinders for engines, pistons for engines, turbines, not for land vehicles, filters for engines and motors, oil, air and fuel filters for land vehicle engines, exhausts for land vehicle engines, exhaust manifolds for land vehicle engines, engine cylinders for land vehicles, engine cylinder heads for land vehicles, pistons for land vehicle engines, carburetors for land vehicles, fuel conversion apparatus for land vehicle engines, injectors for land vehicle engines, fuel economizers for land vehicle engines, pumps for land vehicle engines, valves for land vehicle engines, starter motors for land vehicles, dynamos for land vehicle engines, sparking plugs for land vehicle engines, bearings being parts of machines, roller or ball bearings, machines for mounting and detaching tires, alternators, current generators, electric generators, current generators operated with solar energy, painting machines, automatic spray guns for paint, electric, hydraulic and pneumatic punching machines and guns, electric adhesive tape dispensers machines, electric guns for compressed gas or liquid spraying machines, electric hand drills, electric hand saws, electric jigsaw machines, spiral machines, compressed air machines, compressors being machines, vehicle washing installations, industrial robots with the abovementioned functions, electric and gas-operated welding apparatus, electric arc welding apparatus, electric soldering apparatus, electric arc cutting apparatus, electrodes for welding machines, industrial robots being machines with the abovementioned functions, printing machines, packaging machines, filling, plugging and sealing machines, labellers being machines, sorting machines, industrial robots being machines with the abovementioned functions, electric packing machines for plugging and sealing of plastics, machines for textile processing, sewing machines, industrial robots being machines with the abovementioned functions, pumps for machines, self-regulating fuel pumps, fuel dispensing pumps for service stations, self-regulating fuel pumps, electric kitchen machines for chopping, grinding, crushing, mixing and mincing foodstuff, washing machines, laundry washing machines, dishwashers, spin driers, not heated, electric cleaning machines for cleaning floors, carpets or floorings, vacuum cleaners and parts thereof, automatic vending machines, galvanizing and electroplating machines, electric door openers and closers, forks, spoons, knives and non-electric cutters, slicers, peelers for kitchen use, including those made of precious metals, side arms and blades being weapons, tools and apparatus for personal beauty care use, namely tools and apparatus for shaving, depilation, manicure and pedicure, electric hand implements for straightening and curling hair, scissors, hand-operated non-electric hand tools for the repair of machines, apparatus and vehicles and for use in construction, agriculture, horticulture and forestry, none of them being power tools, electric or nonelectric irons, steam irons, handles for hand-operated hand tools, measurement apparatus and equipment including those for scientific, nautical, topographic, meteorologic, industrial and laboratory purposes, thermometers, not for medical purposes, barometers, ammeters, voltmeters, hygrometers, testing apparatus not for medical purposes, telescopes, periscopes, directional compasses, speed indicators, laboratory apparatus, microscopes, magnifying glasses, stills, binoculars, ovens and furnaces for laboratory experiments, apparatus for recording, transmission or reproduction of sound or images, cameras, photographic cameras, television apparatus, video recorders, CD and DVD players and recorders, MP3 players, wearable technological devices being smartwatches, wristbands, head-mounted devices microphones, loudspeakers, earphones, telecommunications apparatus, apparatus for the reproduction of sound or images, cell phones, covers for cell phones, telephone apparatus, computer printers, scanners being data processing equipment, photocopiers, magnetic and optical data carriers and computer software and programs recorded thereto, downloadable and recordable electronic publications, encoded magnetic and optical cards, movies, TV series and video music clips recorded on magnetic, optical and electronic media, antennas, satellite antennas, amplifiers for antennas, parts of the aforementioned goods, ticket dispensing terminals, electronic, automatic teller machines (ATM), electronic components used in the electronic parts of machines and apparatus, namely semiconductors, electronic circuits, integrated circuits, chips being integrated circuits, diodes, transistors, electronic, magnetic

heads for electronic apparatus, electronic locks, photocells, remote control apparatus for opening and closing doors, optical sensors, counters and quantity indicators for measuring the quantity of consumption, automatic time switches, clothing for protection against accidents, irradiation and fire, safety vests and life-saving apparatus and equipment, eyeglasses, sunglasses, optical lenses and cases, containers, parts and components thereof, apparatus and instruments for conducting, transforming, accumulating or controlling electricity, electric plugs, electricity junction boxes, electric switches, circuit breakers, fuses, lighting ballasts, battery starter cables, electrical circuit boards, electric resistances, electric sockets, electricity transformers, electrical adapters, battery chargers, electric doorbells, electric and electronic cables, batteries, electric accumulators, solar panels for production of electricity, alarms and anti-theft alarms, other than for vehicles, electric bells, signaling apparatus and instruments, luminous or mechanical signs for traffic use, fire extinguishing apparatus, fire engines, fire hose and fire hose nozzles, radar apparatus, sonars, night vision apparatus and instruments, decorative magnets, metronomes, lighting installations, lights for vehicles and interior-exterior spaces, heating installations using solid, liquid or gas fuels or electricity, namely central heating boilers, boilers for heating installations, radiators for heating, heat exchangers, not parts of machines, stoves, kitchen stoves, solar thermal collectors for heating, steam, gas and fog generators, namely steam boilers, other than parts of machines, acetylene generators, oxygen generators, nitrogen generators, installations for air-conditioning and ventilating, cooling installations and freezers, electric and gas-powered devices, installations and apparatus for cooking, drying and boiling, namely cookers, electric cooking pots, electric water heaters, barbecues, electric laundry driers, hair driers, hand drying apparatus, sanitary installations, namely, taps being faucets, shower installations, toilets being water-closets, shower and bathing cubicles, bath tubs, toilet seats, sinks, wash-hand basins being parts of sanitary installations, washers for water taps, stuffings being tap valves, water softening apparatus, water purification apparatus, water purification installations, waste water purification installations, electric bed warmers and electric blankets, not for medical use, electric pillow warmers, electric or non-electric footwarmers, hot water bottles, electrically heated socks, filters for aquariums and aquarium filtration apparatus, industrial type installations for cooking, drying and cooling purposes, pasteurizers and sterilizers, furniture, made of any kind of material, mattresses, pillows, air mattresses and cushions, not for medical purposes, water beds, mirrors, beehives, artificial honeycombs and sections of wood for honeycombs, bouncing chairs for babies, playpens for babies, cradles, infant walkers, display boards, frames for pictures and paintings, identity plates, identification bracelets, name plates, identification tags, made of wood or synthetic materials, packaging containers of wood or plastics, casks for use in transportation or storage, barrels, storage drums, tanks, boxes, storage containers, transportation containers, chests, loading pallets and closures for the aforementioned goods, of wood or plastics, small hardware goods of wood or synthetic materials, furniture fittings, of wood or synthetic materials, opening and closing mechanisms of wood or synthetic materials, ornaments and decorative goods of wood, cork, reed, cane, wicker, shell, amber, mother-of-pearl, meerschaum, beeswax, plastic or plaster, namely figurines, holiday ornaments for walls, sculptures, trophies, baskets, not of metal, fishing baskets, kennels, nesting boxes and beds for household pets, portable ladders and mobile boarding stairs of wood or synthetic materials, bamboo curtains, roller indoor blinds for interiors, slatted indoor blinds, vertical indoor blinds, bead curtains for decoration, curtain hooks, curtain rings, curtain tie-backs, curtain rods, non-metal wheel chocks, hand-operated non-electric cleaning instruments and appliances, namely brushes, except paintbrushes, metallic wool for cleaning, sponges for cleaning, steel wool for cleaning, cloths of textile for cleaning, gloves for dishwashing, non-electric polishing machines for household purposes, brooms for carpets, mops, toothbrushes, electric toothbrushes, dental floss, shaving brushes, hairbrushes, combs, non-electric household or kitchen utensils, other than forks, knives, spoons, services being dishes, pots and pans, bottle openers, flower pots, drinking straws, non-electric cooking

utensils, ironing boards and shaped covers therefor, drying racks for washing, clothes drying hangers, cages for household pets, indoor aquariums, vivariums and indoor terrariums for animals and plant cultivation, ornaments and decorative goods of glass, porcelain, earthenware or clay namely, statues, figurines, vases and trophies, mousetraps, insect traps, electric devices for attracting and killing flies and insects, fly catchers, fly swatters, perfume burners, perfume sprayers, perfume vaporizers, electric or non-electric make-up removing appliances, powder puffs, toilet cases, nozzles for sprinkler hose, nozzles for watering cans, watering devices, garden watering cans, unworked or semi-worked glass, except building glass, mosaics of glass and powdered glass for decoration, except for building, glass wool other than for insulation or textile use, enabling customers to conveniently view and purchase those goods, such services may be provided by retail stores, wholesale outlets, by means of electronic media or through mail order catalogues

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Building construction services, rental of construction machines and equipment; cleaning services for buildings interior and exterior, public areas, industrial premises; disinfecting of surfaces, vermin exterminating, other than for agriculture, aquaculture, horticulture and forestry; rental of cleaning machines and equipment; vehicles service stations for land vehicles, maintenance, repair and refueling of land vehicles; vehicles service stations for marine vehicles, maintenance, repair and refueling of marine vehicles; repair and maintenance of air vehicles; upholstering, repair and restoration of furniture; installation, maintenance and repair of heating, cooling and sanitary installations; cleaning, maintenance and repair of clothing; installation, maintenance and repair of industrial machines and equipment, office machines and equipment, communication apparatus, electric and electronic appliances; repair and maintenance of lifts; clock and watch repair; mining extraction consulting services and mining extraction; repair of shoes, bags and belts

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Table forks, spoons, and knives; non-electric, hand-operated food cutters, slicers, peelers for kitchen use, including those made of precious metals; tools and apparatus for personal beauty care use, namely, eyelash curlers, hair-removing tweezers, and non-electric nail clippers; tools and apparatus for shaving, depilation, manicure and pedicure, namely, electric hair clippers, depilatory appliances, electric razors; electric hand implements for straightening and curling hair, namely, curling irons, hair straightening irons; scissors; hand-operated, non-electric hand tools for the repair of machines, apparatus and vehicles and for use in construction, agriculture, horticulture and forestry, none of them being power tools, namely, hand-operated lifting jacks, hand-operated nail extractors, hand-operated spray guns, hand-operated hand drills, and hand-operated caulking guns; electric or non-electric clothes irons; electric steam irons; handles for hand-operated hand tools

International Classes 8 - Primary Classes **US Classes** 23, 28, 44 **International Class Title** Hand Tools

GOODS AND SERVICES INFORMATION

For Medical diagnostic apparatus and instruments for biological and cell analyses; medical diagnostic apparatus and instruments for the detection, analysis and handling of genetic material; genomic analysis apparatus for medical use; medical apparatus and instruments for detecting, analyzing and manipulating biological and cell material for medical use.

