Acting Director of the United States Patent and Trademark Office

instruments for regulating electricity, namely, battery chargers, car batteries, batteries; [ apparatus and instruments for controlling electricity, namely, electrical controllers; ] apparatus for recording, transmission or reproduction of sound, namely, audio tape recorders, record players; apparatus for recording of images, namely, digital cameras; apparatus for transmission of images, namely, slide projectors; apparatus for reproduction of images, namely, color document printers, scanners; magnetic data carriers and recording discs in the nature of blank magnetic data carriers and prerecorded magnetic data carriers featuring computer software in the field of electronic games, entertainment, music, culture, sports, namely, downloadable computer software for organizing and viewing digital images and photographs, downloadable computer software that allows transmission of graphics to mobile telephones, downloadable computer software to enhance audio visual capabilities of multimedia applications for the integration of text, audio, graphics, still images and moving pictures; compact discs, namely, compact discs featuring music, compact discs featuring computer games, blank sound recording discs, prerecorded sound recording discs in the field of current events, pop culture, sports, people, namely, celebrities, athletes, artists, musicians, and photographers, art, culture, entertainment, namely, music, TV, film and radio entertainment, sports entertainment, night life, travel, adventure, music, lifestyle, fashion, beauty and photography; laser discs featuring movies and video games; DVDs, namely, prerecorded DVDs \* featuring movies and video games \* and other digital recording media in the nature of digital video discs, digital versatile discs, and high definition digital discs featuring current events, pop culture, sports, people, namely, celebrities, athletes, artists, musicians, and photographers, art, culture, entertainment, namely, music, TV, film and radio entertainment, sports entertainment, night life, travel, adventure, music, lifestyle, fashion, beauty and photography; DVDs featuring music; digital recording media, namely, blank audio tapes, blank diskettes, blank optical disk, blank video tapes, blank USB flash drives; mechanisms for coin-operated apparatus; cash registers; calculating machines, namely, calculators; [ data processing equipment, namely, external computer hard drives being computer storage devices; computers; downloadable computer software, namely, software for organizing and viewing digital images and photographs, downloadable computer software for transmitting graphics to mobile telephones, downloadable computer software for enhancing audio visual capabilities of multimedia applications for integration of text, audio, graphics, still images and moving pictures, downloadable computer software for editing text files, audio files, video files, image files and websites, downloadable computer software for creating and editing computer graphics, downloadable computer software for assisting developers in creating program code for use in multiple application programs, downloadable computer software for translating documents from one language to another, downloadable computer software used for backing up electronic data, downloadable computer software for displaying orders and driver locations on maps, ] downloadable computer software applications for purchasing, streaming of music, and purchasing, streaming of videos that may be downloaded from a global computer network, downloadable computer software applications for providing information in the fields of music, finance, health and fitness, lifestyle, medicine, travelling, sports, entertainment, namely, music, TV, film and radio entertainment and economy that may be downloaded from a global computer network; [ recorded computer operating system software; downloadable computer operating system software; ] fire-extinguishing apparatus; recorded content, namely, recordings of multimedia content, namely, pre-recorded video cassettes, digital video discs, digital versatile discs, downloadable audio and video recordings, DVDs, and high definition digital discs featuring current events, pop culture, sports, people, namely, celebrities, athletes, artists, musicians, and photographers, art, culture, entertainment, namely, music, TV, film and radio entertainment, sports entertainment, night life, travel, adventure, music, lifestyle, fashion, beauty and photography; information technology and audiovisual equipment, namely, movie projectors [ , video projectors, video monitors, audiovisual receivers, television receivers being TV sets, digital video recorders, DVD recorders, video cassette recorders, video tape recorders, televisions; ] magnets, magnetizers and demagnetizers, namely, fridge magnets, decorative magnets, magnets for industrial purposes; electric apparatus for scientific research in laboratories, namely, ionization

