**Reg. No. 7,665,806**

**Registered Jan. 28, 2025**

**Corrected Apr. 15, 2025**

**Int. Cl.: 9, 35, 38, 42, 44**

**Service Mark**

**Trademark**

**Principal Register**

BGI SHENZHEN GROUP HOLDINGS CO., LIMITED (CHINA Limited company)

8F, Building 11, Beishan Industrial Zone,

No. 146 Beishan Road, Yangang Community, Yantian Street, Yantian District, Shenzhen 518000 Guangdong

CHINA

CLASS 9: Computer software applications, downloadable, for use in scientific analysis of genetic sequences and managing laboratory information, data, instruments and workflows in the field of genome sequencing; computer programs, downloadable, for use in scientific analysis of genetic sequences and managing laboratory information, data, instruments and workflows in the field of genome sequencing; downloadable software for processing images, graphics and text; downloadable computer operating software; downloadable computer programs for editing images, sound and video; downloadable computer software for database management; downloadable computer software for file management; downloadable computer software for authorizing access to databases; downloadable computer software for collecting, analyzing and organizing data in the field of deep learning \* ; none of the foregoing in the field of building and construction \*

CLASS 35: Preparation of expert evaluations and reports relating to business matters; Providing commercial information in the field of genomics via the Internet, cable networks or other forms of data transmission; computerized market research services; compilation of information into computer databases; systemization of information into computer databases; data search in computer files for others; updating and maintenance of data in computer databases; computer data entry services \* ; none of the foregoing in the field of building and construction \*

CLASS 38: Computer aided transmission of messages and images; transmission of digital files; computer aided transmission of images; wireless digital messaging services; transfer of electronic data by telecommunication; Providing access to database via a global computer network; electronic transmission of messages and data; providing multiple-user access to a global computer information network; transmission of information via computers connected to the same telematic network; transmission of information via national and international networks; transmission of sound, video and information; information transmission via electronic communications networks; transmission of information via optical telecommunication networks; information transmission services via digital networks; computer information transmission transfer via access code or terminal; cable transmission of sounds, images, signals and data; network transmission of sounds, images, signals and data; satellite transmission of sounds, images, signals and data; providing third party users with access to telecommunication infrastructure; communication services for the electronic transmission of data and documents among computer users

CLASS 42: Scientific research; scientific research and development; biological

*Coke Moya Smeat*

Acting Director of the United States Patent and Trademark Office

research; medical research; scientific research in the field of genetics; biomedical research services; medical research services; biomedical research; biological research and analysis; Software as a service [SaaS] featuring software for use in scientific analysis of genetic sequences and managing laboratory information, data, instruments and workflows in the field of genome sequencing; platform as a service [PaaS] featuring computer software platforms for use in scientific analysis of genetic sequences and managing laboratory information, data, instruments and workflows in the field of genome sequencing; software engineering services for data processing; design and development of computer software; electronic data storage; cloud computing services, namely, cloud computing based on artificial intelligence technology featuring software for question answering, searching literature, biological professional interpretation, data analytics and text writing in the fields of genomics, biology, medicine, scientific research; Software as a service (SAAS) services, namely, hosting software for use by others for use in scientific analysis of genetic sequences and managing laboratory information, data, instruments and workflows in the field of genome sequencing; on-line data storage services; cloud storage services for electronic data; cloud storage services for electronic documents \* ; none of the foregoing in the field of building and construction \*

CLASS 44: Medical analysis services for diagnostic and treatment purposes provided by medical laboratories; medical analysis services relating to the treatment of patients; providing medical information via a website; genetic screening for medical purposes; genetic testing for medical purposes; medical information; genetic testing for medical use; medical services; medical assistance services; providing health information

The mark consists of the stylized wording STOmics Cloud.

PRIORITY DATE OF 12-05-2023 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1790074 DATED 01-03-2024,  
EXPIRES 01-03-2034

No claim is made to the exclusive right to use the following apart from the mark as shown: "Cloud"

SER. NO. 79-395,869, FILED 01-03-2024

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
