SITE EXPERIENCE EDUCATION (SEE)

Invite patent examiners to SEE where your innovation happens.

Engage with patent examiners by allowing them to come to you!

Our mission is to enhance the technical expertise of patent examiners through in-person visits, technical conferences, or virtually through interfacing and engaging with industry leaders.

The SEE program includes three options:

- **In-person visits — patent examiners travel to your site within the continental U.S.**
- **Conferences and trade shows — patents examiners attend your event**
- **Virtual — patent examiners visit your site located anywhere worldwide**

Questions or comments about the SEE program? Email SEE@uspto.gov.