International Classes 10 - Primary Classes **US Classes** 26, 39, 44 **International Class Title** Medical Apparatus

For Scientific apparatus and instruments for analysis, control and detection of biological and cellular material, namely, combination apparatus consisting of microscopes, spectrometers and microfluidic bioprocessors; microfluidic chips; programmable microfluidic chips; downloadable chemical, biological and cellular analysis software for cell manufacturing; downloadable chemical, biological and cellular database software for cell manufacturing; scientific and laboratory apparatus for pharmaceutical production and bioproduction, namely cell culture incubators for scientific use, bioreactors for cell culturing, and cell culturing vessels; bioreactors for laboratories; laboratory and industrial chemical reactors for pharmaceutical production

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Medical services for biological and cell analysis and manipulation for medical use; medical and health services in biology, namely, provision of health care and medical services by health care professionals; culturing and manufacturing cells for medical therapy purposes, namely, medical treatment of cancer using cultured cells; biological and cell therapy services; medical services for therapy by means of integrated microfluidic bioproduction; information services with respect to biological and cell medical therapies

International Classes 44 - Primary Classes **US Classes** 100, 101 **International Class Title** Medical, beauty and agricultural services

For Biological laboratory services; design, development, installation, maintenance and rental of laboratory apparatus and instruments, namely, microfluidic cell production units, microfluidic bioprocessors and microfluidic cartridges; bioproduction services, namely, biochemical development; culturing and manufacturing cells for scientific research purposes; scientific research in the field of biology, and integrated microfluidic bio-production; biological and cell analysis and manipulation services for scientific use; scientific analysis and retrieval of data in the fields of biology and integrated microfluidic bio-production; computer platform as a service (PaaS) featuring software in the field of biology and for cell analysis and manufacturing; design, development, installation, rental and maintenance of computer software in the field of bioproduction and cell production; software as a service (SaaS) featuring software in the field of biology and for cell analysis and manufacturing; information services with respect to scientific research by conducting clinical trials

GOODS AND SERVICES INFORMATION

For Building and construction materials and elements made of sand, stone, rock, clay, minerals and concrete, namely, supports, shores; stones, rock materials used in buildings, clay ash and non-metallic minerals for buildings; bricks; unfired bricks; refractory products in the form of refractory bricks, not of metal; earth soils for bricks; refractory masonry blocks; coping stones; concrete building bricks; wall stone; stones; earthenware tiles; quarry tiles for ceramic for walls, floor or ceiling; stone roofing tiles; building stone; roofing tiles, not of metal; tarred roofing paper; asphalt roofing felt; asphalt roofing paper; pantiles, not of metal; roof gutters, not of metal; scantlings in the nature of lumber; roofing slates; synthetic roofing shingles; roof coverings, not of metal; chimney pots, not of metal; chimney cowls, not of metal; refractory furnace linings being stack linings, not of metal; chimneys, not of metal; bituminous coatings for roofing; roof flashing, not of metal; roofing, not of metal; roofing underlayment; facade elements of non-metallic materials, namely, non-metal facade panels for construction purposes; facade construction components of non-metallic materials, namely, non-metal facade panels for construction purposes; non-metal cladding for use with facades for building; building fronts in the nature of non-metal door panels; non-metallic building facade elements, namely, non-metal facade panels for construction purposes; non-metallic ceramic facing tiles for use for flooring in buildings; roofing, not of metal, incorporating photovoltaic cells; facades panels of non-metallic materials for construction purposes; roofing fabrics; wired roofing plate glass for building; building materials having fireproof sealing properties, namely, terra-cotta, stone veneers; non-metal dormer roof vents for ventilation in commercial buildings.

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Paints; lacquers; varnishes; wood preservatives; anti-rust preparations, namely, anti-rust greases and anti-rust oils; dyestuffs; mordant dyes; raw natural resins; enamels for painting; interior paint; paints for protection against corrosion; colorants; thinners for lacquers and other paints being architectural paints; architectural paints; preservative coatings for insulation, drywall, and masonry in buildings; coatings that contain thermal plastic resins for use in construction; protective coatings in the nature of paints for building purposes; materials in the nature of anti-corrosion paints for use in protecting buildings; materials in the nature of protective coatings for building purposes; materials in the nature of anti-graffiti for use in preserving buildings; materials in the nature of architectural paints for use in maintaining buildings; protective surface coatings in the nature of paint for the decoration of structures; paint preparations for use as waterproofing coatings used as paints on the surfaces of structures; varnishes for applying to electronic components.

International Classes 2 - Primary Classes **US Classes** 6, 11, 16 **International Class Title** Paints

For Pipe fasteners being non-metal collars for fastening pipes, non-metal clamps and clips, non-metallic, for general use; valves of plastic, other than parts of machines; plastic cover for metal hose clamps; non-metallic fasteners for pipes, namely, bolts, nails, rivets, screws.

International Classes 20 - Primary Classes **US Classes** 2, 13, 22, 25, 32, 50 **International Class Title** Furniture and Articles Not Otherwise Classified

For Solar thermal collectors in the nature of solar thermal air systems for heating purposes; sanitary installations in the nature of steam rooms; heating installations.

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 24, 31, 34 **International Class Title** Environmental Control Apparatus

For Chemical compositions for use in construction; chemical sealing grout for use in the construction industry; chemical compositions for use in the construction industry; adhesive materials for the building industry; chemical preparations for the manufacture of protective coatings for buildings, other than paints or oils; chemical preparations for the manufacture of impregnating chemical agents for exterior surfaces of buildings, other than paints or oils.

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Building construction services; building repair; custom construction of buildings; construction of industrial building complexes for business; installation of photovoltaic cells and modules; installation and maintenance of photovoltaic installations; roofing services; roofing installation; maintenance of roofing in the nature of resurfacing of roofs; house building and repair; construction consultancy; renovation of buildings; maintenance of buildings; building maintenance and repair; building construction services related to civil infrastructure construction.

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Downloadable software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable civil engineering software for use in the building and construction industry; downloadable computer application software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable software applications for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable scheduling software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable computer programs

for accessing, browsing and searching online databases; downloadable data and file management and database software; photovoltaic apparatus and installations for generating solar electricity, namely, solar modules for production of electricity, solar thermal and electric receivers, tracking mechanisms and concentrating optics, and control algorithms; photovoltaic modules.

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Providing access to online computer databases; transfer of information and data via online services by telecommunications and the internet; provision of access to an electronic on-line network for information retrieval; providing online forums; provision of internet access services; providing access to databases; providing access to databases in computer networks; electronic exchange of data stored in databases accessible via telecommunication networks.

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Land transport services; transport of building materials by truck, train, air; supply chain logistics services, namely, transportation and logistics of goods for others by air, rail, ship or truck; providing transportation information; electricity transmission and distribution; heat supplying distribution; gas storage services; distribution of gas; water transport services by boat transport; cargo container rental services.

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Preserving oils for masonry or wood for buildings; protective preserving oils for masonry or wood for buildings; preserving oils for masonry or wood for use in protecting buildings; fuel.

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Sealing and insulating materials; weatherstripping sealants in the nature of caulk; caulking materials; draught excluder strips; oil seals, adhesive sealants and fillers for expansion joints; duct tapes; gaskets for industrial use; sealants for buildings; non-metal pipe gaskets; non-metal sealing profiles for use in manufacturing; non-metal sealing assemblies in the nature of profiles for use in manufacturing; packing material for forming seals; sealants for pavement joints for building purposes; waterproofing plastic film for industrial use; polyurethane film for use in sealing and insulating buildings; adhesive sealing strip in the nature of adhesive taps for sealing roofing joints; sealing agents in the nature of polyurethane film for use in the construction industry; insulating waterproofing membranes and semi-processed synthetic plastics in the nature of filtering materials for use in the construction and building industry; non-metallic weather seals for joints; impervious adhesive tape strips for valley channels for industrial use; impervious adhesive tape strips for edging of roofs for industrial use; impervious adhesive tape strips for ridge tiling for industrial use; thermal insulation material for the construction of lofts, not for buildings; thermal insulation material used in the conversion of lofts, not for buildings; insulation materials for roofing; metal foil in the form of tapes for ventilation duct sealing and insulation; insulation materials and laminated vapor barrier articles; composite panels having insulating properties and comprising a reinforced cement core mechanically bonded to steel sheets on both outer surfaces for use in barriers, doors, ducts and ceilings; insulating materials; flexible hoses, not of metal, composed of plastics; non-metal pipe fittings comprised primarily of plastic; pipe insulation; flexible plastic pipe insulation; plastic seals for joints; sealant compounds for jointing; pipe sealing compositions and materials; non-metallic couplings for flexible and rigid pipes; non-metal connectors for hoses for use in connection with welding; interior pipe linings made of non-metal fabric and sealant for repair of pipes; interior pipe linings made of non-metal fabric and sealant for sealing pipes; plastics in the form of sheets,

films, blocks, rods and tubes for use in manufacturing; semi-worked synthetic plastic substances as semi-finished products in form of pellets, rods, foils, foams, fibers, films and sheets; flexible pipes, tubes, hoses and structural replacement parts and fittings therefor, and structural replacement parts and fittings for rigid pipes, all non-metallic; pipe connectors, non-metallic.

