Trademark

Principal Register

MONTAGNE ET NEIGE DEVELOPPEMENT (FRANCE SOCIÉTÉ ANONYME (SA))
74 voie Magellan,
Parc d'Activités Alpespace
SAINTE-HÉLÈNE-DU-LAC, FRANCE F-73800

CLASS 9: Downloadable and recorded computer software for monitoring and triggering avalanches; downloadable and recorded software for remote control and monitoring of systems for preventing and triggering avalanches; protection and safety devices against accidents for leisure and sports areas in the nature of safety equipment, namely, protective nets for protection against accidents, mattresses specially designed for lifesaving purposes, signaling ropes and safety and warning ribbons; safety equipment, namely, signaling tapes and ropes in the nature of warning streamers; rescue sleighs and sleds

CLASS 11: Apparatus for making artificial snow and ice, namely, snow-making machines for making artificial snow and ice making machines; cooling pumps, namely, air cooling apparatus; refrigerating apparatus, namely, refrigerators; heat exchangers, other than parts of machines; snow-making machines

CLASS 12: Apparatus and installations for transporting persons particularly for transport by cable, namely, cable cars; ski lifts; gondolas being chair lifts, chair lifts, cable cars, drag lifts being ski lifts, slope hoisting installations being ski lifts, ski lifts, cars for cable transport installations being cable cars, funicular rail cars; land vehicles; two-wheeled motor vehicles, motorized two-wheeled vehicles, bicycles, electric bicycles, children's bicycles not being toys, tricycles not being toys, mopeds, motor-assisted cycles being motor cycles, motorcycles; motor scooters; sports bicycles, racing bicycles; rescue sleds

CLASS 28: Amusement park rides; zip lines in the nature of zip line apparatus for recreational purposes; toboggans, summer toboggan being toboggans; toys, games and game articles, namely, play balls and balloons, board games; gymnastic and sports

Coke Moya Smead

Acting Director of the United States Patent and Trademark Office

articles, included in this class, namely, sledges for use in down-hill amusement rides, appliances for gymnastics, ice skates, sailboards, surfboards, snowshoes, skis; roller skates; in-line roller skates; skateboards; toy scooters; children's toy vehicles, namely, toy vehicles

CLASS 37: Construction services, namely, building construction services, construction project management services ; building structures for securing sporting or leisure facilities, namely, building construction services; installation of safety and signaling devices for leisure or sports areas; servicing and maintenance of safety and signaling devices for leisure or sports areas; installation, servicing and maintenance of snow-production networks being artificial snow making equipment; construction consultancy; installation, servicing and maintenance of devices for triggering avalanches; design, construction and implementation, namely, construction and installation of avalanche barrier and falling rock equipment; servicing being repair and maintenance of facilities for transporting people, mechanical ski lifts, chair lifts, cable cars, cable lifts, drag lifts, ski tows, ski lifts, cabins for transport facilities; building construction services, namely, building and installing leisure and sporting facilities, amusement parks, theme parks, recreation parks, adventure parks and climbing facilities; consultancy services relating to the construction of sports and leisure equipment, recreational areas and parks, amusement parks, adventure parks, especially taking into account protection of the environment

CLASS 41: Sporting and cultural activities, namely, organization of events for cultural purposes, organization of sports competitions ; providing information in the field of entertainment; providing leisure, sporting and cultural facilities, namely, providing sports facilities, providing amusement facilities, providing recreation facilities ; amusement park, theme park, leisure park, adventure and climbing park services; organization of educational tests, namely, educational testing services; organization of sports competitions; rental of sports equipment, except vehicles, and rental of sports facilities; organization of offers relating to entertainment, sports and leisure, including on the Internet, namely, arranging of contests

CLASS 42: Design and development of building materials of metal, materials and structures of metal for securing sporting or leisure installations; technical advice, creation being design and development of signaling in the field of leisure and sports areas especially winter sports resorts; design and development of computer software; computer system design; engineering; research and development of new products for others; engineering, namely, design, study, research and consultancy services in the field of refrigeration technology and the manufacture of artificial snow and ice; engineering, namely, design, study, research, advice in the technological field of transporting people, especially cable transport, chair lifts, cable cars, cable lifts, drag lifts, ski tows, ski lifts, funiculars; technical study office services, namely, conducting feasibility studies in the field of creating, developing and implementing parks and recreational areas; civil engineering, namely, technical design of equipment for sports and leisure, amusement parks, adventure parks; architectural services; services of architects for parks and recreational areas, namely, architectural services; conducting technical feasibility studies on the creation being construction and implementation of leisure and sporting equipment, recreational parks and areas, amusement parks, adventure parks; planning services with respect to urban planning, urban development, namely, urban planning

The mark consists of the stylized wording "MND" with an upward curving line over the wording.

PRIORITY DATE OF 05-20-2021 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1639878 DATED 11-18-2021, EXPIRES 11-18-2031

SER. NO. 79-331,483, FILED 11-18-2021

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
