Patent and Trademark Office

computer databases; computerised file management; computerised data retrieval services in the nature of computer file management; computerised data management services for healthcare pathway management solutions; [electronic retrieval of information, data, documents and technical information in the nature of computer file management for healthcare pathway management solutions;] * the aforesaid only in the field of healthcare healthcare pathway management solutions electronic retrieval of information, data, documents and technical information in the nature of computer file management for healthcare pathway management solutions; * [all of the aforementioned services only for the purpose of providing operational administration and decision support to practitioners providing care to patients when in respect of ophthalmology and eye care services] * all of the aforementioned services only for the purpose of providing operational administration and decision support to practitioners providing care to patients *

CLASS 42: Computerised electronic data storage and services; electronic data storage relating to business; Design, development and updating of computer software; [software as a service featuring software for scheduling and diary management;] * software as a service featuring software for scheduling and diary management, all the aforesaid in the field of healthcare and healthcare pathway management solutions; * software as a service featuring software for medical practice management; design, development and updating of computer systems; design, development and updating of databases; installation, maintenance and repair of computer software; research and development services relating to computer programming; * all in the field of healthcare and healthcare pathway management solutions; * information technology and computing services, namely, information technology and computer technology consulting services for healthcare pathway management solutions; computer system analysis; conversion of data or documents from physical to electronic media; electronic storage and retrieval of information, data, documents and technical information; all the aforesaid services only in the field of healthcare; design and development of computer software for use in the physiotherapy, occupational health, ophthalmology, radiology, fitness and spa industries; design and development of products for the healthcare industry; software as a service featuring software for the management of the treatment of patients; software as a service featuring software for the provision of healthcare services, namely, receiving, processing, transmitting, storing, relaying, inputting or outputting of data for healthcare pathway management solutions; software as a service featuring software for use in fitness and spa support services, namely, receiving, processing, transmitting, storing, relaying, inputting or outputting of data; software as a service featuring software for the provision of physiotherapy, occupational health, ophthalmology and radiology services, namely, receiving, processing, transmitting, storing, relaying, inputting or outputting of data; medical and pharmacological research services; conducting clinical trials for others; clinical research in the field of physiotherapy, occupational health, ophthalmology and radiology services; providing information on clinical studies via interactive websites; all of the aforesaid also provided online via the internet or any other interactive electronic platforms; information, advisory and consultancy services relating to all the aforesaid services; providing online non-downloadable computer software for healthcare pathway management solutions; providing online non-downloadable collaboration software platforms for healthcare pathway management solutions; providing online non-downloadable computer software platforms for healthcare pathway management solutions; providing online non-downloadable computer software development tools; providing online non-downloadable computer software for scheduling and diary management; providing online non-downloadable computer software for medical practice management; providing online non-downloadable application software for healthcare pathway management solutions; providing online non-downloadable mobile apps software for healthcare pathway management solutions; providing online non-downloadable computer software for the management of the treatment of patients; providing online non-downloadable computer software for use in the provision of healthcare services, namely, receiving, processing, transmitting, storing, relaying, inputting or outputting of data; providing online non-downloadable computer software

for use in the provision of physiotherapy, occupational health, ophthalmology and radiology services, namely, for receiving, processing, transmitting, storing, relaying, inputting or outputting of data; providing online non-downloadable computer software for use in the fitness and spa support services industries services, namely, for receiving, processing, transmitting, storing, relaying, inputting or outputting of data; all of the aforementioned services only for the purpose of providing operational administration and decision support to practitioners providing care to patients [when in respect of ophthalmology and eye care services]

CLASS 44: Medical * information * services; [veterinary services; hygienic and beauty care for human beings or animals; medical care services; medical information services; medical advisory services; medical imaging services;] medical information retrieval services, namely, reporting of consumer authorized clinical testing results directly to the patient; medical diagnostic [testing,] monitoring and reporting services; medical information tele-reporting services; [medical health assessment services; medical screening; managed health care services;] professional consultancy relating to health care; [rental of medical and health care equipment; health care advisory services; pharmacy advisory services; physiotherapy services; physical rehabilitation; Medical testing services, namely, fitness evaluation;] all of the aforementioned services * in the field of healthcare and healthcare pathway management solutions and * only for the purpose of providing operational administration and decision support to practitioners providing care to patients [when in respect of ophthalmology and eye care services]

PRIORITY CLAIMED UNDER SEC. 44(D) ON UNITED KINGDOM APPLICATION NO. UK0000338797, FILED 03-29-2019, REG. NO. UK0000338795, DATED 04-10-2020, EXPIRES 03-29-2029

The mark consists of the stylized wording "LUMEON" in grey with a tilted "L" over the "O" and "N", the tilted "L" in a blue, purple, and pink gradient coloring that transitions from blue on the left, to purple in the middle, to pink on the right. The color white represents background, outlining, shading and/or transparent areas and is not part of the mark.

SER. NO. 88-630,633, FILED 09-25-2019

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