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

For Software design and development; design and development of computer software for evaluation and calculation of data; industrial building design services; civil engineering planning and drawing services; technological planning services in the field of the building and construction industry; technical project planning and design engineering of lines for the processing of web products; programming of computer software for others for evaluation and calculation of data; providing online, non-downloadable software in the field of the building and construction industry; providing temporary use of on-line non-downloadable in the field of the building and construction industry; drafting and development of photovoltaic systems.

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Common metals and their alloys; reinforcing building materials of metal; metal hardware, namely, nuts, pulleys, springs; beams of metal; binding thread of metal; steel strip; fittings of metal for windows on buildings; cotter pins of metal; roof coverings of metal; bolts of metal; roofing of metal; roof flashing of metal; pantiles of metal; roof gutters of metal; fittings of metal for windows; shutters of metal; cornices of metal; latticework of metal; chimney shafts of metal; hinges of metal; screws of metal; facades of metal; facade construction components of metal; facade elements of metal being metal facade panels for construction purposes; cladding of metal for facades on buildings; roofing tiles of metal; roofing panels of metal; roof components in the nature of roofing of metal.

International Classes 6 - Primary Classes **US Classes** 2, 12, 13, 14, 23, 25, 50 **International Class Title** Metal Goods

RELATED PROPERTIES INFORMATION

International Registration 1802881 **International Registration Date** Jan. 18, 2024

GOODS AND SERVICES INFORMATION

For Building and construction materials and elements made of sand, stone, rock, clay, minerals and concrete, namely, supports, shores; stones, rock materials used in buildings, clay ash and non-metallic minerals for buildings; bricks; unfired bricks; refractory products in the form of refractory bricks, not of metal; earth soils for bricks; refractory masonry blocks; coping stones; concrete building bricks; wall stone; stones; earthenware tiles; quarry tiles for ceramic for walls, floor or ceiling; stone roofing tiles; building stone; roofing tiles, not of metal; tarred roofing paper; asphalt roofing felt; asphalt roofing paper; pantiles, not of metal; roof gutters, not of metal; scantlings in the nature of lumber; roofing slates; synthetic roofing shingles; roof coverings, not of metal; chimney pots, not of metal; chimney cowls, not of metal; refractory furnace linings being stack linings, not of metal; chimneys, not of metal; bituminous coatings for roofing; roof flashing, not of metal; roofing, not of metal; roofing underlayment; facade elements of non-metallic materials, namely, non-metal facade panels for construction purposes; facade construction components of non-metallic materials, namely, non-metal facade panels for construction purposes; non-metal cladding for use with facades for building; building fronts in the nature of non-metal door panels; non-metallic building facade elements, namely, non-metal facade panels for construction purposes; non-metallic ceramic facing tiles for use for flooring in buildings; roofing, not of metal, incorporating photovoltaic cells; facades panels of non-metallic materials for construction purposes; roofing fabrics; wired roofing plate glass for building; building materials having fireproof sealing properties, namely, terra-cotta, stone veneers; non-metal dormer roof vents for ventilation in commercial buildings

International Classes 19 - Primary Classes **US Classes** 1, 12, 33, 50 **International Class Title** Non-metallic Building Materials

For Paints; lacquers; varnishes; wood preservatives; anti-rust preparations, namely, anti-rust greases and anti-rust oils; dyestuffs; mordant dyes; raw natural resins; enamels for painting; interior paint; paints for protection against corrosion; colorants; thinners for lacquers and other paints being architectural paints; architectural paints; preservative coatings for insulation, drywall, and masonry in buildings; coatings that contain thermal plastic resins for use in construction; protective coatings in the nature of paints for building purposes; materials in the nature of anti-corrosion paints for use in protecting buildings; materials in the nature of protective coatings for building purposes; materials in the nature of anti-graffiti for use in preserving buildings; materials in the nature of architectural paints for use in maintaining buildings; protective surface coatings in the nature of paint for the decoration of structures; paint preparations for use as waterproofing coatings used as paints on the surfaces of structures; varnishes for applying to electronic components

International Classes 2 - Primary Classes **US Classes** 6, 11, 16 **International Class Title** Paints

For Pipe fasteners being non-metal collars for fastening pipes, non-metal clamps and clips, non-metallic, for general use; valves of plastic, other than parts of machines; plastic cover for metal hose clamps; non-metallic fasteners for pipes, namely, bolts, nails, rivets, screws

International Classes 20 - Primary Classes **US Classes** 2, 13, 22, 25, 32, 50 **International Class Title** Furniture and Articles Not Otherwise Classified

For Solar thermal collectors in the nature of solar thermal air systems for heating purposes; sanitary installations in the nature of steam rooms; heating installations

International Classes 11 - Primary Classes **US Classes** 13, 21, 23, 24, 31, 34 **International Class Title** Environmental Control Apparatus

For Chemical compositions for use in construction; chemical sealing grout for use in the construction industry; chemical compositions for use in the construction industry; adhesive materials for the building industry; chemical preparations for the manufacture of protective coatings for buildings, other than paints or oils; chemical preparations for the manufacture of impregnating chemical agents for exterior surfaces of buildings, other than paints or oils

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Building construction services; building repair; custom construction of buildings; construction of industrial building complexes for business; installation of photovoltaic cells and modules; installation and maintenance of photovoltaic installations; roofing services; roofing installation; maintenance of roofing in the nature of resurfacing of roofs; house building and repair; construction consultancy; renovation of buildings; maintenance of buildings; building maintenance and repair; building construction services related to civil infrastructure construction

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Downloadable software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable civil engineering software for use in the building and construction industry; downloadable computer application software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable software applications for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable scheduling software for use in the building and construction industry for management, tracking and controlling of construction processes; downloadable computer programs

for accessing, browsing and searching online databases; downloadable data and file management and database software; photovoltaic apparatus and installations for generating solar electricity, namely, solar modules for production of electricity, solar thermal and electric receivers, tracking mechanisms and concentrating optics, and control algorithms; photovoltaic modules

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Providing access to online computer databases; transfer of information and data via online services by telecommunications and the internet; provision of access to an electronic on-line network for information retrieval; providing online forums; provision of internet access services; providing access to databases; providing access to databases in computer networks; electronic exchange of data stored in databases accessible via telecommunication networks

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Land transport services; transport of building materials by truck, train, air; supply chain logistics services, namely, transportation and logistics of goods for others by air, rail, ship or truck; providing transportation information; electricity transmission and distribution; heat supplying distribution; gas storage services; distribution of gas; water transport services by boat transport; cargo container rental services

International Classes 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Preserving oils for masonry or wood for buildings; protective preserving oils for masonry or wood for buildings; preserving oils for masonry or wood for use in protecting buildings; fuel

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Sealing and insulating materials; weatherstripping sealants in the nature of caulk; caulking materials; draught excluder strips; oil seals, adhesive sealants and fillers for expansion joints; duct tapes; gaskets for industrial use; sealants for buildings; non-metal pipe gaskets; non-metal sealing profiles for use in manufacturing; non-metal sealing assemblies in the nature of profiles for use in manufacturing; packing material for forming seals; sealants for pavement joints for building purposes; waterproofing plastic film for industrial use; polyurethane film for use in sealing and insulating buildings; adhesive sealing strip in the nature of adhesive taps for sealing roofing joints; sealing agents in the nature of polyurethane film for use in the construction industry; insulating waterproofing membranes and semi-processed synthetic plastics in the nature of filtering materials for use in the construction and building industry; non-metallic weather seals for joints; impervious adhesive tape strips for valley channels for industrial use; impervious adhesive tape strips for edging of roofs for industrial use; impervious adhesive tape strips for ridge tiling for industrial use; thermal insulation material for the construction of lofts, not for buildings; thermal insulation material used in the conversion of lofts, not for buildings; insulation materials for roofing; metal foil in the form of tapes for ventilation duct sealing and insulation; insulation materials and laminated vapor barrier articles; composite panels having insulating properties and comprising a reinforced cement core mechanically bonded to steel sheets on both outer surfaces for use in barriers, doors, ducts and ceilings; insulating materials; flexible hoses, not of metal, composed of plastics; non-metal pipe fittings comprised primarily of plastic; pipe insulation; flexible plastic pipe insulation; plastic seals for joints; sealant compounds for jointing; pipe sealing compositions and materials; non-metallic couplings for flexible and rigid pipes; non-metal connectors for hoses for use in connection with welding; interior pipe linings made of non-metal fabric and sealant for repair of pipes; interior pipe linings made of non-metal fabric and sealant for sealing pipes; plastics in the form of sheets,

films, blocks, rods and tubes for use in manufacturing; semi-worked synthetic plastic substances as semi-finished products in form of pellets, rods, foils, foams, fibers, films and sheets; flexible pipes, tubes, hoses and structural replacement parts and fittings therefor, and structural replacement parts and fittings for rigid pipes, all non-metallic; pipe connectors, non-metallic

International Classes 17 - Primary Classes **US Classes** 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

For Software design and development; design and development of computer software for evaluation and calculation of data; industrial building design services; civil engineering planning and drawing services; technological planning services in the field of the building and construction industry; technical project planning and design engineering of lines for the processing of web products; programming of computer software for others for evaluation and calculation of data; providing online, non-downloadable software in the field of the building and construction industry; providing temporary use of on-line non-downloadable in the field of the building and construction industry; drafting and development of photovoltaic systems

