Acting Director of the United States Patent and Trademark Office

polyurethane films, polyethylene foam, sheets, panels, covers for use in building construction and in transport and storage of goods; plastics for electric, heat and sound insulation for industrial applications and for use in building construction; plastic materials for industrial use in the form of sheets, slabs, rods or shafts, particularly mastics, resins of plastic, dry mixtures of plastic, powders of plastic, ] granules of plastic and powders of plastic for general industrial use [ ; semi-processed plastics, resins and rubber for use in concrete patching, in the manufacture of tires, for joints, and for use in the manufacture of vehicles; sheets of recycled cellulose acetate, other than for wrapping, for use in the manufacture of finished rubber goods, namely, in the manufacture of adhesive tape, of sealings, of sealants, and of foams ]

CLASS 40: Processing of plastics [ ; recycling of plastic materials; recycling of raw or recycled plastic materials into semi-finished goods ] [ ; molding of parts by injection, blowing, rotational molding, milling and spraying; injection molding of plastics for others; vulcanization in the nature of treatment of materials; mixing of materials in the nature of toll compounding for third parties, namely, processing of plastics; assembly of products for third parties; decontamination of hazardous materials; destruction of refuse and waste, detritus and of plastic materials; providing technical information on material treatment for use in industry; processing of petroleum and plastics; waste treatment; recycling of refuse and waste; recycling of goods for third parties; consultation and advisory services in the field of processing of plastics and rubber; technical consulting in connection with the processing of plastic materials for protecting the environment ]

The mark consists of of a stylized "e" inside of a sphere with two oval rings behind it and the stylized wording "FUTURE OF TPE" above and "ENPLAST" below.

PRIORITY DATE OF 01-26-2012 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1131113 DATED 07-16-2012,  
EXPIRES 07-16-2032

SER. NO. 79-118,668, FILED 07-16-2012

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
