# LIFT OCEAN

**Reg. No. 7,341,488**

**Registered Apr. 02, 2024**

**Corrected Jul. 16, 2024**

**Int. Cl.: 7, 9, 12, 42**

**Service Mark**

**Trademark**

**Principal Register**

LIFT OCEAN AS (NORWAY aksjeselskap (as))  
Morgedalsvegen 10A  
N-0378 OSLO  
NORWAY

CLASS 7: Motors, other than for land vehicles; machine coupling and transmission components, except for land vehicles; engines for boats; hydraulic engines and motors; hydraulic controls for machines, motors and engines

CLASS 9: Apparatus for conducting, switching, transforming, accumulating, regulating or controlling electricity on vessels; Data processing equipment for steering and control of hydrofoils; Data processing equipment for steering, control and operation of vessel and vessel equipment; Computers for steering and control of hydrofoils; Computers for steering, control and operation of vessels and equipment for vessels; Downloadable and recorded computer software for steering and control of hydrofoils; Downloadable and recorded computer software for design of vessels and equipment for vessels; Downloadable and recorded computer software for construction of vessels and equipment of vessels; Downloadable and recorded computer software for maintenance and repair of vessels and equipment for vessels; Computer monitors being computer hardware for vessels; Downloadable and recorded computer programs for monitoring performance and sensor data for vessels; Electric control devices for vessels; Electric control panels for vessels; Data processing equipment for vessels, namely, couplers; Modems; Solar cells; Solar batteries; Batteries, electric; nautical apparatus and instruments, namely navigation apparatus for boats and ships; computer software for simulation tools in the nature of downloadable and recorded computer simulation software for modeling hydrodynamics; downloadable and recorded computer software for creating a maritime log for velocity and measurements for vessels; simulators for steering and or control of vessels; voltage regulators for vessels; electric battery system comprising electric batteries and equipment for storage and delivery of electricity in the nature of apparatus and instruments for conveying, distributing, transforming, storing, regulating or controlling electricity for the operation of vessels

CLASS 12: Ships; ship hulls; vessels, namely boats and ships; boats; hydrofoils for boats; structural parts for boats; hydrofoils being structural parts for boats and ships; control device specially adapted for the control of hydrofoils for boats and ships; hydrofoil components being structural parts in the nature of wooden or carbon boards for hydrofoils; hydrofoil wings being hydrofoils for boats and ships; high-speed boats; electric speedboats; electric boats; hydrofoil boats; boat hulls; hydrofoils for ships; control devices for vessels, namely, electronic stability control systems and electronic propulsion control systems to allow better control and maneuverability of marine vessels, sold as an integral component of marine vessels; hydrofoils for marine vessels

CLASS 42: Scientific and technological services, namely scientific research, analysis and testing in the field of marine vessels for the aquaculture, offshore and maritime sector; scientific research and development within the aquaculture, offshore and

Director of the United States  
Patent and Trademark Office

maritime sector; industrial research in the field of marine vessels; design and testing for new product development within the aquaculture, offshore and maritime sector; design and development of computer hardware and computer software within the aquaculture, offshore and maritime sector; research in the field of climate change; research in the reduction of carbon emissions; research in the field of physics; design of watercrafts and parts and components for such watercrafts; design of ships, vessels and boats; engineering services and quality control for others relating to the construction of ships and vessels; design of computer software related to simulation tools

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

PRIORITY DATE OF 03-17-2021 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1652933 DATED 09-17-2021, EXPIRES 09-17-2031

No claim is made to the exclusive right to use the following apart from the mark as shown: "OCEAN"

SER. NO. 79-336,937, FILED 09-17-2021

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
