Las Vegas, NV, 89139

Email: micogen57@gmail.com

Phone: 702-808-5095

Organization: Hydro craft usa

General Comment

The uspto should accept videos of inventions as proof who made invention first, not who filed first. large company steals the idea when they see it, but if inventors shows it first on any social media network or news, he must have the right to get the patent