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Common metals and their alloys; reinforcing building materials of metal; metal hardware, namely, nuts, pulleys, springs; beams of metal; binding thread of metal; steel strip; fittings of metal for windows on buildings; cotter pins of metal; roof coverings of metal; bolts of metal; roofing of metal; roof flashing of metal; pantiles of metal; roof gutters of metal; fittings of metal for windows; shutters of metal; cornices of metal; latticework of metal; chimney shafts of metal; hinges of metal; screws of metal; facades of metal; facade construction components of metal; facade elements of metal being metal facade panels for construction purposes; cladding of metal for facades on buildings; roofing tiles of metal; roofing panels of metal; roof components in the nature of roofing of metal

International Registration 1803089 **International Registration Date** Nov. 22, 2023

GOODS AND SERVICES INFORMATION

For Entertainment services in the nature of e-sports competitions; electronic games services provided by means of web-based computing and servers or the internet; organisation of electronic game competitions for entertainment; organisation of live social entertainment events; arranging and conducting live, interactive, treasure hunt games; providing online electronic games provided by means of the internet or on-line from a computer network or database; interactive entertainment services, namely, providing temporary use of non-downloadable interactive games; entertainment services provided by telephone, namely providing news and information in the field of entertainment regarding interactive computer game software, interactive video game software and interactive computer and video games; video game entertainment services, namely, providing an on-line computer game; providing on-line computer games; providing online electronic games; publication of the editorial content of sites accessible via a global computer network; providing entertainment information on online computer games and video game via the computers or communication networks; subtitling of films, subtitling of videos; entertainment services, namely, providing podcasts in the field of gaming; provision of information relating to entertainment online from a computer database of the internet; entertainment consultancy, entertainment information and entertainment advisory services relating to all the aforesaid services; providing temporary use of non-downloadable computer games; providing temporary use of non-downloadable electronic games

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Providing access to gaming websites on the internet; providing user access to global computer networks in the field of online gaming; chat room services for social networking; web messaging; telecommunication access services; telecommunication services relating to the internet, namely, transmission of voice, data, graphics, sound and video by means of broadband power line or wireless networks; providing telecommunications connection and access to the internet and databases;

online telecommunications services in the field of online gaming, namely, providing internet access via broadband optical or wireless networks; electronic transmission of data services; electronic transmission of subscription data services; electronic mail services, namely, electronic transmission of e-mail; internet protocol television (IPTV) transmission and providing voice communication services via the internet; communication by means of computers terminals and providing communication services via the internet; transmission of messages, text, sound, images and data; computer-aided transmission of messages, text, sound, images and data; instant messaging; message sending and receiving services; electronic exchange of data stored in databases accessible via telecommunication networks; providing access to on-line chat rooms and providing online chat rooms in existing chat room services and electronic bulletin boards for transmission of messages among users in the field of online gaming; providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of online gaming and issues of general interest; providing on-line chat rooms and electronic bulletin boards for transmission of messages among registered users for the purpose of forming virtual communities; streaming audio and video material on the internet; streaming of audio, visual, and audiovisual material via a global computer network; broadcasting of audiovisual and multimedia content via the internet; streaming and broadcasting data on the internet in the field of gaming; video broadcasting and video transmission over digital networks of interactive events; all the aforesaid services in relation to gaming for amusement and entertainment; provision of information, consultancy and advisory services in the field of telecommunications in relation to all the aforesaid

International Registration 1803527 **International Registration Date** Mar. 04, 2024

GOODS AND SERVICES INFORMATION

For Measuring apparatus for medical purposes, namely, sensor patches to be worn by a human for use in collecting, organizing, transmitting and receiving patient biometric data and medical information for medical use; measuring apparatus for medical purposes, namely, sensor patches to be worn by a human for use in measuring patient biometric data and medical information for medical use; measuring apparatus for medical purposes, namely, medical diagnostic sensor patches for use in analyzing patient biometric data and medical information for medical use; electromagnetic diagnostic imaging apparatus for medical purposes; diagnostic apparatus for medical purposes for analyzing and measuring electrolytes in the body, and for testing DNA and RNA samples; apparatus for clinical diagnosis, namely, X-ray diagnostic apparatus, X-ray CT scanners and MRI apparatus for medical purposes; surgical robots; wearable walking assistive robots for medical purposes

International Classes 10 - Primary Classes **US Classes** 26, 39, 44 **International Class Title** Medical Apparatus

For Industrial robots; packaging machines; wrapping machines; semiconductor manufacturing machines; chemical processing machines and apparatus, namely, filtering machines for chemical processing, separating machines for chemical processing, extracting machines for chemical processing, and blending machines for chemical processing

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 24, 31, 34, 35 **International Class Title** Machinery

For Scientific specimens, namely, animal tissue and blood for use in scientific and medical research

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Measuring and testing machines and instruments in the nature of electronic spectrophotometers for use in identifying and measuring colors, nanoparticle size analyzers, zeta potential analyzers, photometers for measuring total luminous flux, liquid crystal display analyzers being colorimeters, electronic devices for measuring and monitoring the thickness of reflective films, spectral ellipsometers, array spectrometers other than for medical use, photo detectors being optical sensors, charge-coupled device (CCD) cameras for use in measuring moving picture response time, goniophotometers, spectroradiometers, LED spectrometers other than for medical use, quantum efficiency spectrophotometers for use in identifying and measuring colors, and electronic devices for measuring and monitoring the thickness of semiconductor wafers; optical measuring and optical testing machines and instruments, in the nature of optical inspecting machines used for measuring cell gap of liquid crystal display (LCD) panels, optical readers and imagers for inspection of semiconductor wafers and for measuring semiconductor wafer thickness; optical analyzing apparatus, namely, optical sensors, optical scanners; optical machines and apparatus, namely, optical readers, optical scanners, optical cables, and optical shutters; photographic machines and apparatus, namely, photographic cameras, photographic projectors, photographic filters, photographic flashbulbs, photographic slides; laboratory apparatus and instruments, namely, laboratory glassware; analyzing apparatus for laboratory use, namely, spectrometers other than for medical purposes; telecommunication machines and apparatus, namely, telecommunications transmitters, telecommunications cables, cellular telephones; personal digital assistants; downloadable computer programs for collecting, analyzing, organizing, transmitting and receiving data; recorded computer software for collecting, analyzing, organizing, transmitting and receiving data; recorded computer programs for collecting, analyzing, organizing, transmitting and receiving data; downloadable computer software for collecting, analyzing, organizing, transmitting and receiving data; recorded computer application software for collecting, analyzing, organizing, transmitting and receiving data; downloadable computer application software for collecting, analyzing, organizing, transmitting and receiving data; downloadable computer software for analyzing medical test results for medical testing and diagnosis; weighing scales for medical purposes; downloadable computer programs for displaying, analyzing and processing medical diagnostic images; laboratory apparatus and instruments for analysis of blood samples and urine samples; research laboratory analyzers for measuring, testing and analyzing blood and other bodily fluids; scientific models, namely, recorded and downloadable computer simulation software for modeling electronic circuits; laboratory robots equipped with artificial intelligence for scientific data processing purposes; laboratory robots

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Pest control services for agriculture, aquaculture, horticulture and forestry; vermin exterminating for agriculture, aquaculture, horticulture and forestry; veterinary services; provision of medical information; remote monitoring of medical data for medical diagnosis and treatment; medical screening; medical analysis services for diagnostic and treatment purposes provided by medical laboratories; health care; health assessment services; veterinary laboratory analysis services relating to the treatment of animals; medical analysis services for diagnostic and treatment purposes provided by medical laboratories in the nature of microbiological, serological, hematological, parasitological, and biochemical examination of test specimens such as stool, urine, sputum, and blood; clinical examination being clinical medical consultation services and provision of medical information related thereto; medical examination of test specimens such as stool, urine, sputum, and blood; physical examination services; medical analysis for the diagnosis and treatment of persons; medical diagnostic testing, monitoring and reporting services; analyzing body composition of humans or animals for medical or veterinary purposes; medical examination

services for animals; health care services, namely, disease management programs for animals

International Classes 44 - Primary Classes **US Classes** 100, 101 **International Class Title** Medical, beauty and agricultural services

For Biological research and analysis services; laboratory research and analysis services, namely, biological research laboratory services; medical research laboratory services; scientific services relating to the isolation and cultivation of human tissues and cells, namely, cell culture services for scientific and research purposes, for others; medical research; design and development of medical technology; research and development of technology for measuring and regulating patient medical data and vitals; design and development of testing and analysis methods for medical diagnostic equipment; scientific research in the nature of conducting clinical trials for others; testing, inspection and research services in the fields of pharmaceuticals, cosmetics and foodstuffs; rental of measuring apparatus; rental of computers; providing online non-downloadable computer programs on data networks for database management; providing online non-downloadable computer programs on data networks for collecting, analyzing, organizing, transmitting and receiving data; rental of laboratory apparatus and instruments; designing of machines, apparatus, instruments, including their parts, or systems composed of such machines, apparatus and instruments; computer programming; testing, inspection or research on agriculture, livestock breeding or fisheries; testing and research being testing the functionality of machines, apparatus and instruments; technological advice relating to computers, automobiles and industrial machines

