Subject: charge for filing a LOP
Date: Tuesday, September 24, 2019 2:10:43 PM

Its ridiculous to charge for a LOP. If the USPTO did its job properly there'd be no need to file a LOP. What is being trademarked these days is ridiculous, as youre not suppose to be able to trademark simple common phrases, like happy camper or sunshine or the word "the" and so many more that i don't have the time to list

Sincerely,
Jill Rancourt
