## United States Patent and Trademark Office

E v i d e n t   G l o b a l

**Reg. No. 7,014,785**

**Registered Apr. 04, 2023**

**Corrected Oct. 29, 2024**

**Int. Cl.: 9, 37, 41, 42, 44**

**Service Mark**

**Trademark**

**Principal Register**

Evident Corporation (JAPAN Corporation)  
Tatsuno-machi, Kamiina-gun, Nagano 399-04  
6666 Oaza Inatomi,  
JAPAN

CLASS 9: Microscopes and parts and fittings therefor; objective lenses for microscopes; industrial endoscopes and parts and fittings therefor for non-medical use; nondestructive testing instruments and parts and fittings therefor, namely, flaw detectors, thickness gages, bond testers, transducers, eddy current probes, radiography systems and parts and fittings therefor for non-medical use; X-ray fluorescence analyzers and parts and fittings therefor; recorded software and downloadable cloud computing software to control microscopes [ , flaw detectors, bond testers, thickness gages, transducers, eddy current probes, industrial endoscopes, X-ray fluorescence analyzers, and radiography systems] ; \* downloadable cloud computing software to control flaw detectors, bond testers, thickness gages, transducers, eddy current probes, industrial endoscopes, X-ray fluorescence analyzers, and radiography systems; \* recorded software and downloadable cloud computing software to capture images and to process, measure and analyze images captured by digital imaging devices for industrial use; laboratory apparatus and instruments, namely, monitoring or measuring machines; optical machines and apparatus, namely, slide scanners; measuring or testing machines and instruments, namely, flaw detectors, bond testers, thickness gages, transducers, eddy current probes, industrial endoscopes, X-ray fluorescence analyzers, radiography systems and parts and fittings therefor

CLASS 37: Repair and maintenance of microscopes, industrial endoscopes, nondestructive testing instruments, ultrasonic flaw detectors, x-ray fluorescence analyzers; repair or maintenance of cinematographic machines and apparatus; repair or maintenance of optical machines and apparatus; repair or maintenance of photographic machines and apparatus; repair or maintenance of electronic machines and apparatus; repair or maintenance of laboratory apparatus and instruments; repair or maintenance of measuring and testing machines and instruments

CLASS 41: Arranging, conducting and organization of seminars in the field of microscopes, nondestructive testing instruments, and measuring apparatus

CLASS 42: Cloud computing featuring software for scientific testing, measurement, and analysis; electronic storage services for archiving databases; software as a service [SaaS] featuring software for scientific testing, measurement and analysis; scientific testing and research with the use of microscopes, flaw detectors, bond testers, thickness gages, transducers, eddy current probes, industrial endoscopes, X-ray fluorescence analyzers and radiography systems; providing computer programs on data networks, namely, providing online non-downloadable software to control and store data for microscopes, flaw detectors, bond testers, thickness gages, transducers, eddy current probes, industrial endoscopes, X-ray fluorescence analyzers and radiography systems, and to capture images and process, measure and analyze images captured by digital imaging devices; scientific testing, inspection and research

*Katherine Kelly Vidal*

Director of the United States  
Patent and Trademark Office

CLASS 44: Medical analysis services related to medical imaging \* for diagnostic purposes \* ; providing medical information using microscope images; [ medical practice; namely providing medical services, ] providing medical information

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

PRIORITY DATE OF 11-22-2021 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1645892 DATED 12-03-2021, EXPIRES 12-03-2031

No claim is made to the exclusive right to use the following apart from the mark as shown: "GLOBAL"

SER. NO. 79-334,014, FILED 12-03-2021

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