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

For Education in the nature of providing classes, seminars, workshops, and training relating to compliance with laws and regulations; education, namely, providing classes, seminars, workshops and training relating to regulatory compliance; education, namely, providing classes, seminars, workshops and training relating to regulatory compliance in the financial sector; education, namely, providing classes, seminars, workshops and training relating to financial services; education, namely, providing classes, seminars, workshops and training relating to regulatory technology; education, namely, providing classes, seminars, workshops and training relating to regulatory technology in the financial sector; arranging, conducting and organizing events in the field of finance for educational, entertainment, and cultural purposes; arranging, conducting and organising events in the field of compliance with laws and regulations for educational, entertainment, cultural purposes; arranging, conducting and organising events relating to regulatory compliance for educational, entertainment, cultural purposes; arranging, conducting and organising events in the field of regulatory compliance in financial services and insurance services for educational, entertainment, and cultural purposes; arranging, conducting and organising events relating to regulatory compliance with United Kingdom Financial Conduct Authority laws and regulations for educational, entertainment, and cultural purposes; arranging, conducting and organising events in the field of regulatory technology for educational, entertainment, and cultural purposes; arranging, conducting and organising events relating to regulatory technology in the finance sector for educational, entertainment, and cultural purposes; advice, consultancy and information relating to the aforementioned services

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Business consultancy services; business consultancy services relating to financial services; business consultancy services relating to compliance with laws and regulations; business consultancy services relating to regulatory compliance; business consultancy services relating to regulatory compliance in financial services and insurance services; business consultancy services relating to regulatory compliance with United Kingdom Financial Conduct Authority laws and regulations; business consultancy services relating to regulatory technology; business consultancy services relating to regulatory technology in finance sector; business advisory services; business advisory services relating to financial services; business advisory services relating to insurance services; business advisory services relating to compliance with laws and regulations; business advisory services relating to regulatory compliance; business advisory services relating to regulatory compliance in financial services and insurance services; business advisory services relating to regulatory compliance with United Kingdom Financial Conduct Authority laws and regulations; business advisory services relating to regulatory technology; business advisory services relating to regulatory technology in finance sector; business auditing; financial auditing; audit support services, namely, preparation of the documents and data requested by the government body for financial auditing; business advice relating to regulatory compliance in preparation for financial auditing; advice on financial auditing; business administrative services relating to the field of compliance with laws and regulations for auditing purposes; business administrative services relating to the field of compliance with United Kingdom Financial Conduct Authority laws and regulations; arranging, conducting and organising commercial events relating to financial services for commercial or advertising purposes; arranging, conducting and organising commercial events relating to compliance with laws and regulations for commercial or advertising purposes;

arranging, conducting and organising commercial events relating to regulatory compliance for commercial or advertising purposes; arranging, conducting and organising commercial events relating to regulatory compliance in financial services and insurance services for commercial or advertising purposes; arranging, conducting and organising commercial events relating to regulatory compliance with United Kingdom Financial Conduct Authority laws and regulations for commercial or advertising purposes; arranging, conducting and organising commercial events relating to regulatory technology for commercial or advertising purposes; arranging, conducting and organising commercial events relating to regulatory technology in the finance sector for commercial or advertising purposes; advice, consultancy and information relating to the aforementioned services

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Downloadable software for managing regulatory compliance processes; downloadable computer software for managing regulatory compliance processes; downloadable computer software applications for managing regulatory compliance processes; downloadable computer software programs for managing regulatory compliance processes; downloadable computer software platforms for managing regulatory compliance processes; downloadable computer software for use in connection with financial services, namely, for ensuring compliance with laws and regulations; downloadable software for use in connection with financial services, namely, for ensuring compliance with laws and regulations; downloadable software for ensuring compliance with laws and regulations; downloadable software for use in relation to compliance with laws and regulations, namely, for managing regulatory compliance processes; downloadable software for ensuring regulatory compliance; downloadable software for ensuring regulatory compliance in financial services and insurance services; downloadable software for use in relation to regulatory compliance in financial services and insurance services, namely, for managing regulatory compliance processes; downloadable software for ensuring regulatory compliance with United Kingdom Financial Conduct Authority laws and regulations; downloadable software for use in relation to regulatory compliance with United Kingdom Financial Conduct Authority laws and regulations, namely, for managing regulatory compliance processes; downloadable software for monitoring compliance with laws and regulations; downloadable software for monitoring compliance with United Kingdom Financial Conduct Authority laws and regulations; downloadable software for monitoring regulatory compliance in financial and insurance services; downloadable electronic publications in the nature of reports, guides, newsletters relating to financial services and insurance services; downloadable electronic publications in the nature of reports, guides, newsletters relating to compliance with laws and regulations; downloadable electronic publications in the nature of reports, guides, newsletters relating to regulatory compliance in financial services and insurance services; downloadable electronic publications in the nature of reports, guides, newsletters in the field of relating to regulatory compliance with United Kingdom Financial Conduct Authority laws and regulations

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Software licensing; software licensing in relation to regulatory compliance; software licensing in relation to financial services; software licensing in relation to regulatory compliance in financial services; software licensing in relation to computer software; software licensing in relation to computer software for regulatory compliance; software licensing in relation to computer software for financial services; regulatory compliance auditing; preparing for regulatory compliance auditing, namely, consultation in the field of regulatory compliance auditing; advice and consultancy relating to the aforementioned services

International Classes 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For Online communication services, namely, transmission of database information relating to compliance with laws and regulations via telecommunications networks; online communication services, namely, transmission of database information relating to regulatory compliance via telecommunications networks; online communications services, namely, transmission of database information relating to financial services regulatory compliance software via telecommunications networks; online communication services, namely, transmission of database information relating to financial services consultancy and advisory services via telecommunications networks; online communication services, namely, transmission of database information relating to regulatory technology via telecommunications networks; online communication services, namely, transmission of database information relating to regulatory technology in the financial sector via telecommunications networks; advice, consultancy and information relating to the aforementioned services

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Design and development of software; design and development of software relating to compliance with laws and regulations; design and development of software relating to regulatory compliance; design and development of software relating to regulatory compliance in the financial sector; design and development of software relating to financial services; software as a service (SAAS) services featuring software for supporting and automating processes in relation to governance, risk and compliance within the financial services sector; software as a service (SAAS) services featuring software for use in database management and process automation relating to regulatory compliance; software as a service (SAAS) services featuring software for use in database management and process automation relating to financial services; software as a service (SAAS) services featuring software for use in database management and process automation relating to regulatory compliance in financial services; platform as a service (PAAS) featuring computer software platforms for supporting and automating processes in relation to governance, risk and compliance within the financial services sector; platform as a service (PAAS) featuring computer software platforms for use in database management and process automation relating to regulatory compliance; platform as a service (PAAS) featuring computer software platforms for use in database management and process automation relating to financial services; platform as a service (PAAS) featuring computer software platforms for use in database management and process automation relating to regulatory compliance in financial services; platform as a service (PAAS) featuring computer software platforms for the maintenance of computer software; platform as a service (PAAS) featuring computer software platforms for maintenance of computer software for regulatory compliance; platform as a service (PAAS) featuring computer software platforms for maintenance of computer software for financial services; advice, consultancy and information relating to the aforementioned services

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

GOODS AND SERVICES INFORMATION

For Apparatus for drilling bore holes, namely, drilling and mining machines; apparatus for drilling wells, namely, well drilling machines; apparatus for use in drilling, namely, drilling machines; barrels for use with drilling machines, namely, core barrels being structural parts of drilling machines; diamond tools for drilling machines, namely, power drill bits; drill stands for drilling machines, namely, drilling rigs; drilling bits being parts of machines; drilling hammers being power operated tools, namely, drill hammers; drilling heads being parts of drilling machines for attaching the drill bit to the drilling machine; drilling machines; floating and non-floating drilling rigs; drilling rigs for drilling off-shore wells; drilling rigs for drilling wells on land; drilling rods, namely, rods for transferring force and torque from a drilling machine to a drill bit being structural parts of drilling machines; ground drilling machines; holders for drilling tools being parts of drilling machines; hydraulic wrenches for use on drilling rigs; machines for drilling; industrial boring machines for horizontal drilling; machine tools for drilling; machines for drilling; machines for drilling wells; multiple spindle heads for use in drilling, namely, spindle heads being structural parts of drilling machines for drill bits used in drilling machines; numerically controlled drilling machines; oil drilling rigs; oil drilling tools, namely, drilling machines; mud catchers and collector machines; mud motors other than for land vehicles; machines for use in mining; haulage machines for use in mining; mining machines; tools for mining machines, namely, drill bits and drill rods being structural parts of mining machines; boring machines; boring tools, namely, machine tools for boring; earth boring machines; ground boring machines; industrial boring machines for horizontal boring; machine tools for boring; multiple spindle heads for use in boring, namely, spindle heads being structural parts of boring machines for drill bits used in boring machines; tool bits for boring being parts of machines; tunnel boring machines; pneumatic and hydraulic controls for machines; mechanical apparatus for the control of machines, namely, transmissions for machines; pneumatic and hydraulic controls for machine tools; pneumatic and hydraulic controls for machines; couplings for machines; couplings for pneumatic machines; machine tool couplings; modular couplings for machine tools; safety couplings for

machines; machines for use in milling; diamond tool bits for milling machines; machine tools for milling; milling machines; milling tools being machines; milling tools bits for machines; work processing machines for the milling of metals

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 24, 31, 34, 35 **International Class Title** Machinery