apparatus for scientific or laboratory use, electrolysis apparatus for laboratory use; [ apparatus, instruments and cables for electricity, namely, electrical cables, electrical wires; ] optical devices, enhancers and correctors, namely, magnifying glasses, corrective glasses, eye glasses, glasses for sports; safety, security, \* and \* protection [ and signalling ] devices, namely, safety goggles, flashing safety lights, [ transmitters of electronic signals, ] electronic warning bells, traffic-light apparatus being \* visual land vehicle traffic-control \* signaling devices, emergency signal transmitters, signal bells, luminous safety beacons, safety markers, security and fire alarms, personal security alarms, safety harnesses other than for vehicles or sports purposes; diving equipment, namely, air tanks for scuba diving, protective diving shoes, face masks for diving, regulators for use in scuba diving, snorkels, weight belts for divers, diving gloves, diving suits, dive computers for underwater use; [ navigation, guidance, tracking, targeting and map making devices, namely, directional compasses, global positioning system consisting of computers, downloadable computer software, transmitters, receivers, and network interface devices; ] measuring, detecting and monitoring instruments, indicators and controllers, namely, GPS tracking devices for sports and outdoor teamsports; scientific research and laboratory apparatus, educational apparatus and simulators, namely, [ flight simulators, ] vehicle drive training simulators, laboratory centrifuges, laboratory glassware, electric bath heaters, ovens for laboratory use, electrodes for laboratory research, laboratory equipment and supplies, namely, incubators; [ mobile telephones; sim cards; ] downloadable software for mobile phones, namely, downloadable computer software applications for [ navigation, and ] playing and purchasing video games, all for mobile phones and tablets that may be downloaded from a global computer network; downloadable interactive multimedia computer game programs; portable media players, namely, personal stereos, mp3 players; [ machine readable data carriers, namely, blank machine readable data carriers; ] downloadable computer programs, namely, [ computer operating programs and ] computer game programs; recorded computer programs, namely computer operating programs and computer game programs; computer game software, recorded, namely, video game software; downloadable video game software; protective clothing being body armour, namely, articles of protective clothing with built in armor for protection against accident or injury for use in motorcycling; spectacles; sunglasses; goggles for sports; headphones; covers for smartphones; cases for mobile phones; selfie sticks being hand-held monopods, namely, monopods used to take photographs by positioning a smartphone or camera beyond the normal range of the arm; smartglasses; smartwatches; wind socks for indicating wind direction; luminous signs; electronic notice boards; [ loudspeakers, namely, audio speakers; wearable activity trackers; trackballs; electronic video surveillance installations; ] water level indicators; water ski safety vests; fire boats; [ navigation apparatus for boats ] \* none of the foregoing being for use in the military field or the field of homeland security \*

CLASS 12: Vehicles and conveyances, namely, airplanes, bicycles, boats, cars, gliders, motorcycles, racing cars, sailing vessels, space vehicles, wheelchairs, motorized wheelchairs for the disabled and those with mobility difficulties; apparatus for locomotion by air, namely, airborne platforms for serving spacecrafts and conducting space applications, and structural parts and structural fittings for all of the aforementioned goods; parts and fittings for air and space vehicles, namely, structural parts for airplanes, structural parts for gliders; parts and fittings for water vehicles, namely, structural parts for boats; parts and fittings for land vehicles, namely, land vehicle structural parts for motorcycles, bicycles, cars, racing cars, brake linings for vehicles, adhesive rubber patches for repairing tubes or tires; apparatus for locomotion by land, namely, trucks; apparatus for locomotion by water, namely, personal recreational watercraft in the nature of small powerboats, personal jet boats, water scooters; camera drones; helicams; self-balancing scooters; self-balancing boards; cup holders for vehicles; amphibious vehicles; all-terrain vehicles; water scooters; water vehicles, namely, boats, ships, water scooters, personal jet boats, electrically powered speedboats; sailing boats; replacement structural parts and fittings for sailing boats; yachts; leisure boats; seaplanes; safety harnesses for auto racing

