# SENTIENT

**Reg. No. 5,986,757**

**Registered Feb. 18, 2020**

**Corrected Jul. 30, 2024**

**Int. Cl.: 6, 7, 9**

**Trademark**

**Principal Register**

Fujikin Incorporated (JAPAN CORPORATION)

2-3-2, Itachibori,

Nishi-ku., Osaka-shi; Osaka 550-0012

JAPAN

CLASS 6: Valves of metal other than parts of machines

CLASS 7: Valves being parts of machines not for land vehicles; semiconductor manufacturing machines and systems comprising valve and flow rate control device and structural parts therefor; gas supplying apparatuses for semiconductor manufacturing primarily comprising valves being parts of semiconductor manufacturing machines, fluid couplings, joints, pipes, tubes, and vaporizers, all being parts of machines, sold as an integrated unit; liquid material gas supplying apparatuses for semiconductor manufacturing, namely, gas diverters consisting of a pump, storage and refilling tank, pre-heater, vaporizer, recuperator, condenser and valves; pressure regulating apparatus, namely, pressure regulating valves being parts of machines, not for land vehicles

CLASS 9: [ Measuring and testing sure, concentration; gas-flow control machines and instruments; ] solenoid valves [ ; automatic control machines for liquid and gas, namely, automatic-liquid-flow, liquid-level, and pressure control machines; automatic control instruments for liquid and gas, namely, automatic-liquid-flow, liquid level, and pressure control instruments; automatic regulating machines and instruments, namely, temperature sensors, pressure sensors and flow sensors for detecting pressure, temperature and flow rate inside control device; automatic regulating instruments, namely, automatic flow regulators for commercial use; automatic regulating instruments, namely, control machines for storage valves for controlling and regulating the flow of gases or liquids not being parts of plumbing, heating, cooling installations or machines; automatic flow rate control machines for gas or liquid; automatic flow rate control instruments for gas or liquid; automatic pressure control instruments for storage and distribution of pressurized gas and liquefied gas; automatic pressure control machines for storage and distribution of pressurized gas and liquefied gas; flow rate control apparatuses, namely, flow regulators for commercial use; electrical measuring devices, namely, technical measuring instruments for measuring the temperature, pressure, quantity and concentration of gas and liquids; technical measuring instruments for measuring the temperature, pressure, quantity and concentration of gas, mass flow controllers or flow regulators ]

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

OWNER OF INTERNATIONAL REGISTRATION 1452920 DATED 10-31-2018, EXPIRES 10-31-2028

SER. NO. 79-253,184, FILED 10-31-2018

*Katherine Kelly Vidal*

Director of the United States  
Patent and Trademark Office

## REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### Requirements in the First Ten Years\*

#### What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### Requirements in Successive Ten-Year Periods\*

#### What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### Grace Period Filings\*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