For Chemical additives for lubricants; industrial chemical additives for general industrial use in the manufacture of a wide variety of goods; industrial chemical additives for drilling muds and drilling fluids; filtering materials of chemical substances, namely, chemical preparations in the nature of filtering materials for use in the mining, drilling and resource exploration industries; wetting agents; preparations for wetting for use in the mining, drilling and resource exploration industries; chemicals for drilling processes, namely, chemicals for use in the mining, drilling and resource exploration industries; surfactants in detergent compositions, namely, surfactants for use in the manufacture of synthetic detergents; detergent additives for lubricants; drilling muds; muds specifically for rock drilling; additional chemical additives for drilling muds; reagents used in geophysical analysis; red mud, namely, drilling muds; chemical products tailored for mining applications, namely, chemical additives for drilling muds and drilling fluids; chemical products for water conditioning, namely, ground water conditioners; chemical additives for oils; chemical substances for drilling wells, namely, chemicals used in oil and gas drilling; fluid chemicals for drilling purposes, namely, chemicals used in oil and gas drilling and rock drilling; chemical additives for oil, gas and rock drilling fluids; chemicals utilized in drilling for oil and other resources, namely, chemical additives for drilling muds and drilling fluids; dispersants for muds, namely, petroleum dispersants for altering the gel strength and the rheology of particles carried in the mud during the drilling process; fluid chemicals designed for rock drilling, namely, fluid chemicals for drilling muds and drilling fluids

International Classes 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

For Business consultancy services relating to data processing; computer data processing; data processing; data processing verification, namely, data processing consultation; electronic data processing; online data processing services; business consultancy; business consultancy services relating to the supply of quality management systems; strategic business consultancy; collating data of others in computer databases for business purposes, namely, systemization of data in computer databases; computerized database management; provision of commercial business information by means of a computer database; conducting business and market research surveys; business information, advisory, and consultancy services relating to maximizing drilling performance and safety in the mining sector

International Classes 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Drilling, namely, downhole well drilling, well drilling for oil and gas and other natural resources; drilling of deep oil or gas wells; drilling of tunnels, namely, construction of tunnels for mining natural resources; drilling of wells; oil drilling; rock drilling for natural resources, namely, downhole well drilling, borehole well drilling, core well drilling, percussion well drilling and rotary well drilling; mining extraction; boring of wells; tunnelling, namely, construction of tunnels; installation of data processing apparatus; maintenance of data processing apparatus; advisory services relating to the repair of civil engineering structures; machinery installation, maintenance and repair; machinery repair; maintenance and repair of industrial machinery; maintenance and repair of drilling and mining machinery; maintenance and repair of surveying and measuring instruments; repair of machines; repair of drilling, mining and surveying apparatus; rental of construction apparatus; rental of construction equipment; rental of construction machinery; rental of excavating machines; rental of excavators; rental of machine tools,

namely, rental of drilling machines and surveying machines; rental of machinery for use in construction; rental of drilling and surveying tools

International Classes 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Borehole surveying instruments; installations for surveying purposes, namely, surveying machines and instruments; instruments for surveying physical data; apparatus for remote surveying; borehole surveying apparatus; electronic apparatus for surveying; surveying apparatus and instruments; computer hardware for use with drilling apparatus; computer hardware for use with drilling instrument; computer hardware for use with drilling operations; downloadable computer programs for dynamic simulation of oil well drilling; downloadable computer programs for electronic image processing; electronic image processing apparatus, namely, computers for processing image data concerning downhole drilling performance, lithology and geology; electronic image processing instruments, namely, computers for processing image data concerning downhole drilling performance, lithology and geology; downloadable computer programs for electronic image processing; downloadable computer programs for providing a graphical presentation of data; downloadable computer programs for scientific data analysis; recorded computer programs for scientific research; apparatus for data processing; downloadable computer programs for the analysis of data processing procedures; electric apparatus for data processing; data processing apparatus; data processing apparatus for use with computers; data processing equipment; electrical data processing apparatus; communication hubs for interconnecting data processing equipment; data processing equipment, namely, couplers; data processing equipment; electronic apparatus for data processing; electronic data processing apparatus; electronic data processing equipment; readers, namely, data processing equipment; scanners, namely, data processing equipment; data processing apparatus; downloadable data processing computer programmes; data processing machines; downloadable data processing software for graphic representations; downloadable data processing software; display apparatus for use with data processing installations, namely, computer monitors; equipment for electronic data processing; downloadable computer programs for data processing; real-time data processing apparatus; remote data processing apparatus; computer terminals for remote data processing; optical, capacitive, inductive and sound wave sensors for real-time data input apparatus; optical, capacitive, inductive and sound wave sensors for real-time data output apparatus; electrical apparatus for data acquisition, namely, data processing equipment; data acquisition instruments, namely, data processing equipment; data acquisition apparatus, namely, data processing equipment; apparatus for the acquisition of data, namely, data processing equipment; airborne data acquisition apparatus, namely, data processing equipment; downloadable application software for capturing, processing and managing mining, downhole drilling, lithological and geological data; downloadable data communication software; downloadable communications processing computer software; downloadable computer software for capturing, processing and managing mining, downhole drilling, lithological and geological data; recorded computer software for capturing, processing and managing mining, downhole drilling, lithological and geological data; downloadable computer software for use in controlling machines; downloadable computer software programs for capturing, processing and managing mining, downhole drilling, lithological and geological data; downloadable data communications software for the collection, editing, organizing, modifying, book marking, transmission, storage, and sharing of data and information; downloadable software applications for capturing, processing and managing mining, downhole drilling, lithological and geological data; downloadable interactive computer software for capturing, processing and managing mining, downhole drilling, lithological and geological data; interfaces for computers between application programs and firmware on real-time computers; computer interfaces; gyroscopes; accelerometers;

electronic apparatus and instruments for data collection, namely, computer hardware and computer peripheral devices for capturing, processing and managing mining, downhole drilling, lithological and geological data; instruments for indicating directions, namely, directional compasses, accelerometers, magnetometers and optical sensors; logging apparatus, namely, electronic data loggers; apparatus for recording digital information; data processing apparatus for the processing of digital information; electrical annunciators for transmission and reproduction of vibrations, sound and images for directly and indirectly measuring geologic properties, namely, seismographs and geophones; measurement apparatus and instruments, namely, apparatus for measuring mining, downhole drilling, lithological and geological parameters; downloadable computer software for calculating geologic properties; computer application software in the mining sector, namely, downloadable software for preparing, analyzing and visualizing complex mining data; downloadable artificial intelligence software for preparing, analyzing and visualizing complex mining data; scientific apparatus and equipment, namely, computer hardware and computer peripheral devices for collecting information and transforming the information into digital data in the mining sector; optical apparatus and instruments for collecting information and transforming the information into digital data in the mining sector for industrial use, namely, optical sensors; signalling apparatus, namely, electrical annunciators and signalling instruments, being apparatus for recording, transmission and reproduction of sound, vibrations, electrical resistance and images and for directly and indirectly measuring geological properties; checking apparatus and instruments for testing and checking key performance data in the mining sector for industrial use, namely, computer hardware and computer peripheral devices for testing and checking downhole drilling and mining equipment; pressure measuring apparatus and instruments; weighing apparatus and instruments; calculating machines; data processing equipment, namely, internet of things photoelectric sensors, data processors and communication hubs; computers; downloadable computer operating software; downloadable computer software for drilling rate management; downloadable cloud network monitoring software; downloadable computer application software in the mining sector, namely, downloadable big data software for preparing, analyzing and visualizing complex data, downloadable artificial intelligence software for preparing, analyzing and visualizing complex data, downloadable IOT software for collecting and storing data from connected devices, downloadable analytics software for collecting and analyzing data, downloadable cloud network monitoring software, and downloadable cloud data storage software; cloud computing downloadable software for use in maximizing geological understanding, drilling performance, and safety in the field of mining; cloud computing downloadable software for use in drilling flow rate management; apparatus for analysis other than for medical use, namely, apparatus for analysing performance of downhole drilling and mining equipment; apparatus for use in laboratory analysis, namely, diagnostic apparatus for laboratory analysis of mining, geological and lithological samples; downloadable computer programs for data processing for use with structured system analysis; instruments for scientific use in treatment of mining, geological and lithological samples before analysis; portable electronic apparatus for the analysis of machine data concerning mining, downhole drilling, lithological and geological data; computer hardware for computer-aided testing; computer-controlled automatic testing apparatus for testing performance of mining and downhole drilling equipment and operations; electrical testing instruments for testing performance of mining and downhole drilling equipment and operations; machines for testing performance of mining and downhole drilling equipment and operations; material testing apparatus, namely, equipment for testing the geology and lithology of materials; portable test apparatus, namely, electronic apparatus for testing compression, strength, hardness and tensile characteristics of industrial materials; apparatus for processing data; computer apparatus for processing data; data information processing apparatus; downloadable data processing computer programs; downloadable application software for processing, analysing and visualizing geological data; downloadable application software for processing, analysing and visualizing data; downloadable application software for

processing, analysing and visualizing spectral data; downloadable computer software for processing, analysing and visualizing geological data; downloadable computer software for processing, analysing and visualizing data; downloadable computer software for processing, analysing and visualizing spectral data; downloadable computer software applications downloadable for processing, analysing and visualizing geological data; downloadable computer software applications for processing, analysing and visualizing data; downloadable computer software applications downloadable for processing, analysing and visualizing spectral data; computer software platforms, recorded and downloadable for processing, analysing and visualizing downhole drilling, geological and lithological data; downloadable computer programs and recorded software distributed online for processing, analysing and visualizing geological data; downloadable computer programs and recorded software distributed online for processing, analysing and visualizing data; downloadable computer programs and recorded software distributed online for processing, analysing and visualizing spectral data; downloadable software applications for processing, analysing and visualizing geological data; downloadable software applications for processing, analysing and visualizing data; downloadable software applications for processing, analysing and visualizing spectral data; packaged recorded software for processing, analysing and visualizing geological data; packaged recorded software for processing, analysing and visualizing data; packaged recorded software for processing, analysing and visualizing spectral data; recorded computer software for processing, analysing and visualizing geological data; recorded computer software for processing, analysing and visualizing data; recorded computer software for processing, analysing and visualizing spectral data; spectrometers other than for medical purposes; measuring apparatus for photometric analysis other than for medical purposes, namely, photometers; measuring apparatus for spectroscopic analysis other than for medical purposes, namely, photometers; apparatus for measuring mining, downhole drilling, lithological and geological parameters; analogue to digital converters; image interpretation apparatus, namely, computers for interpreting images concerning mining, downhole drilling, lithology and geology