CLASS 22: Awnings of textile or synthetic materials; bags and sacks for packaging, storage and transport, namely, cotton bags for industrial use, laundry bags, mail bags, packaging bags of textile material; raw textile fibers and substitutes, namely, synthetic fibers for textile use, carbon fibers for textile use, chemical fibers for textile use, glass fibers for textile use, metallic fibers for textile use; raw fibrous textile materials, namely, raw textile fibers; padding and stuffing materials, not of rubber, paper, cardboard or plastic; nets, namely, cotton netting, fishing nets, glass fiber netting, nets for camouflage, silk netting; sails; slings and bands, namely string, guy lines not of metal and ropes; tarpaulins; tents; unfitted covers for boats and marine vehicles; awnings for vessels of textile or synthetic materials; ropes for marine use; tarpaulins of sailcloth; rigging ropes; bags of textile for packaging sails

CLASS 25: Clothing, namely, infantwear, braces for clothing, loungewear, T-shirts for children, sweat shirts for children, trousers for children, shirts for children, pajamas for children, sweaters for children, dresses for children, jackets for children, belts for clothing, jackets being clothing, outerwear, namely, coats, hats, gloves, ski suits, ski trousers, athletic uniforms, athletic tights, athletic pants, athletic shirts, athletic shorts, athletic skirts, ski jackets, ski pants, ski gloves, sun protective clothing, namely, sun protective shirts, sun protective pants, anoraks, aprons, blouses, jogging suits, money belts, pants, shirts, shorts, ski boots, skirts, sweaters, T-shirts, wind resistant jackets; footwear, namely, footwear not for sports, shoes for children, cleats for attachment to sports shoes, outdoor shoes, waterproof footwear, rubbers, athletic footwear for skiers, crosscountry skiers and snowboarders, athletic footwear, beach footwear, climbing footwear; headwear, namely, sports caps and hats, sun visors being headwear, hats, headbands; sailor suits; sailing wet weather clothing, namely, water socks, water repelling footwear, wind- and water-resistant coats, wind resistant jackets, wind pants, waterproof jackets and pants, rain slickers; aqua shoes; beachwear; sports caps; sport footwear; sports jackets; sports jerseys; sports pants; surf wear; swim suits; swimwear for children; waterskiing suits; wind jackets; waterproof clothing, namely, water socks, water repelling footwear, wind- and water-resistant coats, wind resistant jackets, wind pants, waterproof jackets and pants, rain slickers; rain wear; clothing for sailing sports, water sports and outdoor sports, namely water socks, water repelling footwear, wind- and water-resistant coats, wind resistant jackets, wind pants, waterproof jackets and pants, rain slickers

CLASS 28: Games, namely, dart games, card games, table-top games, horseshoe games, computer game consoles for use with an external display screen or monitor, video gaming consoles for playing computer games; playthings, namely, dolls, puppet theaters and spinning tops; gymnastic articles, namely, gymnastic apparatus; sporting articles and equipment, namely, elbow pads for athletic use, pads for use in football, namely, football shoulder pads, football chest pads, football leg pads, spring boards being sporting articles, knee pads for athletic use, balls for sports, starting blocks for sports events, stationary exercise bicycles, exercise treadmills, artificial climbing walls, bags specially adapted for sports equipment, baseballs, basketball nets, basketballs, bob-sleighs, covers for ski bindings, cricket balls, cricket bats, discuses for sports, dumbbells, edges of skis, fishing hooks, fishing rods, fishing tackle, golf balls, golf clubs, hockey sticks, ice skates, javelins, jump ropes, landing nets for anglers, medicine balls, nets for sports, play balls, roller skates, rubber balls, rugby balls, shot puts, shoulder pads for athletic use, ski bindings, ski poles, snow skis, snowboard bindings, snowboards, snowshoes, soccer balls, squash balls, tables for table tennis, tennis balls, tennis nets, tennis racquets, volleyball nets, volleyballs, fencing masks; decorations and ornaments for Christmas trees except confectionery and electric Christmas tree lights; Christmas tree decorations, party novelties in the nature of pop ups, placebo sprays for playing jokes, novelty plush toys for parties, novelty noisemaker toys for parties, novelty whoopee cushions, novelty costume masks, novelty toy face masks, novelty toys for playing jokes, novelty fake teeth, toy foam novelty fingers, toy foam novelty hands, and artificial Christmas trees; fairground and playground equipment, namely, climbing units, playhouses, sandboxes, swing sets, tubes, playground slides; toys, namely, stuffed and plush toys; novelty toys for parties, namely, party favors in the

