

United States of America

United States Patent and Trademark Office

Reg. No. 7,617,027

Registered Dec. 24, 2024

Corrected Jul. 08, 2025

Int. Cl.: 1, 6, 9, 12, 13

Trademark

Principal Register

iSi Automotive Holding GmbH (AUSTRIA LIMITED LIABILITY COMPANY)
Scheydgasse 30-32
A-1210 Wien
AUSTRIA

CLASS 1: Helium in compressed gas storage, for use in connection with gas generators; argon in compressed gas storage, for use in connection with gas generators; mixtures of helium and argon in compressed gas storage, for use in connection with gas generators; mixtures of helium, argon and oxygen in compressed gas storage, for use in connection with gas generators

CLASS 6: Compressed gas storage tanks of metal for gas generators

CLASS 9: Fire extinguishers; fire extinguishers and fire extinguishing apparatus, for use in connection with automobiles; gas extinguishing systems comprised of fire extinguishing apparatus for use in the engine area of motor vehicles [; gas extinguishing installations in the nature of fire extinguishers using gaseous agents, fire prevention systems using gaseous agents, cooling systems using gaseous agents, for use in connection with batteries for vehicles; helmet airbag modules, namely, protective helmets incorporating airbags for injury protection; avalanche airbag modules, namely, safety vests incorporating airbags for injury protection]

CLASS 12: Automotive structural parts, namely, gas generators for airbags for vehicles, for use in vehicle safety systems; automotive structural parts, namely, hybrid gas generators for vehicles, for use in vehicle safety systems; automotive structural parts, namely, cold gas generators for vehicles, for use in vehicle safety systems; automotive structural parts, namely, airbag inflators for vehicles; automotive structural parts, namely, hydrogen generators for vehicles, for use in vehicle safety systems; air bags being safety equipment for agricultural vehicles; inflatable air bags, air cushions, gas cushions for vehicles for the prevention of injuries; safety restraints for vehicle seats for the prevention of injuries; [bicycle airbag modules and] airbag modules and accessories for vehicles, consisting primarily of airbags for safety belts, side airbags, head airbags, passenger airbags, knee airbags, pedestrian airbags, seat airbags, seat ramp airbags, central area airbags, central airbags, far side airbags, back seat airbags, [children's seat airbags,]

A handwritten signature in black ink, reading 'Cole Morgan Smead'.

Acting Director of the United States Patent and Trademark Office

steering wheel airbags, pelvis airbags, thorax airbags, curtain airbags; belt retention systems for vehicles comprised of seat belts, seat belt pretensioners, seat belt airbags; belt force limiters for vehicles in the nature of vehicle seat belt pre-tensioners

CLASS 13: Pyrotechnic gas generators; pyrotechnic gas actuators being specially adapted for use with pyrotechnic gas generators

The color(s) red is/are claimed as a feature of the mark.

The mark consists of the wording "ISI" in red stylized font, with the dots over each letter "I" represented by the red outline of a circle. The color white represents background, outlining, shading, and/or transparent area and is/are not part of the mark.

PRIORITY DATE OF 02-06-2023 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1769395 DATED 07-21-2023,
EXPIRES 07-21-2033

SER. NO. 79-386,547, FILED 07-21-2023

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
