Acting Director of the United States Patent and Trademark Office

donated to charity; publishing printed books, magazines, newsletters, articles and contributions in scientific publications in electronic form, namely, on the Internet, except for promotional purposes, in the fields of rare diseases of humans, in particular of children, namely, genetic disorders of the blood and the immune system, congenital neutropenia, congenital disorders of the immune system and inflammatory bowel diseases; conducting trainings, seminars and congresses in the field of precautionary education on the awareness and prevention of rare diseases and precision medicine; education services, namely, classes, workshops, seminars, scientific conferences in the field of medicine

FIRST USE 7-10-2023; IN COMMERCE 7-10-2023

CLASS 42: scientific and biological research services; technological research services in the field of rare diseases and precision medicine; conducting clinical, diagnostic, chemical, Scientific and biological research services; technological research services in the field of rare diseases and precision medicine; conducting clinical, diagnostic, Scientific and biological research services; technological research services in the field of rare diseases and precision medicine; conducting clinical, diagnostic, chemical, biological, genetic, molecular and biotechnological analyses for optimization of diagnosis, therapy and prevention of severe diseases; conducting clinical, immunological and genetic diagnostics testing and drug development; conducting scientific investigations for severe and life-threatening diseases for medical purposes; preparing scientific reports for medical and scientific research purposes; scientific research, biological, chemical and medical research; development of new medical therapies, namely, pharmacotherapy and cell and gene therapy; medical research and therapy development services in the field of rare human diseases, in particular of children, namely, genetic diseases, blood and immune system disorders, congenital neutropenia and inflammatory bowel diseases; consulting in the fields of medical and scientific research

FIRST USE 7-10-2023; IN COMMERCE 7-10-2023

CLASS 44: Medical services, namely, clinical and diagnostic analysis and therapy development, in particular, pharmacotherapy and cell and gene therapy; ambulatory and mobility care services, namely, the provision of medical and therapeutic care in the fields of rare human diseases, in particular of children, namely, genetic diseases, diseases of the blood and immune system, congenital neutropenia, congenital disorder of the immune system and inflammatory bowel disease; clinical, immunological, molecular biological, biochemical, chemical and genetic diagnostics being medical testing for diagnostic or treatment purposes; providing medical information; medical care services in the nature of psychosocial care; medical therapeutic counseling

FIRST USE 7-10-2023; IN COMMERCE 7-10-2023

The color(s) green, light green, gray, black, and white are claimed as a feature of the mark.

The mark consists of the words "CARE-FOR-RARE" in green font above the word "FOUNDATION" in grey, all to the right of a stylized image of a four-leaf clover with each leaf in various shades of green and light green. Each leaf is surrounded by a white outline and a black border.

No claim is made to the exclusive right to use the following apart from the mark as shown: "FOUNDATION"

SER. NO. 97-174,137, FILED 12-15-2021

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