nature of small toys and party games; gaming machines for gambling; apparatus for games, namely, hand-held units for playing electronic games; video game machines; arcade video game machines; amusement machines, coin-operated; slot machines being gaming machines; hand-held electronic video games, namely, hand-held electronic games with liquid crystal displays; scale model vehicles; toy vehicles; drones being toys; bags especially designed for surfboards; bags especially designed for skis; boards used in the practice of water sports; sailboards; surfboards; harness for sailboards; replacement parts and fittings for sailboards included in this class; waterskis; waterski carrying cases; waterski handles; waterski bindings; waterski ropes; water-wings; scale model boats

CLASS 35: Advertising services, namely, promoting the brands, goods and services of others; business management; business administration, namely, business administration of consumer loyalty programs; office functions, namely, secretarial services, mail sorting, handling and receiving, clerical services; providing an online commercial information directory on the internet; marketing, namely, development of marketing strategies and concepts; promotional services, namely, promoting the sale of goods and services of others through the distribution of printed materials and promotional contests, developing promotional campaigns for business, product demonstrations and product display services; public relations services; trade show and exhibition services, namely, organization of exhibitions and trade fairs for business and promotional purposes; commercial business support services, namely, business support services, namely, business consulting to freelancers, start-ups, existing businesses and non-profit organizations; business assistance namely, business administration assistance; accountancy, book keeping and auditing, namely, bookkeeping, financial auditing, business auditing, account auditing, accountancy services; administrative data processing, collection and systematization of business data, namely, updating and maintenance of data in computer databases and collection and systematisation of information into computer databases; business analysis and information services, and market research, namely, economic forecasting and analysis, market analysis; loyalty, incentive and bonus program services, namely, customer loyalty services and customer club services, for commercial, promotional and/ or advertising purposes and promoting the sale of goods and services of others by means of contests and incentive award programs; provision of advertising space, time and media, namely, rental of advertising space, providing advertising space in periodicals, newspapers and magazines; human resources management and recruitment services, namely, personnel recruitment, human resources management; rental of office machines, namely, rental of office machinery and equipment; business consultancy services, namely, business administration consultancy; business management consultancy services; market research, namely, market research services; online retail store services featuring downloadable and pre-recorded music and movies; commercial lobbying services, namely, promoting the interests of international, real estate and non-profit companies as well as of athletes, musicians, authors and consumers in the fields of politics, legislation, and regulation; providing user reviews for commercial or advertising purposes; providing user rankings for commercial or advertising purposes; providing user ratings for commercial or advertising purposes; retail and wholesale store services featuring horological instruments, chronometric instruments, paper, cardboard, printed matter, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, trunks and travelling bags, umbrellas and parasols, luggage, bags, wallets and other carriers, clothing, footwear, headwear; online trading services in which seller posts products to be auctioned and bidding is done via the Internet, namely, featuring horological instruments, chronometric instruments, paper, cardboard, printed matter, bookbinding material, photographs, stationery, adhesives for stationery or household purposes, artists' materials, trunks and travelling bags, umbrellas and parasols, luggage, bags, wallets and other carriers, clothing, footwear, headwear; promotion of goods and services through sponsorship of sports events; retail store services featuring seafood

