ATTORNEYS AND AGENTS REGISTERED TO PRACTICE BEFORE THE U.S. PATENT AND TRADEMARK OFFICE 1996

As of December 1, 1996

U.S. DEPARTMENT OF COMMERCE
Michael Kantor, Secretary

PATENT AND TRADEMARK OFFICE

Bruce A. Lehman
Assistant Secretary of Commerce and
Commissioner of Patents and Trademarks

FOREWORD

The preparation and prosecution of a patent application are undertakings which require knowledge of patent law and Patent and Trademark Office practices, as well as knowledge of technical aspects of the invention. For this reason, most inventors engage registered patent attorneys or agents to do the work for them.

The Patent and Trademark Office maintains a register of attorneys and agents who have demonstrated their qualifications and are recognized to practice before the Office.

This publication is an extract of the Official Patent and Trademark Office register as of November 15, 1996, and contains the names and addresses of a majority of the individuals authorized to represent inventors before the Patent and Trademark Office as of that date. The names of persons registered subsequent to that date will appear in the next publication. In the listings, a number sign (#) appears beside the name of each registrant who is registered as a patent agent. An asterisk (*) appears in the listing beside the name of each registrant who is an officer or employee of the U.S. Government. All listings include registration and telephone numbers (if a telephone number is supplied).

Except for persons registered subsequent to November 15, 1996, individuals whose names do not appear in this publication are not recognized to practice before the Patent and Trademark Office, and such persons are not permitted by law to represent inventors before the Patent and Trademark Office in patent cases. Those registered as "patent attorneys" are attorneys-at-law, except for some non-lawyers who were registered prior to 1938. The non-lawyers who qualified prior to 1938 have been, and continue to be, registered as patent attorneys.

Registrants who are officers or employees of the U.S. Government cannot, other than in the discharge of their official duties, represent inventors before the Patent and Trademark Office (18 U.S.C. 203 and 205).

This publication is composed of two parts:

In the first part of the publication, individual attorneys and agents in the United States or Territories and foreign countries are arranged alphabetically in a list by surname.

The second part of the publication is a geographical listing of patent attorneys and agents in the U.S. alphabetically arranged by State and zip code. Attorneys and agents having offices elsewhere than in the United States are listed alphabetically by country, following the U.S. listing.

Care has been taken to provide accurate information. However, in a publication as extensive as this, mistakes may occur. Errors, as well as recommendations or suggestions for improvement, should be called to the attention of the Director, Office of Enrollment and Discipline, U.S. Patent and Trademark Office, Box OED, Washington, D.C. 20231.

Assistant Secretary of Commerce and
Commissioner of Patents and Trademarks
