United States Patent and Trademark Office

Reg. No. 6,149,195

Registered Sep. 08, 2020

Amended Feb. 18, 2025

Int. Cl.: 40, 42

Service Mark

Principal Register

CPI CG INC. (DELAWARE CORPORATION)
10368 West Centennial Road
LITTLETON, COLORADO 80127

CLASS 40: Custom manufacturing and imprinting of electronically encoded cards, magnetically encoded cards, and electronic cards, namely, financial transaction cards, identification verification cards, security verification cards, membership verification cards, loyalty verification cards, premises access cards, transit access cards, authentication verification cards, and encoded thematic collector and novelty cards containing prerecorded images and text; custom assembly for others of electronically encoded cards, magnetically encoded cards, and electronic cards with carriers provided therewith, namely, financial transaction cards, identification verification cards, security verification cards, membership verification cards, loyalty verification cards, premises access cards, transit access cards, authentication verification cards, and encoded thematic collector and novelty cards containing prerecorded images and text; custom manufacturing of integrated circuit modules and integrated circuit module assemblies, namely, integrated circuit modules and integrated circuit module assemblies for use in objects for financial transactions, identification verification, security verification, membership verification, loyalty verification, premises access, transit access, authentication verification, healthcare authentication, and location tracking, and for use in collectible objects and novelty objects; custom assembly for others of integrated circuit modules and integrated circuit module assemblies, namely, integrated circuit modules and integrated circuit module assemblies for use in objects for financial transactions, identification verification, security verification, membership verification, loyalty verification, premises access, transit access, authentication verification, healthcare authentication, and location tracking, and for use in collectible objects and novelty objects

FIRST USE 9-12-2019; IN COMMERCE 9-12-2019

CLASS 42: Custom design and encoding of electronically encoded cards, magnetically

Coke Moya Smead

Acting Director of the United States Patent and Trademark Office

encoded cards, and electronic cards, namely, financial transaction cards, identification verification cards, security verification cards, membership verification cards, loyalty verification cards, premises access cards, transit access cards, authentication verification cards, and encoded thematic collector and novelty cards containing prerecorded images and text; Custom design and encoding of integrated circuit modules and integrated circuit module assemblies, namely, integrated circuit modules and integrated circuit module assemblies for use in objects for financial transactions, identification verification, security verification, membership verification, loyalty verification, premises access, transit access, authentication verification, healthcare authentication, and location tracking, and for use in collectible objects and novelty objects

FIRST USE 9-12-2019; IN COMMERCE 9-12-2019

The mark consists of a turtle with wave design on back of shell.

SER. NO. 88-598,442, FILED 08-29-2019

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
