CLASS 42: Computer software design, computer programming, and maintenance of computer software; design and programming of software; design and programming of computer system; technological advice relating to computers, automobiles and industrial machines; rental of computers; providing online non-downloadable computer programs for managing cryptocurrency transactions using blockchain technology on data networks; providing online non-downloadable computer programs for blockchain-based inventory management on data networks; rental of computer software for managing cryptocurrency transactions using blockchain technology; rental of computer software for blockchain-based inventory management; rental of application software for managing cryptocurrency transactions using blockchain technology; rental of application software for blockchain-based inventory management; providing online non-downloadable software for managing cryptocurrency transactions using blockchain technology; providing online non-downloadable software for blockchain-based inventory management; software as a service (SaaS) featuring software for managing cryptocurrency transactions using blockchain technology; software as a service (SaaS) featuring software for blockchain-based inventory management; platform as a service (PaaS) featuring software for managing cryptocurrency transactions using blockchain technology; platform as a service (PaaS) featuring software for blockchain-based inventory management; rental of web servers; server hosting; computerised data storage services; computer security consultancy; providing online non-downloadable computer programs with data gathering and payment processing functions in the field of electronic crypto assets; providing online non-downloadable computer programs for

processing crypto asset transactions; creating web sites featuring crypto asset for others; configuration of computer system and computer networks featuring crypto asset; providing online non-downloadable computer programs for managing and validating cryptocurrency transactions using blockchain technology; computer programming for blockchain technology; creating and maintaining web sites for others in the field of blockchain technology; data authentication services using blockchain technology for games, arts, comics, cartoons, sports, toys, artists, avatars, fashion, and music; testing and research of blockchain technology; software as a service (SaaS) featuring software for creating and providing blockchain technology-based distributed transaction ledger; Cloud computing for blockchain systems, namely, providing virtual computer systems through cloud computing for blockchain systems; Cloud computing, namely, providing virtual computer systems through cloud computing; platform as a service (PaaS) featuring computer software for hosting platforms on the Internet featuring blockchain system technology; platform as a service (PaaS) featuring computer software for programming of software for information platforms on the Internet featuring blockchain system technology; platform as a service (PaaS) featuring computer software for development of computer platforms featuring blockchain system technology

The mark consists of four diagonal bars. The top and bottom bar are shorter than the middle two bars.

OWNER OF INTERNATIONAL REGISTRATION 1679285 DATED 04-21-2022,  
EXPIRES 04-21-2032

SER. NO. 79-348,080, FILED 04-21-2022

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