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Rental of communication equipment; rental of communications apparatus; rental of data communication apparatus; rental of data communications equipment; communication of data by means of telecommunications, namely, electronic data transmission; electronic message transmission

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Drilling lubricants; friction modifiers, namely, non-chemical additives for lubricants; lubricants containing low friction additives for drill and mining equipment; industrial lubricants; non-chemical additives for lubricants; drilling fluids, namely, lubricating oils; oil well drilling lubricants; lubricating oil; non-chemical additives for oils; technical industrial oils for use in drilling and mining equipment; synthetic industrial oils for use in drilling and mining equipment

International Classes 4 - Primary Classes **US Classes** 1, 6, 15 **International Class Title** Lubricants and Fuels

For Drilling tips for hand-operated drills, namely, bits for hand drills; ground drilling apparatus, namely, hand-operated hand drills; hand tools, namely, hand operated drills for use in well drilling; holders for hand operated drilling tools; hand tools, namely, drills, pickaxes, hammers and chisels for use in mining; boring tools, namely, hand operated hand drills; earth boring apparatus, namely, hand operated hand drills; hand-operated tools for boring, namely, hand operated hand drills; modular couplings for hand-operated tools, namely, bit drivers for hand tools; hand-operated tools for use in milling, namely, hand operated milling cutters; milling heads for hand-operated milling tools being structural parts of hand-operated milling cutters

International Classes 8 - Primary Classes **US Classes** 23, 28, 44 **International Class Title** Hand Tools

For Drilling, namely, geological prospecting; geophysical exploration for the mining and oil and gas industries; geophysical research services; geophysical surveys, namely, surveying; analysis for oil field exploration; mining exploration services to locate natural resources; gas, oil, petroleum and minerals exploration; oil exploration; underwater exploration; compilation of data-processing programs for capturing, processing and managing mining, downhole drilling, lithological and geological data, namely, data conversion of electronic information; rental of data processing apparatus; rental of computers and computer peripheral devices; rental of computer hardware; rental of computer firmware for managing computer hardware; rental of computer programs for capturing, processing and managing mining, downhole drilling, lithological and geological data; rental of computer software for capturing, processing and managing mining, downhole drilling, lithological and geological data; rental of information processing apparatus, namely, rental of data processing apparatus; rental of measuring apparatus; rental of scientific equipment used in the laboratory analysis of geological and lithological materials; rental of scientific instrument for analysing geological and lithological materials; scientific and technological services, namely, scientific research and development in the field of mining; research services in the field of geoscience analysis in the mining sector; providing scientific research information in relation to the mining sector to maximize the understanding of subsurface geologic properties; design of geologic and geophysical surveys; surveying boreholes; geological research in the field of geo-seismic surveys; analysis of geological samples; analysis of materials; computer system analysis; research laboratory analysis services in the fields of mining, downhole drilling, geology and lithology; laboratory services, namely, scientific research; metallurgical analysis, namely, scientific research; providing information, including online, about industrial analysis and research services in the fields of mining, downhole drilling, geology and lithology; scientific and technical analysis, namely, scientific research; technical data analysis services, namely, technical analysis of mining, downhole drilling, geology and lithology data; computer programming services for data processing; development of systems for the processing of data; scientific research relating to data processing; advisory services relating to computer software; computer software advisory services; computer software consultancy; computer software design; computer software development; computer software engineering; computer software programming services; computer support services, namely, computer programming and software installation, repair and maintenance services; computer support services, namely, software advisory and information services; consultancy in the design and development of computer software; design and development of computer software; software as a service (SaaS) services featuring software for capturing, processing and managing mining, downhole drilling, lithological and geological data; installation and maintenance of computer software; provision of web-based online non-downloadable software for processing, analyzing, and visualizing geological data; provision of web-based online non-downloadable software for processing, analyzing, and visualizing data; provision of web-based online non-downloadable software for processing, analyzing, and visualizing spectral data; providing online non-downloadable computer software for processing, analyzing, and visualizing geological data; providing online non-downloadable computer software for processing, analyzing, and visualizing data; providing online non-downloadable computer software for processing, analyzing, and visualizing spectral data; software as a service (SaaS) services featuring software for processing, analyzing, and visualizing geological data; software as a service (SaaS) services featuring software for processing, analyzing, and visualizing data; software as a service (SaaS) services featuring software for processing, analyzing, and visualizing spectral data; providing temporary use of online non-downloadable software for processing, analyzing, and visualizing geological data; providing temporary use of online non-downloadable software for processing, analyzing, and visualizing data; providing temporary use of online non-downloadable

software for processing, analyzing, and visualizing spectral data; design and development of computer software for cloud computing; hosting of cloud-based software, namely, cloud hosting provider services; provision of on-line non-downloadable cloud-based software for processing, analyzing, and visualizing geological data; provision of on-line non-downloadable cloud-based software for processing, analyzing, and visualizing data; provision of on-line non-downloadable cloud-based software for processing, analyzing, and visualizing spectral data; providing virtual computer systems through cloud computing; artificial intelligence technology consultancy; research in the field of artificial intelligence technology; conducting geological surveys; provision of scientific surveys, namely, surveying; provision of technical survey, namely, surveying; scientific research information, advisory, and consultancy services relating to geological and subsurface understanding in the mining sector

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

RELATED PROPERTIES INFORMATION

International Registration 1819620 **International Registration Date** Feb. 08, 2024

GOODS AND SERVICES INFORMATION

For Printed matter in the nature of calendars, event programs, tickets, and magazines in the field of entertainment, music, and live musical performances; printed publications in the nature of books and magazines, all in the field of entertainment, music, and live musical performances; printed brochures in the field of entertainment, music, and live musical performances; printed sheet music; paper articles, namely, printed paper tickets, posters, stationery, and stickers; printed tickets; printed paper labels; printed post cards; printed greeting cards; printed photographs; printed posters; stationery; stickers

International Classes 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Entertainment services, namely live musical performances by a live artist; production and distribution services in the field of sound and/or visual recordings and entertainment, namely, production and distribution of videos in the field of live music concerts; music publishing services; recording studio services; artist management, namely, event management services being organization of live musical performances; entertainment information services, namely, providing information in the field of music, entertainment, video games and entertainment events provided on-line from a computer database, from the Internet or from other communications network being a global computer network; provision of digital music from the Internet, not downloadable; production and distribution of television and radio programmes and films, animated films, and videos in the field of entertainment, music, and live musical performances; production of sound recordings; rental of films and sound recordings; rental of pre-recorded videos that may be downloaded from an Internet website; production of live entertainment being production of live television programs and radio programs; organisation of music festivals for cultural or entertainment purposes; organization of music concerts; organizing, arranging, and conducting exhibitions for entertainment purposes in the nature of live musical and theatrical performances; entertainment services, namely, production and distribution of a quiz show;

organizing, arranging, and conducting sports events; organization and production of live theatrical performances; entertainment services, namely, organizing, arranging and conducting live musical performances, road shows being live music performances and concerts, live staged events being live music performances and concerts, live theatrical performances, and audience participation in such events; provision of online non downloadable electronic publications in the nature of books and magazines in the field of music, entertainment, and fashion; electronic game services provided by means of the Internet or from other communications network being a global computer network; advisory and consultancy services related to the aforementioned services

International Classes 41 - Primary Classes **US Classes** 100, 101, 107 **International Class Title** Education and Entertainment

For Apparatus and instruments for recording, reproducing and transmitting sound, data in the nature of visual information and recordings; sound and visual recordings, namely, audio and video recordings featuring music; enhanced sound and visual recordings, namely, audio and video recordings featuring music; interactive sound and visual recordings, namely, audio and video recordings featuring music; sound and visual recording media, namely, downloadable audio and video recordings featuring music; downloadable video game software; downloadable interactive game software; electronic publications in the nature of books featuring music, downloadable via the Internet or communication networks; compact discs featuring music; super audio compact discs featuring music; DVDs featuring music videos and music concert videos; blank CD-ROMs for sound or video recordings; virtual reality systems comprising computer hardware and downloadable software for publishing music, music composition, and creating music videos for use in the music industry; digital music downloadable from the Internet; MP3 players; personal digital assistants (PDA) and other hand held devices in the nature of smartwatches; digital music downloadable from MP3 Internet websites; CD ROM games, namely, pre-recorded CD ROMs featuring recorded computer game programs; telephone ring tones, namely, downloadable ring tones for mobile phones

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Communications services, namely, transmitting streamed sound and audiovisual recordings via the Internet; broadcasting services, namely, Internet broadcasting services, radio and television broadcasting of music concerts; transmission of music being sound and information; electronic transmission of video text, digitized data, teletext and view data; providing access to digital music websites on the Internet or any other communications network being global computer networks; providing telecommunications connections to the Internet or to databases or to other communications network being global computer network; delivery of digital music via wireless communication networks; telecommunication access services; computer-aided transmission of messages and images; transmission of news and current affairs information; provision and operation of electronic conferencing, namely, web conferencing services, network conferencing services, and telephone conferencing services; discussion group and chat rooms, namely, providing Internet chat rooms and online forums for transmission of messages among computer users

International Classes 38 - Primary Classes **US Classes** 100, 101, 104 **International Class Title** Communication

For Clothing, namely, t-shirts, tops, bottoms, jeans, hoodies, coats, jackets, trousers, lingerie, and sleepwear; footwear and headwear

International Classes 25 - Primary Classes **US Classes** 22, 39 **International Class Title** Clothing