CLASS 37: Building construction services; building demolition services; rental of tools, machines and equipment for construction and demolition purposes, namely, leasing of

construction equipment; extraction of natural resources, namely, mining extraction, extraction of oil, extraction of natural gas; alarm, lock and safe installation, maintenance and repair, namely, fire alarm installation and repair, burglar alarm installation and repair, safe maintenance and repair, installation, changing, replacement and repair of locks; installation, maintenance and repair of computer hardware and telecommunication apparatus, namely, installation of telephone lines, installing satellite dishes and computer installation and repair; heating, ventilation and air conditioning installation, maintenance and repair; building maintenance and repair; vehicle services, namely, repair, maintenance and refueling; installation, maintenance and repair of glass, windows and venetian blinds; window cleaning; plumbing installation, maintenance and repair, namely, plumbing contractor services, oil pumping and extraction; lift and elevator installation, maintenance and repair; extermination, disinfection and pest control, namely, pest control and extermination services, other than for agriculture, aquaculture, horticulture and forestry; maintenance and repair of ships; surface conditioning of boats, namely, application of protective coatings to the surfaces of boats; yacht and boat conversion, renovation, refit and repair; marine construction

CLASS 39: Transport, namely, travel and passenger transportation, namely, air transportation of passengers and freight, bus transport, passenger ship transport, taxi transport, transportation of passengers and goods by rail, truck transport; travel arrangement, namely, coordinating travel arrangements for individuals and for groups; packaging and storage of goods, namely, warehouse storage; distribution by pipeline and cable, namely, transmission of oil or gas through pipelines; GPS navigation services; transportation and delivery of goods, namely, delivery of goods by mail order, freight transport by ship, document delivery by non-electronic means, namely, by bicycle courier and by hand; rental of means of transportation, namely, vehicle rental; rescue, recovery, towing and salvage, namely, automobile salvage, aircraft salvage, boat salvage, diving and underwater salvage, vehicle towing, boat towing services, towing of airplanes, rescue services; parking and vehicle storage, namely, parking lot services, garage rental, parking space rental; mooring, namely, providing vessel mooring facilities; postal services, namely, parcel delivery, packaging articles for transportation, rental of mailboxes; marina services, namely, docking services; marina services, namely, berthing, mooring and storage services; provision of information relating to marinas; reservation services for transportation by sea; boat cruises; storage of watercraft, yachts, boats and water vehicles; chartering of watercraft, yachts, ships, boats and water vehicles; rental of rowing boats; rental of berths for boats; rental of moorings for boats; rental of ships; rental of vessels; providing information relating to the rental of vessels

CLASS 40: Energy production; Chemical treatment of textile; working of leather; fur treatment; recycling and waste treatment; printing, photographic film and cinematographic film development; duplication of audio and video recordings; air and water conditioning and purification; slaughtering of animals; food and beverage preservation; beer brewing for others; custom manufacture of boats; custom manufacture of yachts

CLASS 41: Education services, namely, conducting classes, tutorials and seminars in the fields of sports, athletic competitions, physical fitness, stunt performances, music, culture, dance competitions, nature, science, and history; providing of training, including practical training in the field of sports, athletic competition, physical fitness, music, photography, art, nutrition, health, creative arts, gaming, television and radio broadcasting, filming and editing of video content; entertainment in the nature of amusement park and theme park services, ballet performances, live musical performances, gymnastic performances, automobile races, basketball games, live music concerts, live performances in the field of dance, musical bands, magicians, namely, a continuing variety, news or comedy show broadcast over television, satellite, audio, and video media, production of operas, television shows and plays; sporting and cultural activities, namely, organizing and conducting an array of athletic events rendered live and recorded for the purpose of distribution through broadcast media, organizing and

