**Service Mark**

**Trademark**

**Principal Register**

2SAN GLOBAL LIMITED (UNITED KINGDOM PRIVATE LIMITED COMPANY)

Unit 11 Carnforth Business Park, Oakwood Way  
Carnforth LA5 9FD  
UNITED KINGDOM

CLASS 3: Cleaning, fragancing and deodorizing preparations in the nature of chemical sprays, namely, biotechnological chemical spray cleaners for industrial and household applications such as stain removal, odor elimination, and bioremediation of many types of organic and hydrocarbon-based materials; Cleaning, air fragancing and deodorizing preparations other than for personal use, namely water based cleaning preparations, spray cleaners for household purposes, surface cleaning preparations, perfume additive in the nature of perfume oils for cleaning preparations, stain removing preparations, upholstery cleaning preparations, floor, carpet and curtain cleaning preparations, carpet shampoos; toilet descaler, namely, toilet bowl detergents

CLASS 5: Diagnostic preparations and materials in the nature of diagnostic reagents for medical use; medical diagnostic reagents and assays for testing of bodily fluids; medical diagnostic test strips for use in the field of diagnosis of human diseases and of the presence of drugs in test samples; diagnostic substances for medical use, namely, diagnostic reagents and contrast media for medical use, diagnostic media for bacteriological cultures, diagnostic biomarker reagents for medical purposes; chemical products for checking in-vitro diagnostic test results for medical purposes, namely, chemical reagents for medical purposes; chemical products for use with molecular diagnostic testing apparatus for human infectious diseases, for medical use, namely, chemical reagents for medical purposes; sanitary preparations and articles, namely, sanitary sterilising preparations, disinfectants for sanitary purposes; alcohol based antibacterial skin sanitizer gels; hand-sanitizing preparations; sanitizing preparations for medical use; sanitizers for household, industrial or office use; sanitizing wipes; disposable sanitizing wipes; disinfectants and antiseptics; disinfectants for hygiene and sanitary purposes; anti-bacterial and anti-viral preparations namely cleaning sprays, soap; surgical dressings; cotton wool for surgical use; antibacterial cleaners for sterilising surgical instruments

CLASS 7: Floor cleaning machines; steam cleaning machines; high pressure cleaning machines namely, machines for cleaning surfaces using high-pressure water; carpet cleaning machines; industrial cleaning machines, namely electric machines for carpet shampooing; industrial cleaning machines namely, vacuum cleaners; vacuum cleaners; electric machines for steam cleaning, abrasive blast cleaning, dry-cleaning, floor scrubbing and polishing; structural parts and fittings for the aforesaid goods

*Coke Moya Smeed*

Acting Director of the United States Patent and Trademark Office

CLASS 9: Scientific, research and laboratory apparatus namely, pipettes and droppers for laboratory use and their storage units in the nature of pipette racks, vials in the nature of test tubes, laboratory glassware, laboratory tools for collecting, storing, processing samples in the nature of hand-operated laboratory tools for manipulating laboratory samples, testing sample collection equipment, namely, wipes and swabs for use in diagnostic testing, not for medical purposes and sterile sampling bags for laboratory use, and diagnostic apparatus for detecting pathogens and biomarkers in blood, body fluids, blood derivatives and body fluid derivatives for clinical research and scientific purposes, the aforesaid not including goods being or goods related to automated chemistry analyzers to be used in laboratories; downloadable software applications for recording, tracking and collating medical test results

CLASS 10: Diagnostic apparatus and instruments for medical purposes, namely medical diagnostic apparatus for testing human diseases, immune deficiencies, and the presence of drugs in test samples; molecular diagnostic testing apparatus for testing human infectious diseases, for medical use; testing instruments purposes in the nature of medical diagnostic testing apparatus for testing bodily fluid, and for identifying human diseases and immune deficiencies and probes for medical diagnostic; diagnostic testing apparatus for use in immunoassay namely, medical diagnostic apparatus for testing bodily fluid, and for identifying human diseases and immune deficiencies; medical apparatus and instruments for use in medical procedures, namely personal protective equipment (PPE) in the nature of masks for use by medical personnel, syringes, surgical instruments and apparatus; surgical apparatus and instruments; suture materials; personal protective equipment for medical and healthcare medical use, namely disposable gloves, face masks for use by health care providers, gowns and protective aprons, overalls being surgical scrub suits, face shields, surgical caps, protective shoe coverings; respiratory masks for medical use; thermometers for medical purposes

CLASS 35: Retail and wholesale store services, and wholesale ordering and distributorship services featuring cleaning, fragrancing and deodorizing preparations, toilet descender; retail and wholesale store services, and wholesale ordering and distributorship services featuring diagnostic preparations and materials for medical use, medical diagnostic reagents and assays, medical diagnostic test strips, diagnostic substances for medical use, chemical products for checking in-vitro diagnostic test results for medical purposes, chemical products for use with molecular diagnostic testing apparatus for human infectious diseases, for medical use, sanitary preparations and articles, alcohol based antibacterial skin sanitizer gels, hand-sanitizing preparations, sanitizing preparations for medical use, sanitizers for household, industrial or office use, sanitizing wipes, disposable sanitizing wipes, disinfectants and antiseptics, disinfectants for hygiene and sanitary purposes, anti-bacterial and anti-viral preparations, surgical dressings, tissues and cotton wool for surgical use, cleaners for sterilising surgical instruments; retail and wholesale store services, and wholesale ordering and distributorship services featuring floor cleaning machines, steam cleaning machines, high pressure cleaning machines, carpet cleaning machines, industrial cleaning machines, namely shampooers and vacuum cleaners, vacuum cleaners, machines and apparatus for cleaning, electric, parts and fittings for the aforesaid goods; retail and wholesale store services, and wholesale ordering and distributorship services featuring scientific, research and laboratory apparatus not including scientific, research and laboratory apparatus being or related to automated chemistry analyzers to be used in laboratories; retail and wholesale store services, and wholesale ordering and distributorship services featuring downloadable software applications for recording, tracking and collating medical test results; retail and wholesale store services , and wholesale ordering and distributorship services featuring diagnostic apparatus and instruments for medical purposes, molecular diagnostic testing apparatus for human infectious diseases, for medical use, testing instruments and probes for medical diagnostic purposes, diagnostic testing apparatus for use in immunoassay procedures, medical apparatus and instruments, surgical apparatus and instruments, suture materials, personal protective equipment for medical and healthcare use, namely, disposable gloves, face masks, gowns and aprons, overalls, face shields, caps, shoe coverings,

respiratory masks for medical use, thermometers for medical purposes; administration of a database for recording, tracking and collating medical test results

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

PRIORITY DATE OF 12-24-2021 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1680948 DATED 05-09-2022, EXPIRES 05-09-2032

SER. NO. 79-348,753, FILED 05-09-2022

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
