REQUEST FOR REASONABLE ACCOMMODATION
LICENSED HEALTH CARE PROFESSIONAL'S STATEMENT

Applicant seeks to take the examination for registration to practice in patent cases before the United States Patent and Trademark Office (USPTO). The registration examination consists of 100 multiple choice questions. The exam is split into a morning session of 3 hours and an afternoon session of 3 hours. Fifty questions are asked during each of those sessions. Applicant is asking the USPTO to alter how the exam is administered because he/she has a disability(ies) that prevents him/her from completing the exam in the allotted time and/or under the standard conditions. Applicant is required to submit medical documentation to demonstrate that he/she has a physical or mental impairment that substantially limits one or more of his/her major life activities and to support his/her request for a reasonable accommodation. The Office of Enrollment and Discipline (OED) at the USPTO has developed this Licensed Health Care Professional's Statement to assist medical professionals in providing the type of information that OED needs to determine whether a reasonable accommodation is warranted.

Applicant is responsible for any costs incurred in connection with providing this documentation.

A new medical examination is not necessary if the Licensed Health Care Professional can provide current information from his/her records.

Enclose this completed Licensed Health Care Professional's Statement and any attachments in a sealed envelope marked "CONFIDENTIAL MEDICAL RECORDS." Send it to the address shown below. Alternatively, it may be given directly to the applicant for delivery to OED at the USPTO.

Please complete this statement within 2 weeks. Please note that illegible or incomplete statements will not be accepted. Furthermore, additional sheets and reports may be attached, if necessary, to fully respond to any questions. Incomplete answers may result in the rejection of this statement and ultimately the applicant's request for a reasonable accommodation.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law.