conducting athletic competitions and games in the field of hockey, soccer and track and field sports; publishing, reporting, and writing of texts, namely, news reporters services, photographic reporting, publishing of electronic publications, digital video, audio and multimedia publishing services, book publishing, publishing of web magazine, newspaper publishing, magazine publishing, electronic desktop publishing, publishing of reviews; organization of exhibitions and competitions for entertainment and educational purposes, namely, animal exhibitions, art exhibitions, golf tournaments, football games, figure and speed skating championships and competitions, baseball games, bicycle races, boat races, boxing matches, horse races; athletic and sports events services, namely, arranging, organizing, operating and conducting automobile races, motor rallying, motorcycle races, air races, kart races, boat races and truck races; organizing, arranging, and conducting entertainment events in the nature of dance competitions, music festivals, organization of exhibitions for educational purposes in the field of nature, science and history and the organization and staging of sports competitions, namely, archery competitions, badminton competitions, biathlon competitions, bobsleigh competitions, bocce competitions, bowling competitions, canoeing and kayaking competitions, cricket competitions, cross country ski races, darts tournaments, dog sledding races, equestrian sports competitions, fencing competitions, handball competitions, martial arts competitions, rowing competitions, rugby competitions, running competitions, skateboarding competitions, skiing competitions, snooker competitions, snowboarding competitions, surfing competitions, table tennis competitions, taekwondo competitions, tennis tournaments, triathlon competitions, volleyball competitions, water skiing competitions, weightlifting competitions, jumping sport competitions, trick riding, races, namely, bicycle races, boat races, auto races, motorcycle races, ski races, skiing competitions, snowboard races, running races, swimming races, skate races and air races, skills-based events involving personal recreational watercrafts, canoes, aerobatics, airplanes, motorcycles, dirt bikes, kart cross racers, rally car events; gaming services for entertainment purposes, namely, provision of casinos for gambling, conducting online computer game tournaments; audio and video production, and photography services, namely, cinema theaters, theatre productions, scheduling of radio programming, production of musical sound recording, production of musical videos, production of radio and television programs, photographic composition services for others, photo editing, photographic computer imaging services; sports and fitness, namely, physical fitness training of individuals and groups, coaching in the field of sports; library services, namely, lending library services, mobile library services, online library services, namely, providing electronic library services which feature newspapers, magazines, photographs, pictures via online computer network; translation services and interpretation, namely, language interpretation; organisation of racing and sporting teams taking part in competitions, namely, organization of automobile, bicycle, motorbike, boat, horse, dance and kart racing teams and sporting teams, namely, ice hockey, hockey, soccer and volleyball teams taking part in competitions; film production, other than advertising films; game services provided online from a computer network, namely, online gambling services and providing online video games via a website; providing online music, not downloadable; providing online videos, not downloadable in the field of sailing, current events, sports, people, namely, celebrities and athletes, culture, pop culture, night life, travel, recreation and lifestyle; film distribution; sound engineering services for events; video editing services for events; lighting technician services for events; providing user reviews for entertainment or cultural purposes; providing user rankings for entertainment or cultural purposes; providing user ratings for entertainment or cultural purposes; sports coaching; sports training; organization and conducting of cultural and sporting events in the nature of races and competitions involving water vehicles, namely, boats, ships, water scooters, personal jet boats; operation of sports facilities; education in the nature of classes, tutoring, seminars, and training for personnel, in the fields of team and organizational development; sports club services in the nature of health clubs for physical exercise; organization of boat races; organization of yacht races; organizing and conducting of yacht competitions, races and yacht-operating demonstrations; arranging and conducting sailing competitions, educational demonstrations, and races; entertainment in the nature of yacht races; entertainment

services in the form of public viewings of sailing competitions, educational demonstrations, races and yacht-operating demonstrations for instructional purposes; entertainment in the nature of a water park and amusement center; rental of sports equipment; providing news and information in the field of competitive sailing; hospitality services, namely, yacht clubs; providing information and news in the fields of sailing, recreational and race boats and sailing competitions, entertainment, and computer games via a website; educational services, namely, organizing and conducting courses, seminars and lectures in the fields of sports, boats and sailing; arranging and conducting educational conferences and expositions in the fields of boats, boat equipment and sailing; training services in the field of sailing; providing coaching, training and instruction in the fields of boats and sailing; personal coaching services in the field of sports and sailing; publication of statistics, namely, publication of information relating to the sport of sailing, including team statistics and player statistics via a website; publication of statistics and other information on sports performances in the form of printed matter and in the form of on-line interactive encyclopedia; providing sports information relating to the sport of sailing, including team information, player statistics and news via a website; provision of entertainment infrastructures, namely, VIP lounges and sky boxes both on and off site sports facilities for viewing sports; organizing and conducting athletic competitions and games in the field of track and field, American football, archery, soccer, badminton, baseball, basketball, biathlon, bobsleigh, bocce, bowling, boxing, canoeing and kayaking, cricket, cross country ski races, cycling, darts tournaments, dog sledding races, equestrian sports, fencing, hockey, figure skating, golf tournaments, gymnastics, handball, ice hockey, martial arts, motorsport, rowing, rugby, running, skateboarding, skiing, snooker, snowboarding, speed skating, surfing, table tennis, taekwondo, tennis tournaments, triathlon, volleyball, water skiing, water sports, weightlifting, jumping, trick riding, races, namely, car races, horse races, bicycle races, boat races, auto races, motorcycle races, ski races, skiing, snowboard races, running races, swimming races, skate races and air races, skills-based events involving personal recreational watercrafts, canoes, aerobatics, airplanes, motorcycles, dirt bikes, kart cross racers, rally cars; recreational camps

