United States Patent and Trademark Office

Reg. No. 7,312,635

Registered Feb. 27, 2024

Corrected Mar. 04, 2025

**Int. Cl.: 7, 9, 12, 35, 36, 37,
39, 41, 42, 43, 44**

Service Mark

Trademark

Principal Register

KUBOTA Corporation (JAPAN CORPORATION)
2-47, Shikitsuhigashi 1-chome,
Naniwa-ku, Osaka-shi Osaka 556-8601
JAPAN

CLASS 7: Metalworking machine tools; mining machines; rock drills; cranes; excavating machines; earth moving machines, namely, backhoes; power shovels; earth compacting machines; earth moving machines; loading and unloading machines; components for loading and unloading machines and machine tools, grinding machines, material handling machines, namely, palletizers, case elevators, automatic pallet dispensing machines and automatic slip sheet dispensing machines; industrial robots; cereal processing machines; agricultural machinery, namely, windrowers, tillers, threshers, harvesters and combines; tractor-towed agricultural implements, namely, harvesters, reapers, mowers, plows, harrows, rollers, broadcast seeders, hay rakes, disc harrows, fertilizer distributors, incorporators, coulters, manure spreaders, hay balers, cultivators and feed grinders; rice transplanting machines; combine harvesters; tilling machines for agricultural purposes; agricultural seed planting machines, namely, sowers; mechanized livestock feeders; balers for agricultural use; hay binding machines; spraying machines; mechanical spreaders * for fertilizers and agricultural chemicals * ; seed drills for agricultural machines; power-operated grass/weed trimmers; ploughs; engines not for land vehicles; mechanical engine parts for land vehicles; lawnmowers

CLASS 9: Simulators for the steering and control of vehicles; cameras; cinematographic machines and apparatus; picture projectors; cinematographic cameras; surveying instruments; planimeters; television receivers (tv sets); television transmitters; audio-and video-receivers; apparatus for recording, transmission or reproduction of sound and images; personal digital assistants; data processing apparatus; recorded computer operating programs; downloadable computer operating programs; recorded computer software for use as an application programming interface (API); downloadable computer software for use as an application programming interface (API); central processing units for processing information, data, sound or images; downloadable music

Coke Moya Smeat

Acting Director of the United States Patent and Trademark Office

files; downloadable virtual goods, namely, computer programs, electronic game programs, and downloadable image files featuring agricultural equipment, construction machines, building machines, engines, and their parts for use in online virtual worlds

CLASS 12: Traction engine; treads for retreading tires for civil engineering vehicles; engines for land vehicles; motors for land vehicles; camera drones, other than toys; photography drones; automobiles; tractors; tractors for agricultural purposes; utility terrain vehicles (UTVs); all-terrain vehicles; robotic cars; electrically powered motor vehicles; amphibious vehicles; hydrogen-fueled cars; fuel cell cars; swamp-going vehicles; structural parts for automobiles; lorries; motor cars for transport on land; snowmobiles

CLASS 35: Advertising services; internet advertising services; on-line advertising on computer networks; conducting virtual trade show exhibitions online in the field of agriculture, construction, and engines; on-line promotion of computer networks and websites; promotion of goods and services through sponsorship of sports events; providing information in the field of marketing; marketing consulting; distribution of prospectuses and samples; organization of trade fairs; organization of exhibitions for commercial or advertising purposes; conducting, arranging and organizing trade shows and trade fairs for commercial and advertising purposes; sample distribution; arranging and conducting special events for commercial, promotional or advertising purposes; business consultancy; provision of information concerning commercial sales; business consulting services; business efficiency expert services; compiling of information into computer databases; providing commercial information and advice for consumers in the choice of products and services; retail store services and wholesale store services for agricultural machines and agricultural implements; retail store services and wholesale store services for agricultural machines, implements and supplies; retail store services and wholesale store services for tractors; retail store services and wholesale store services for automobiles; retail store services and wholesale store services for electronic machines, apparatus and their parts; retail store services and wholesale store services for electrical machinery and apparatuses; retail store services and wholesale store services for construction machines and apparatus and loading-unloading machines and apparatus; retail store services and wholesale store services featuring building machines and their parts and fittings; retail store services and wholesale store services for food processing machines and apparatus; retail store services and wholesale store services for non-electric prime movers; retail store services and wholesale store services for engines and motors; retail store services and wholesale store services for lawnmowers; retail store services and wholesale store services for measuring or testing machines and instruments; retail store services and wholesale store services for industrial rice cookers and electromagnetic induction cookers for industrial purposes

