**Reg. No. 6,428,515**  
**Registered Jul. 20, 2021**  
**Amended Feb. 25, 2025**  
**Int. Cl.: 9, 10, 42, 44**  
**Service Mark**  
**Trademark**  
**Principal Register**

eXo Imaging, Inc. (DELAWARE CORPORATION)  
4201 Burton Drive  
Santa Clara, CALIFORNIA 94054

CLASS 9: Computer hardware and software for ultrasound medical imaging apparatus; medical software for processing and displaying images on ultrasound medical imaging machines; medical imaging software that records, monitors and analyzes health data; computer software for use in connection with ultrasound medical imaging apparatus for tomography and therapeutic purposes; downloadable cloud-computing software for managing ultrasound medical imaging machines on a cloud computing platform; computer software for use in connection with medical imaging machines for diagnostic and surgical purposes, including bladder, cardiac, blood pressure, and abdominal aortic aneurysm monitoring, full body imaging, perivascular neuro-ablation, and drug delivery; computer software for use in connection with medical imaging machines for needle guidance and fetal imaging; computer chip for use in connection with medical imaging machines; electronic apparatus, namely, stand-alone displays for medical images \* and none of the aforesaid products/services in relation to pharmaceutical products for preventing or treating diseases and/or biological markers for preventing or treating diseases \*

FIRST USE 1-00-2021; IN COMMERCE 1-00-2021

CLASS 10: Medical ultrasound apparatus; ultrasound diagnostic apparatus; medical imaging apparatus; medical imaging apparatus incorporating medical imaging software; medical image processors; medical imaging transducers; medical imaging apparatus for diagnosing medical conditions and for use in surgical procedures; medical devices and apparatus, namely, ultrasound imaging apparatus, scanners and needle guides, and parts and fittings therefor; medical imaging machines for diagnostic and surgical purposes, including bladder, cardiac, blood pressure, and abdominal aortic aneurysm monitoring; medical imaging machines for needle guidance and fetal imaging; medical ultrasound apparatus for full body imaging, perivascular neuro-ablation, and drug delivery; ultrasound medical imaging apparatus for tomography and therapeutic purposes; Medical imaging apparatus in the nature of handheld 3D medical imaging device for use by health care professionals in connection with providing medical diagnostic and surgical services \* and none of the aforesaid products/services in relation to pharmaceutical products for preventing or treating diseases and/or biological markers for preventing or treating diseases \*

Acting Director of the United States Patent and Trademark Office

FIRST USE 5-13-2021; IN COMMERCE 5-13-2021

CLASS 42: Medical and scientific research in the field of medical imaging; updating and maintaining cloud-based computer software through on-line updates, enhancements, and patches; providing temporary use of non-downloadable cloud-based software for use in connection with medical imaging machines for diagnostic and surgical purposes; providing online non-downloadable medical imaging software that records, monitors and analyzes health data; providing a subscription-based website for use by medical professionals featuring technology that allows users to operate ultrasound medical imaging apparatus; computer services, namely, cloud hosting provider services for use in connection with ultrasound medical imaging services, namely, image archival, billing, and electronic health record (EHR) integration and reporting; providing online non-downloadable cloud-based computer software for use by health care providers for the purpose of physician networking, remote diagnosis, image interpretation, and clinical decision support; providing online non-downloadable computer software for use in connection with ultrasound medical imaging apparatus for tomography and therapeutic purposes; providing online non-downloadable computer software for use in connection with medical imaging machines for diagnostic and surgical purposes, including bladder, cardiac, blood pressure, and abdominal aortic aneurysm monitoring, full body imaging, perivascular neuro-ablation, and drug delivery; providing online non-downloadable computer software for use in connection with medical imaging machines for needle guidance and fetal imaging \* and none of the aforesaid products/services in relation to pharmaceutical products for preventing or treating diseases and/or biological markers for preventing or treating diseases \*

FIRST USE 1-00-2021; IN COMMERCE 1-00-2021

CLASS 44: Providing information, advice and data on medical imaging; providing information concerning the use of medical diagnostic and surgical imaging equipment by means of a web site \* and none of the aforesaid products/services in relation to pharmaceutical products for preventing or treating diseases and/or biological markers for preventing or treating diseases \*

FIRST USE 1-00-2021; IN COMMERCE 1-00-2021

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

SER. NO. 87-592,753, FILED 08-31-2017

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