CLASS 42: Scientific research and development in the fields of computers, earth science, chemistry, biochemistry, biology, biotechnology, engineering, sporting equipment and human resources and consultancy relating to the selection, implementation and use of computer software; technological services and design relating thereto, namely, technical surveying; scientific research, namely, bacteriological research, chemical research, hydrological research, physics research, scientific research in the field of genetics and genetic engineering; industrial analysis services, namely, testing, analysis, and evaluation of the goods of others to assure compliance with industry standards; industrial analysis services, namely, providing scientific research information in the fields of food and beverage, sports, music, electronics, media, namely online media, print media, television media, radio media, video games; industrial analysis services, namely, scientific research services in the field of nature, science; technological research in the field of publishing; technological research in the fields of hydration, dietary supplements; providing temporary use of non-downloadable computer software for registration of guests, clients or participants in the fields of physical and mental health services and in fitness, sports and athletic training and competitions; industrial research services in the field of sailing, boat design, ship design; IT services, namely, design and development of computer hardware, design and development of computer software, conversion of data or documents from physical to electronic media, design, creation, hosting, maintenance of websites for others, installation of computer software, computer programming; medical and pharmacological research services; engineering services, namely, chemical engineering, mechanical engineering; surveying and exploration services, namely, oil exploration, gas exploration; architectural and urban planning services; natural science services, namely, mineral exploration services, geological prospecting, geological research, geological surveying; quality control for others, namely, inspection of computer software, computers and computer components, inspection of products of the food and drink sector, clothing and sporting equipment; industrial design services,

namely, designing plant components and equipment for nuclear power plants; industrial design; design, engineering, research, development and testing services in the field of polymeric materials, polymer synthesis, and materials customization for medical, scientific, and technological applications; design of boats; ship design

CLASS 43: Services for providing food and drink, namely, bar services, café services, cafeteria services, restaurant services, self service restaurants, snack bar and canteen services; temporary accommodation, namely, rental of rooms, nurseries and day care centers, resort lodging services, hotel accommodation services, hostels and boarding house services, holiday and tourist accommodation, namely, tourist inns; day-care and elderly care facilities, namely, nurseries, retirement home services; rental of event and meeting facilities, namely, providing general purpose convention facilities, providing conference rooms; animal boarding; rental of furniture, linens and table settings, namely, chairs, tables, table linen, glassware; catering services, namely, catering of food and drinks; hospitality services, namely, provision of food and drink; hospitality services, namely, temporary accommodation

The mark consists of the wording "MARINA M MONFALCONE". The word "MARINA" appears above the letter "M", and the word "MONFALCONE" appears below the letter "M". The image of a sailboat appears transposed over the letter "M". A portion of the back of a second sailboat and its sail also appear behind the primary sailboat and a portion of the letter "M". A flag also extends from the sailboat upward, and appears to extend through the second letter "A" in "MARINA".

PRIORITY DATE OF 10-11-2021 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1689547 DATED 03-31-2022, EXPIRES 03-31-2032

No claim is made to the exclusive right to use the following apart from the mark as shown: "MARINA" AND "MONFALCONE"

SER. NO. 79-352,489, FILED 03-31-2022

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