CLASS 36: Financing loans and discounting of bills; installment loans; commercial lending services; mortgage lending; non-life insurance underwriting, namely, underwriting accident and fire insurance; fire insurance underwriting; life insurance underwriting; leasing of land; real estate management services; leasing of real estate; rental of farms; appraisal of used automobiles; automobile appraisal

CLASS 37: Construction services, namely, excavation; construction services, namely, grading; providing construction information; construction consultancy; vehicle breakdown repair services; vehicle maintenance; repair or maintenance of automobiles; repair or maintenance of loading-unloading machines and apparatus; pump repair or maintenance; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of construction machines and apparatus; repair or maintenance of electric motors; repair or maintenance of power generators; maintenance and repair of motor vehicles and their engines; repair or maintenance of measuring machines and instruments; repair or maintenance of agricultural machines and implements; repair or maintenance of harvesting machines and implements; rental of construction machines and apparatus; rental of excavators; rental of construction equipment

CLASS 39: Providing road and traffic information; physical storage of electronically

stored data or documents; rental of loading-unloading machines and apparatus; car rental; rental of electric cars; rental of robotic cars; rental of tractors; rental of agricultural tractors; rental of surveillance drones; rental of photography drones

CLASS 41: Training services in the field of agricultural, construction, engine and motors; simulation-based training services in the field of agricultural, construction, engine and motors; training services in the field of business know-how; vehicle driving instruction; providing on-line training seminars in the field of agricultural, construction, engine and motors; arranging and conducting of seminars in the field of agricultural, construction, engine and motors; museum services; organization of cultural shows; providing education courses in the field of agricultural, construction, engine and motors offered through online, non-downloadable videos and instructor assistance; video recording services; organization, arranging and conducting of sports competitions; organizing cultural and arts events; organisation of exhibitions for cultural or educational purposes; providing sports facilities; providing amusement facilities; providing facilities for movies, shows, plays, music or educational training; photographic imaging services by drone; video imaging services by drone; providing online non-downloadable videos and images of agricultural equipment, construction machines, building machines, engines, and their parts for use in virtual worlds; providing online non-downloadable videos and images of agricultural equipment, construction machines, building machines, engines, and their parts for use in virtual reality games

CLASS 42: Providing meteorological information; architectural services; surveying; engineering design services; cartographic measurement services by drone; topographic surveying services by drone; designing of machines, apparatus, instruments, including their parts, or systems composed of such machines, apparatus and instruments; industrial design services; computer programming; updating of computer software; research and development of computer software; technology advisory services relating to computers, automobiles and industrial machines; research in the field of building construction and city planning; research relating to mechanical engineering; industrial research in the field of agricultural technology, construction technology, engines and motors; testing or research on civil engineering; testing the functionality of machines; testing the functionality of apparatus and instruments; rental of measuring apparatus; providing temporary use of on-line non-downloadable software for use in database management and service desk management of field in agricultural technology, construction technology, engines and motors; software as a service (SAAS) services featuring software for use in database management and service desk management of field in agricultural technology, construction technology, engines and motors; providing virtual computer systems and virtual computer environments through cloud computing

CLASS 43: Cafeteria services; eateries; catering services; providing conference rooms; providing facilities for exhibitions

CLASS 44: Rental of agricultural equipment; rental of agricultural implements; providing information relating to farming equipment rental; rental of lawnmowers; agricultural services, namely, compost spreading, planting, growing, fertilizing, pruning; aerial and surface spreading of fertilizers and other agricultural chemicals; vermin exterminating for agriculture; providing information relating to vermin exterminating for agriculture, horticulture and forestry

The mark consists of two concentric ovals with shading. A solid letter "K" with beveled left and right edges appears in the center of the inner oval, where the top and bottom of the solid letter "K" abut the inner oval.

PRIORITY DATE OF 11-25-2022 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1725918 DATED 12-16-2022, EXPIRES 12-16-2032

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