International Registration 1821551 **International Registration Date** Jan. 31, 2024

GOODS AND SERVICES INFORMATION

For Brakes for vehicles; brakes for emergency braking of vehicles; automotive safety apparatus and equipment, namely, airbags; vehicle seats; vehicle brake pads; vehicle brake parts, namely, brake rotors, made of materials having frictional properties; automotive air bags, safety belts and equipment for use with air bags and safety belts, namely, vehicle seat belt retractors; steering wheels for vehicles; braking systems for vehicles consisting of brake shoes, brake lines, brake drums, and other brake hardware; brake components being brake hardware for vehicles; brake segments for vehicles; vehicle safety seats for children; hardware parts for braking systems for vehicles; vehicle brake plates; vehicle safety restraints; gas igniters being parts of seat belt retractors, gas igniters being parts of vehicle brakes and vehicle braking systems, gas igniters being parts of vehicle safety apparatus, gas igniters being parts of airbags for vehicles, gas igniters being parts of actively pressurizing and/or expanding structural parts or structural components of vehicles and gas igniters being parts of vehicle safety actuators namely hood lifters and cutters for vehicles

International Classes 12 - Primary Classes **US Classes** 19, 21, 23, 31, 35, 44 **International Class Title** Vehicles

For lifting tackle being vehicle parts in the nature of hydraulically actuated rams for lifting or for deformation of vehicles' hoods to provide impact protection or reduction of impact in connection with vehicle collisions; gas generators for use in connection with the inflation of air bags in vehicles; cutting tools being power-operated for cutting cables and pipes in vehicles to avoid crashes or after vehicle crashes to avoid or reduce further damage to property or injuries to drivers and passengers; electrical drives, being electric motors for safety belts; gas generators for inflation of air bags; ignition cables for motor vehicles, electric vehicles

International Classes 7 - Primary Classes **US Classes** 13, 19, 21, 23, 24, 31, 34, 35 **International Class Title** Machinery

For Pyrotechnic actuators; pyrotechnic gas generators; pyrotechnic gas generators and pyrotechnic feeders being parts of pyrotechnic gas generators.

International Classes 13 - Primary Classes **US Classes** 2, 9 **International Class Title** Firearms

For Recorded software for controlling vehicle braking and vehicle braking systems; recorded software for triggering airbag systems in vehicles; infrared sensors; electric switches for vehicle steering wheels; recorded software for vehicle safety, namely, for controlling vehicle airbag systems; recorded software for analysis and processing of information for testing and research of vehicle braking and vehicles braking systems; recorded software for analysis and processing of information for use in seatbelt systems; electrical and electronic switches for breaking or closing electrical circuits stations for connecting power generating devices or electrical machines to the power lines in networks for transmission and distribution of electrical power; recorded software for operating vision and night vision systems, radar systems, seatbelt systems, airbag systems, anti-whiplash systems and pedestrian protection systems in vehicles; recorded software for analysis and processing of information for use in airbag systems; electrical and electronic switches for breaking or closing electrical circuits in motor vehicles, electric vehicles, wind-mills and other electrical power generating plants; recorded software for analysis and processing of information for use in vehicle braking and vehicle braking systems; recorded software for analysis and processing of information for testing and research of vehicle anti-whiplash systems; apparatus and instruments, namely, pressure sensors for technical research in the field of automotive safety; recorded computer software for data analysis in the field for automotive safety; recorded software for analysis and processing of information for testing and research of vehicle seatbelt systems; recorded software for triggering seatbelt systems in vehicles; recorded software for analysis and processing of information for testing and research of vehicle airbag systems; recorded software for triggering anti-whiplash systems in vehicles; recorded software for analysis and processing of information for use in anti-whiplash systems; computer software, namely, recorded software for triggering airbag systems in vehicles; recorded computer software in the field of vehicle safety and vehicle passenger safety for analysis and processing of information; recorded software for triggering brakes in vehicles; recorded software for analysis and processing of information for testing and research of vehicle pedestrian protection systems; computer hardware modules and recorded software for analyzing the received signals and for determining actions needed to be taken by actuating systems within the vehicle, including by warning systems or other information display systems, braking systems, speed reduction systems and dipped headlights; electrical and electronic sensors, namely, proximity sensors for observation of vehicle drivers' status and condition; electrical and electronic switches for disconnecting cables and pipes in motor vehicles, electric vehicles, wind-mills and other electrical power generating plants; electric current breakers for use in motor vehicles, electric vehicles, windmills and electrical power generating plants and circuit breakers for used in power stations to connect power generating devices or electrical machines with power lines in networks for transmission and distribution of electrical power; electronic sensors and detectors, namely, pressure sensors and proximity detectors for use in controlling the actuation and operation of automotive safety apparatus, and for controlling equipment and parts of automotive safety apparatus

International Classes 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For Preparation of reports relating to automotive safety testing; new product research and development services in the field of automotive safety; research, development and design services relating to advanced driver assistance systems, namely, hardware and software for vehicle to vehicle and vehicle to roadway infrastructure communication; research, development and design of new products relating to vehicle safety, namely, vehicle braking and vehicle braking systems, systems for assisting and alerting vehicle drivers, vision and night vision systems for vehicles, radar systems for vehicles, seatbelt systems for vehicles, airbag systems for vehicles, anti-whiplash systems for vehicles and pedestrian protection systems for vehicles; safety technology services, namely, engineering relating to land vehicles; Analysis, namely, product testing of vehicle braking and vehicle braking systems, vision and night vision systems for vehicles, radar systems for vehicles, seatbelt systems for vehicles, airbag systems for vehicles, anti-whiplash systems for vehicles and pedestrian protection systems for vehicles; Analyses, namely, preparing product safety technical reports relating to vehicle safety and vehicle passenger safety; product testing services in the field of automotive safety; testing and inspection of vehicle braking and vehicle braking systems, vision and night vision systems for vehicles, radar systems for vehicles, seatbelt systems for vehicles, airbag systems for vehicles, anti-whiplash systems for vehicles and pedestrian protection systems for vehicles; product testing concerning vehicle safety and vehicle passenger safety; research, development and design services relating to advanced driver assistance systems, namely, embedded automotive hardware and software for monitoring, providing and analyzing position, and predictive position, direction and time information for vehicles; testing of and development of systems for self-driving vehicles; safety technological services, namely, engineering relating to vehicle braking and vehicle braking systems, vision and night vision systems for vehicles, radar systems for vehicles, seatbelt systems for vehicles, airbag systems for vehicles, anti-whiplash systems for vehicles and pedestrian protection systems for vehicles; crash testing services in the field of automotive safety; consultancy, advisory and information services concerning the aforementioned services, namely, consulting, advice, and information in the field of automotive safety technology; crash testing services concerning vehicle safety and vehicle passenger safety; testing of self-driving vehicles; preparation of reports relating to automotive safety research and testing; information, advisory and consultancy services relating to the design and development of vehicle brakes and vehicle braking systems, vision and night vision systems for vehicles, radar systems for vehicles, seatbelt systems for vehicles, airbag systems for vehicles, anti-whiplash systems for vehicles and pedestrian protection systems for vehicles; consultancy, advisory and information services in the field of automotive safety research and testing; preparation of engineering reports relating to vehicle brakes and vehicle braking systems, vision and night vision systems for vehicles, radar systems for vehicles, seatbelt systems for vehicles, airbag systems for vehicles, anti-whiplash systems for vehicles and pedestrian protection systems for vehicles

International Classes 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the wording "FLYROD" in black above the wording "FEVER" in red outlined in black. Behind the wording in the mark is a sun in orange, yellow, and white rising in a yellow sky above blue water. Below the wording "FEVER" is splashing water in blue and white to the left of a fish in pink, green, red, orange, purple, and blue with gills in black and a black and yellow eye; the fish is biting a lure in shades of yellow. To the left of the wording in the mark is a thermometer in red, white, and black that is surrounded by a blue border. The top of the thermometer connects to a black line which extends in a semi-circle to the right side of the wording which attaches to a green line which attaches to the lure. There is a black triangular design below the splashing water and fish design. Any other instances of black, white, or gray in the mark represent background, outlining, shading and/or transparent areas and are not part of the mark. **Color Drawing** Yes **Color Claimed** The color(s) yellow, orange, red, blue, green, purple, pink, black, and white is/are claimed as a feature of the mark. **Disclaimer** "FLY ROD"

Mark Literal(s) RYAN&CHOONSIK KAKAO FRIENDS

CASE IDENTIFIERS

Serial Number 97181713 **Application Filing Date** Dec. 20, 2021 **Register** Principal **Mark Type** Service Mark Trademark **Publication Date** Jun. 17, 2025

MARK INFORMATION

Standard Character Claim No **Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) **Description of the Mark** The mark consists of the wording "RYAN&CHOONSIK" in black, followed by the wording "KAKAO FRIENDS" in white stylized form within a black band with curved edges on each side. Above the wordings is a design of two teddy bear head shapes with two ears merged together in colors pink, light blue, and black printed over each other. The black bear head shape on the right is bigger and is cut into twenty pieces of various shapes with gaps in between the pieces, where the gaps are filled by the light blue color. On top of the bear head shape on the right is a black antenna shape emanating from a black rectangular box. There are also two diamond shapes in pink, light blue, and black printed over each other where the black one has a diamond shape hole in the middle which is filled with the light blue color. One of these diamond shapes is located above the right ear of the smaller bear head shape, and the other is located diagonally below and to the right of the bigger bear head shape. **Color Drawing** Yes **Color Claimed** The color(s) black, white, pink, and light blue is/are claimed as a feature of the mark. **Translation** The English translation of "KAKAO" in the mark is "COCOA"; The wording "CHOONSIK" has no meaning in a foreign language.
